This software and related documentation are provided under a license agreement containing restrictions on use and disclosure and are protected by intellectual property laws. Except as expressly permitted in your license agreement or allowed by law, you may not use, copy, reproduce, translate, broadcast, modify, license, transmit, distribute, exhibit, perform, publish, or display any part, in any form, or by any means. Reverse engineering, disassembly, or decompilation of this software, unless required by law for interoperability, is prohibited.

If this software or related documentation is delivered to the U.S. Government or anyone licensing it on behalf of the U.S. Government, the following notice is applicable:

U.S. GOVERNMENT RIGHTS

Programs, software, databases, and related documentation and technical data delivered to U.S. Government customers are "commercial computer software" or "commercial technical data" pursuant to the applicable Federal Acquisition Regulation and agency-specific supplemental regulations. As such, the use, duplication, disclosure, modification, and adaptation shall be subject to the restrictions and license terms set forth in the applicable Government contract, and, to the extent applicable by the terms of the Government contract, the additional rights set forth in FAR 52.227-19, Commercial Computer Software License (December 2007). Oracle America, Inc., 500 Oracle Parkway, Redwood City, CA 94065.

This software or hardware is developed for general use in a variety of information management applications. It is not developed or intended for use in any inherently dangerous applications, including applications which may create a risk of personal injury. If you use this software or hardware in dangerous applications, then you shall be responsible to take all appropriate fail-safe, backup, redundancy and other measures to ensure its safe use. Oracle Corporation and its affiliates disclaim any liability for any damages caused by use of this software or hardware in dangerous applications.

Oracle and Java are registered trademarks of Oracle and/or its affiliates. Other names may be trademarks of their respective owners.

This software or hardware and documentation may provide access to or information on content, products and services from third parties. Oracle Corporation and its affiliates are not responsible for and expressly disclaim all warranties of any kind with respect to third party content, products and services. Oracle Corporation and its affiliates will not be responsible for any loss, costs, or damages incurred due to your access to or use of third party content, products or services.

Chapter 1

Preface

The *Oracle Enterprise Taxation and Policy Management Self Service Quick Install Guide* describes the requirements and steps necessary to install Oracle Enterprise Taxation and Policy Management Self Service.

Audience

The *Oracle Enterprise Taxation and Policy Management Self Service Quick Install Guide* is intended for system administrators installing Oracle Enterprise Taxation and Policy Management Self Service. To use this document you should have:

- Experience installing and configuring application servers and other software
- Administrative privileges on the host where you are installing the software

Table 1: Documentation and Related Resources

Oracle Enterprise Taxation and Policy Management Self Service Documentation Set

The Oracle Enterprise Taxation and Policy Management Self Service documentation set includes the following documents:

- *Oracle Enterprise Taxation and Policy Management Self Service Release Notes*
- *Oracle Enterprise Taxation and Policy Management Self Service Quick Install Guide*
- *Oracle Enterprise Taxation and Policy Management Self Service Installation Guide*
- *Oracle Enterprise Taxation and Policy Management Self Service Implementation Guide*
- *Oracle Enterprise Taxation and Policy Management - Self Service Integration Guide*

Oracle Technology Network

Visit the Oracle Technology Network (OTN) to access demos, whitepapers, Oracle By Example (OBE) tutorials, updated Oracle documentation, and other collateral.

Registering on OTN

You must register online before using OTN, Registration is free and can be done at www.oracle.com/technetwork/index.html

Oracle Documentation on OTN

The Oracle Documentation site on OTN provides access to Oracle documentation. After you have a user name and password for OTN, you can go directly to the documentation section of the OTN Web site at www.oracle.com/technetwork/indexes/documentation/index.html

Oracle Support

Oracle customers have access to electronic support through My Oracle Support.

Table 2: Documentation Conventions

Convention	Meaning
boldface	Boldface type indicates graphical user interface elements associated with an action, or terms defined in text or the glossary.
<i>italic</i>	Italic type indicates book titles, emphasis, or placeholder variables for which you supply particular values.
monospace	Monospace type indicates commands within a paragraph, URLs, code in examples, text that appears on the screen, or text that you enter.

Chapter 2

Introduction

This section provides a high-level overview of the installation steps for Enterprise Taxation and Policy Management Self Service (ETPMSS) V1.0.0 and selected additional software. For more information, see the Enterprise Taxation and Policy Management Self Service Installation Guide.

Please visit My Oracle Support (<http://support.oracle.com>) for the most recent service packs and patches for this release to ensure you have the most current version of this product.

The following product version levels are required when integrating with Enterprise Taxation and Policy Management:

- ETPM V2.3.1 SP1 : 14713038 - ETM 2.3.1 SERVICE PACK 1 (SP1)
- FW V4.1.0.1.0 SP1: 13967347 - SERVICE PACK 1

This document is subject to revision and updating. For the most recent version of this document and related documentation check BUG 14660129.

Chapter 3

Media Pack Contents

The Enterprise Taxation and Policy Management Self Service media pack consists of the following packages:

- Enterprise Taxation and Policy Management Self Service V1.0.0 Release Notes
- Enterprise Taxation and Policy Management Self Service V1.0.0 Quick Install Guide (this document)
- Enterprise Taxation and Policy Management Self Service V1.0.0 Installation Guide
- Enterprise Taxation and Policy Management - Self Service V1.0.0 Integration Guide
- Enterprise Taxation and Policy Management Self Service V1.0.0 Implementation Guide
- Enterprise Taxation and Policy Management Self Service V1.0.0 Installation Package for an Initial Install
- Enterprise Taxation and Policy Management Self Service V1.0.0 Installation Package for a Standalone Install

Additional Software Requirements

The following software products are required to run Enterprise Taxation and Policy Management Self Service, but are not included in the media pack. These products must be licensed and installed separately:

- Oracle WebLogic Server 10.3.5
- Oracle WebCenter Release 11.1.1.5.0
- Oracle Content Server (UCM) 11.1.1.5.0
- Oracle SOA 11.1.1.5.0
- Oracle Database 11.2.0.2.0

For more information on the content of each licensed Enterprise Taxation and Policy Management Self Service product, see the "Licensing and Packaging Guide" section of the *Enterprise Taxation and Policy Management Self Service V1.0.0 Release Notes*.

Chapter 4

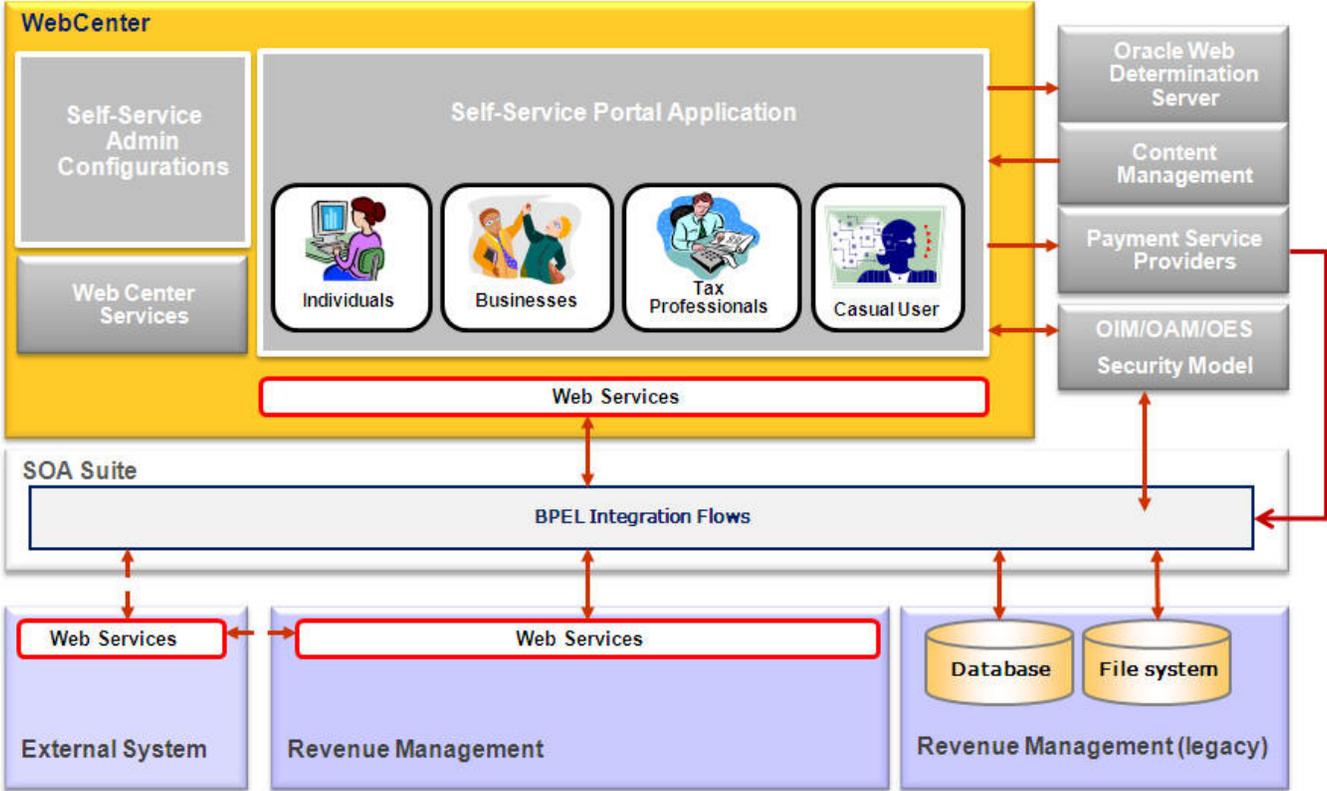

Components

The Enterprise Taxation and Policy Management Self Service V1.0.0 Installation Package includes the following components:

- ETPM-SS System data
- ETPM-SS Shared library
- ETPM-SS EAR File
- ETPM-SS - ETPM Composites
- ETPM-SS Metadata for the BPEL composites
- Documaker Templates for Enterprise Taxation Policy Management V2.3.1 SP1

Chapter 5

Self-Service Application Architecture

Chapter 6

Supported Platforms

This section describes the supported environments under which Oracle EPMSS operates, as well as information about software requirements.

Client Browser Requirements

Enterprise Taxation and Policy Management Self Service support various browsers, the following are the listing of the browsers that were utilized during the release of Enterprise Taxation and Policy Management Self Service:

Portal Application

- Internet Explorer 8
 - Version 8.0.6001.18702CO
- Firefox
 - Version 3.6.24
 - Mozilla/5.0 (Windows; U; Windows NT 5.1; en-US; rv:1.9.2.24) Gecko/20111103 Firefox/3.6.24
- Chrome
 - Version 22.0.1229.94 m

Oracle WebLogic Server Requirements

Enterprise Taxation and Policy Management Self Service supports Oracle WebLogic version 10.3.5.

For complete and up-to-date information on Oracle WebLogic 11g supported platforms, visit the [Oracle Technology Network](http://www.oracle.com/technetwork/middleware/ias/downloads/fusioncertification-100350.html) at <http://www.oracle.com/technetwork/middleware/ias/downloads/fusioncertification-100350.html>.

Oracle WebCenter Server Requirements

Enterprise Taxation and Policy Management Self Service supports Oracle WebCenter Release version 11.1.1.5.0.

For complete and up-to-date information on Oracle WebLogic 11g supported platforms, visit the [Oracle Technology Network](http://www.oracle.com/technetwork/middleware/ias/downloads/fusioncertification-100350.html) at <http://www.oracle.com/technetwork/middleware/ias/downloads/fusioncertification-100350.html>

Oracle Oracle Content Server (UCM) Server Requirements

Enterprise Taxation and Policy Management Self Service supports Oracle Content Server (UCM) Release version 11.1.1.5.0.

For complete and up-to-date information on Oracle WebLogic 11g supported platforms, visit the [Oracle Technology Network](http://www.oracle.com/technetwork/middleware/ias/downloads/fusioncertification-100350.html) at <http://www.oracle.com/technetwork/middleware/ias/downloads/fusioncertification-100350.html>

Oracle Oracle SOA Server Requirements

Enterprise Taxation and Policy Management Self Service supports Oracle SOA Release version 11.1.1.5.0.

For complete and up-to-date information on Oracle WebLogic 11g supported platforms, visit the [Oracle Technology Network](http://www.oracle.com/technetwork/middleware/ias/downloads/fusioncertification-100350.html) at <http://www.oracle.com/technetwork/middleware/ias/downloads/fusioncertification-100350.html>

Oracle Database Requirements

ETPMSS supports Oracle Database Server Enterprise Edition 11gR2 (11.2.0.2). It supports the operating systems on which Oracle Database is certified.

For complete and up-to-date information on Oracle Database 11g supported platforms, visit the [Oracle Support](https://support.oracle.com/) website at <https://support.oracle.com/> and click the **Certifications** tab.

Chapter 7

Installing the Self-Service Application

Refer to the individual component installation guides for installation instructions for the software products mentioned in the first part of this procedure. Links to the individual product installation guides are provided in the *Enterprise Taxation and Policy Management Self Service Installation Guide*.

Install the following prior to installing ETPMSS:

1. Install database server software.
2. Install a database.
3. Install an empty MDS Schema using RCU.
4. Install WebLogic.
5. Install WebCenter.
6. Install WebLogic.
7. Install SOA Suite.
8. Install UCM Suite.

To install Enterprise Taxation and Policy Management Self Service V1.0.0:

9. Configure a Domain for ETPM-SS.
10. Install ETPM-SS using the ETPM-SS installer.
11. Install ETPMSS-ETPM Integration Flows using the installer.

Oracle VM Support

Enterprise Tax and Policy Management Self Service V1.0.0 is supported on Oracle VM 2.2.1 for supported releases of Oracle Enterprise Linux and Microsoft Windows operating systems.

Oracle Support Policy Regarding VMware

Please refer to My Oracle Support knowledge base article 249212.1 for Oracle's support policy regarding VMWare.

Installation and Configuration Overview

The following diagram provides an overview of the steps required to install and configure Enterprise Tax and Policy Management Self Service v1.0.0:
