VOP Customer User's Guide - Revision JA

Changes listed in this addendum will be incorporated into the Virtual Operator Panel Customer User's Guide at the next revision (JB).

This addendum provides information to download release 1.0.12 of the Virtual Operator panel.

Software Download

Page 32 of the user's guide contains incorrect information in Step 2 of the Download VOP Zip instruction.

You can download the VOP file from the Downloads & Trials submenu on the external Sun web page. Use one of the following methods:

- "Method One - Downloads A-Z" on page 1
- "Method Two - View by Category" on page 2

▼ Method One - Downloads A-Z

1. Use your browser to access the Sun external web site (`http://www.sun.com`).

2. Move the cursor over the Downloads & Trials submenu, and click on See All Downloads.

3. Click the Downloads A-Z tab.

4. Scroll to StorageTek VOP v.1.0.12 General Availability and click on the link to access the download page.

▼   Method Two - View by Category

1. Use your browser to access the Sun external web site (`http://www.sun.com`).

2. Move the cursor over the Downloads & Trials submenu, and click on See All Downloads.

3. Click the View by Category tab.

4. Scroll to the Hardware Drivers section and click Storage.

5. Scroll to StorageTek VOP v.1.0.12 General Availability, and click Download to access the download page.
