## READ THIS DOCUMENT BEFORE INSTALLING NETSCAPE COMMUNICATOR

This version of Netscape(TM) Communicator software is configured for the Solaris(TM) operating environment.

---

### DOCUMENTATION

---

Before you install Netscape Communicator, print out the Netscape Communicator Installation Guide located on the CD:

`./Netscape_Communicator_4.73/common/Docs/<locale>/Install.html`

(Where "<locale>" is the two-letter abbreviation of the desired language. For example, English is located in the "en" directory.)

Follow the instructions provided in this document to install Netscape Communicator.
