1. Preface

1.1. Intended Audience

This document is intended for the following audience:

- Customers
- Partners

1.2. Documentation Accessibility

For information about Oracle's commitment to accessibility, visit the Oracle Accessibility Program website at <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=docacc>.

1.3. Access to OFSS Support

<https://flexsupp.oracle.com/>

1.4. Structure

This manual is organized into the following categories:

Preface gives information on the intended audience. It also describes the overall structure of the User Manual

Transaction Host Integration Matrix provides information on host integration requirements for the transactions covered in the User Manual.

Introduction provides brief information on the overall functionality covered in the User Manual

Chapters post Introduction are dedicated to individual transactions and its details, covered in the User Manual

1.5. Related Information Sources

For more information on Oracle FLEXCUBE Direct Banking Release 12.0.2.0.0, refer to the following documents:

- Oracle FLEXCUBE Direct Banking Licensing Guide
- Oracle FLEXCUBE Direct Banking Installation Manuals

2. Transaction Host Integration Matrix

3. Introduction - Dashboard Widgets

Widgets are smaller windows which show data in an optimized form.

In a contemporary UI version of FLEXCUBE Direct Banking application, dashboard will have small widgets. These widgets will show minimal data related to main transactions. These widgets will also enable you to initiate transactions with minimal details.

Below **Dashboard** screen shows all the widgets displayed in it, followed by the explanation of each widget.

Branch Locator

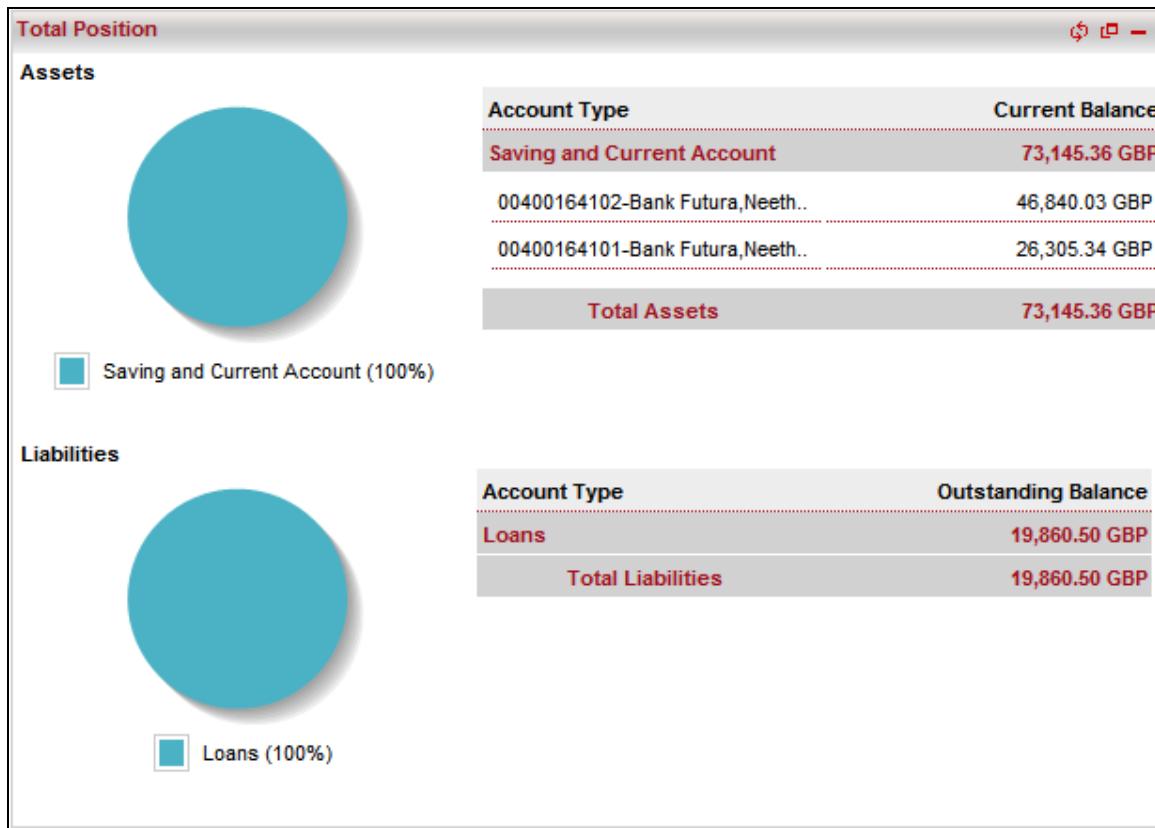

4. Total Position

The total position widget displays separate graphs for assets and liabilities. These will be classified by account type. A legend will be displayed below the graphs with account balances in the base currency for every account type. Total of assets and liabilities will also be displayed . All the accounts will be grouped by customer Id in a particular account type.

Widget – Total Position

1. Click the any account type to see it's details. Below is shown when Saving and Current Account is clicked.

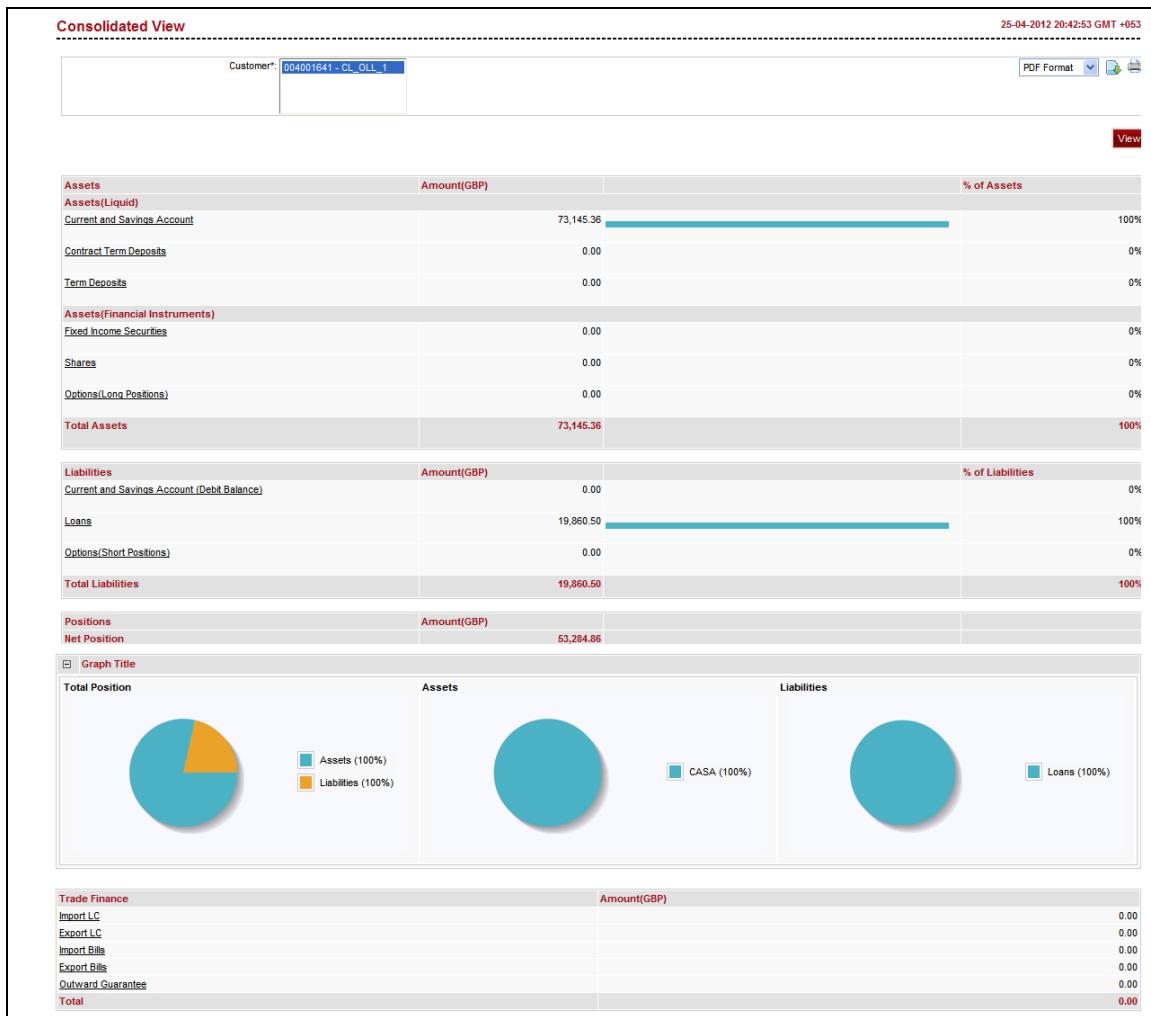

2. Click the , icons to refresh and minimize the widget respectively.
3. Click the icon. The system displays **Consolidated View** screen.

Consolidated View

4. Select the customer id for which details are to be viewed from the displayed customer ids.
5. Click the **View** button. The system displays details in the same **Consolidated View** screen.

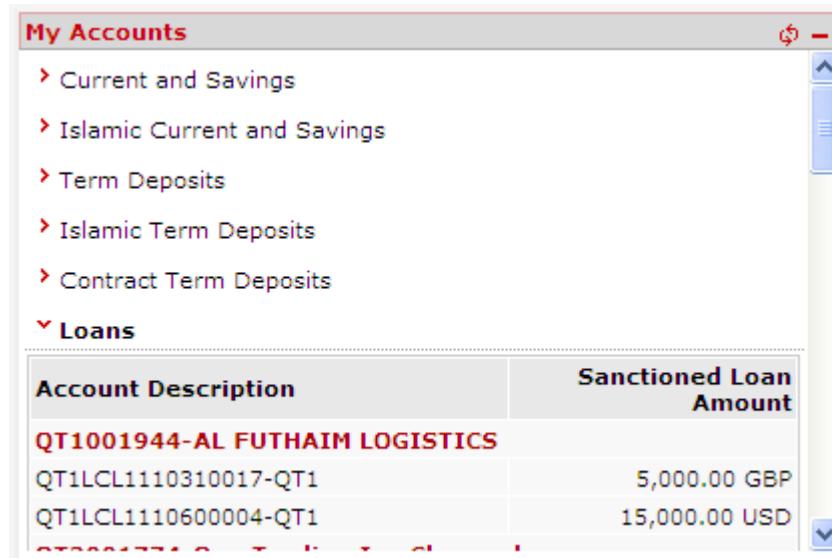

Consolidated View

5. My Accounts

This widget displays account summary in minimal form.

Widget – My Accounts

The screenshot shows a widget titled "My Accounts". At the top, there is a menu with items: "Current and Savings", "Islamic Current and Savings", "Term Deposits", "Islamic Term Deposits", "Contract Term Deposits", and "Loans". The "Loans" item is currently selected, indicated by a red arrow icon. Below the menu is a table with two columns: "Account Description" and "Sanctioned Loan Amount". The table contains two rows of data:

Account Description	Sanctioned Loan Amount
QT1001944-AL FUTHAIM LOGISTICS	
QT1LCL1110310017-QT1	5,000.00 GBP
QT1LCL1110600004-QT1	15,000.00 USD

1. Click the Current and Savings, Term Deposits, Contract Term deposits, Islamic Term Deposits, Islamic Current and savings, Islamic Finance or Loans. The system displays account summary for the respective account type.

Field Description

Field Name	Description
Account Description [Display]	This field displays the account description.
