Accessing Sun Documentation Online

The docs.sun.com web site enables you to access Sun technical documentation on the Web. You can browse the docs.sun.com archive or search for a specific book title or subject at:

http://docs.sun.com

Ordering Sun Documentation

Fatbrain.com, an Internet professional bookstore, stocks select product documentation from Sun Microsystems, Inc. For a list of documents and how to order them, visit the Sun Documentation Center on Fatbrain.com at:

http://www1.fatbrain.com/documentation/sun

Sun Welcomes Your Comments

Sun is interested in improving its documentation and welcomes your comments and suggestions. You can email your comments to Sun at:

docfeedback@sun.com

Please include the part number (806-7960-10) of the document in the subject line of your email.

Media Tray Server Top

The server top Media Tray is equipped with non-skid feet to allow it to be placed on top of Sun’s deskside server. Mounting the server top tray requires no tools, but its weight requires two people.

♦ Two installers lift the Media Tray to the deskside server top. Position it squarely with all the feet sitting on the server top surface. The sides, front, or back sides of the server tray should not overhang.
