

Documentation Update for *Siebel VB Language Reference*

Date Published: June 11, 2003

Last Updated: June 11, 2003

This Documentation Update applies to the following version of *Siebel VB Language Reference*

Document Version: 7.0

Date Published: September 2001

Software Version: Siebel 7 v7.0.4

Chapter 3, Siebel VB Language Reference

June 11, 2003

Modified the syntaxes available for the Input statement:

Input Statement

Page 3-139

Removed Syntax B that showed the use of a prompt with the Input statement. The input statement is for file input only, not for keyboard input, thus it does not use a prompt.

ShowStatus Method

Page 3-263

Removed the ShowStatus Method. This method was deprecated in Version 7.
