

Sun StorEdge™ T3 Disk Tray Installation Task Map

Read the Release Notes

Review the *Sun StorEdge T3 Disk Tray Release Notes* before beginning the installation. This document contains the latest updates such as patch information, installation updates, and product changes.

Have the Installation Site Ready

Refer to the *Sun StorEdge T3 Disk Tray Site Preparation and Planning Guide* and the *Sun StorEdge T3 Disk Tray Configuration Guide*, available from your Sun representative. Before the installation:

- Have the required hardware and software for your specific configuration available.
- Install the host adapter(s) in the host system. Refer to the documentation that is packaged with the host adapter for installation instructions.
- If you are connecting the disk tray(s) to a hub(s), prepare and cable the hub configuration.

Install the Required Patches on the Host System

Refer to the *Sun StorEdge T3 Disk Tray Release Notes* for a listing of required patches and then go to the SunSolveSM web site at <http://sunsolve.sun.com> to retrieve patches:

1. **Select Patches under the SunSolve Online column.**
2. **Select Storage Products from the Patches web page.**
3. **Download and install applicable patches as directed on the web site.**

Install the Sun StorEdge T3 Disk Tray

See **Chapter 2** of the *Sun StorEdge T3 Disk Tray Installation, Operation, and Service Manual* for installation instructions.

This chapter guides you through the installation process and includes information on installing software tools that can be used with the disk tray.

When installing the disk tray and the software, have the following references available:

- *Sun StorEdge T3 Disk Tray Release Notes*
- *Sun StorEdge T3 Disk Tray Administrator's Guide*
- *Sun StorEdge Component Manager Installation Guide*
- Host system documentation
- Documentation for any third-party software that you might want to install, such as VERITAS Volume Manager

Other related documentation and their part numbers are listed in the Preface of the *Sun StorEdge T3 Disk Tray Installation, Operation, and Service Manual*.

Administration

Refer to the *Sun StorEdge T3 Disk Tray Administrator's Guide* for instructions on administering the disk tray using a command-line interface (CLI).

Refer to the *Sun StorEdge Component Manager User's Guide* for instructions on administering the disk tray through a graphical user interface (GUI).

Troubleshooting

Refer to Chapter 4 of the *Sun StorEdge T3 Disk Tray Installation, Operation, and Service Manual* for a troubleshooting overview. Use this chapter along with the *Sun StorEdge T3 Disk Tray Administrator's Guide* or *Sun StorEdge Component Manager User's Guide* to resolve disk tray problems.
