Oracle and Java are registered trademarks of Oracle and/or its affiliates. Other names may be trademarks of their respective owners.

U.S. GOVERNMENT END USERS: Oracle programs, including any operating system, integrated software, any programs installed on the hardware, and/or documentation, delivered to U.S. Government end users are “commercial computer software” pursuant to the applicable Federal Acquisition Regulation and agency-specific supplemental regulations. As such, use, duplication, disclosure, modification, and adaptation of the programs, including any operating system, integrated software, any programs installed on the hardware, and/or documentation, shall be subject to license terms and license restrictions applicable to the programs. No other rights are granted to the U.S. Government.

This software or hardware is developed for general use in a variety of information management applications. It is not developed or intended for use in any inherently dangerous applications, including applications that may create a risk of personal injury. If you use this software or hardware in dangerous applications, then you shall be responsible to take all appropriate failsafe, backup, redundancy, and other measures to ensure its safe use. Oracle Corporation and its affiliates disclaim any liability for any damages caused by use of this software or hardware in dangerous applications.

This software and related documentation are provided under a license agreement containing restrictions on use and disclosure and are protected by intellectual property laws. Except as expressly permitted in your license agreement or allowed by law, you may not use, copy, reproduce, translate, broadcast, modify, license, transmit, distribute, exhibit, perform, publish or display any part, in any form, or by any means. Reverse engineering, disassembly, or decompilation of this software, unless required by law for interoperability, is prohibited.

The information contained herein is subject to change without notice and is not warranted to be error-free. If you find any errors, please report them to us in writing.

This software or hardware and documentation may provide access to or information on content, products and services from third parties. Oracle Corporation and its affiliates are not responsible for and expressly disclaim all warranties of any kind with respect to third-party content, products, and services. Oracle Corporation and its affiliates will not be responsible for any loss, costs, or damages incurred due to your access to or use of third-party content, products, or services.

## 1.1 Intended Audience

This document is intended for the following audience:

- Customers
- Partners

## 1.2 Documentation Accessibility

For information about Oracle's commitment to accessibility, visit the Oracle Accessibility Program website at

<http://www.oracle.com/pls/topic/lookup?ctx=acc&id=docacc>

## 1.3 Access to Oracle Support

Oracle customers have access to electronic support through My Oracle Support.

For information, visit <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=info>

or visit

<http://www.oracle.com/pls/topic/lookup?ctx=acc&id=trs> if you are hearing impaired.

## 1.4 Structure

This manual includes reference user interface style guide for Desktop, Tablet and Mobile. It covers screen layout and UI components details.

# Primary Elements

## Grid

The application follows a responsive bootstrap grid system which allows uotp 12 columns across the page.

All the designs are created within and around the grid and breakpoints. They have a minimum of 10px outer margin.

### Why 1200?

The modern monitors (mostly wide-screen) support at least 1280 x 1024 pixel resolution.

1200 is divisible by 2, 3, 4, 5, 6, 8, 10, 12, 15, 16, 20, 24, 30, 40, 48, 60, 80, 120, 150, 200, 240 and 400. This makes it a highly flexible base number to work with.

### Desktop

- Grid size: 1366px, 12 column
- Maximum width: Website locks at 1400px

### Tablet

- Grid size: 768px, 12 column
- Maximum width: Website locks at 1400px

### Phone

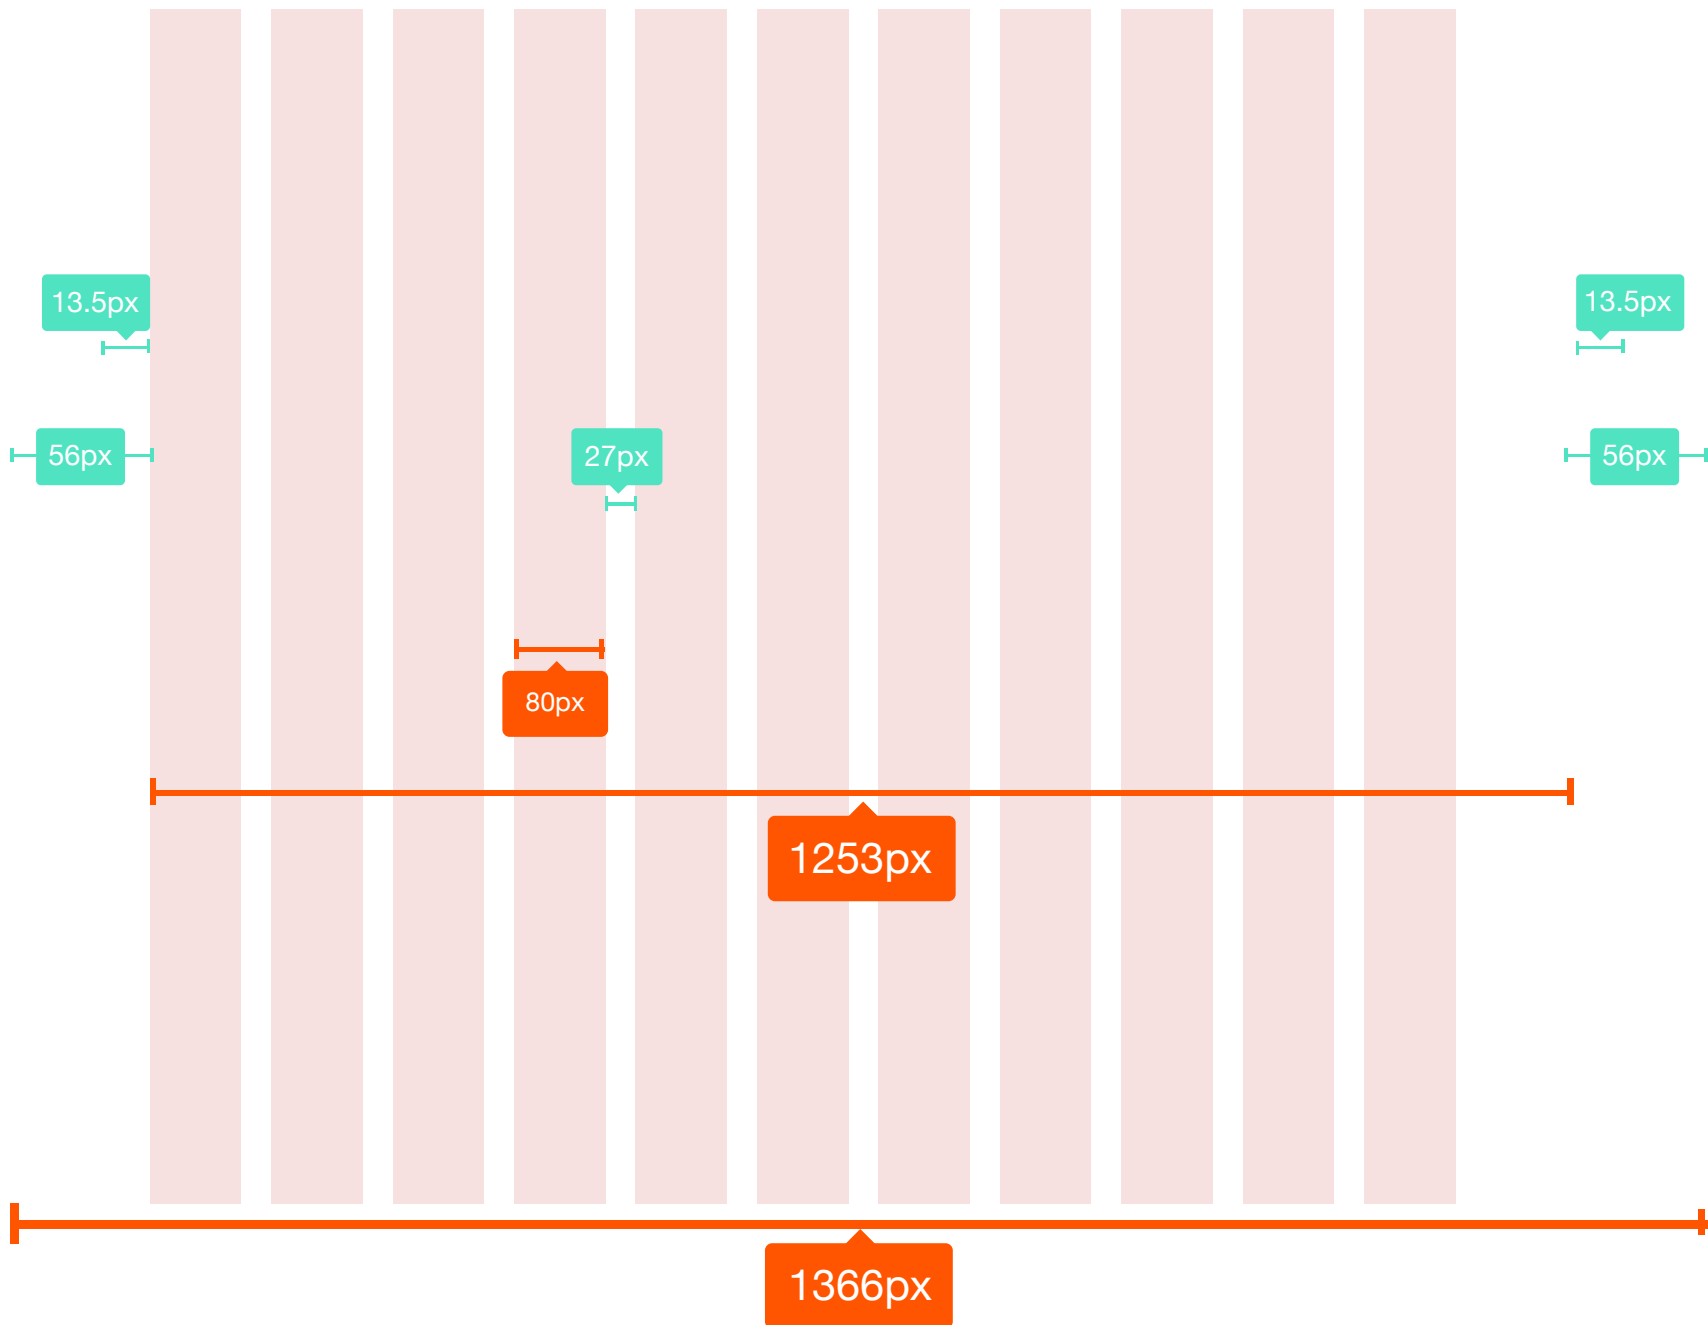

- Comp size: 320px, 12 column

Grids are used to structure the page layout. They allows elements to be aligned horizontally and vertically, which creates columns that keep things organized. Optimal spacing, type sizes and layout relationships should be maintained throughout.

The following grid examples show the transition from desktop designs to tablet and down to phone.

**Note:** Some images in the style guide have been reduced in size to fit the dimensions of this guide's layout.

# Landing Pages (Retail)

The image shows a screenshot of a retail banking website's 'Cheque Book Request' page. The page is annotated with various design specifications:

- Page Title:** 'Cheque Book Request' is annotated with a yellow box and the text 'Type Spec: Page Title'.
- Font Sizes:** Several elements are annotated with green boxes and arrows indicating font sizes: '10px' for the page title, '20px' for the account number, '15px' for the delivery location, and '30px' for the 'Submit' button.
- Column Widths:** Two orange boxes indicate column widths: '8 columns' for the main form area and '4 columns' for the right-hand informational box.
- Page Structure:** The page includes a dark navigation bar at the top with links like 'My Dashboard', 'ATM/Branch', 'English', and 'UBS 14.3 AT3 Branch'. Below this is a header with the user's name 'Welcome, Williamson Son1' and a search icon. The main content area has a breadcrumb trail: 'Account Details > View Statement > Cheque Book Request > Cheque Status Inquiry > Stop/Unblock Cheque > Debit Cards > Request Statement > S >'. The form on the left contains fields for account number, balance, type of cheque book, number of books, number of leaves per book, and delivery location (with radio buttons for 'Branch Near Me' and 'My Address'). At the bottom of the form are 'Submit', 'Cancel', and 'Back' buttons. The right-hand box contains a title 'Cheque book first delivery' and three paragraphs of text explaining the delivery process and charges.

## Accordions

The screenshot shows a 'Payees List' interface. At the top, there are radio buttons for 'Payees' (selected) and 'Billers'. Below this is a search bar with the placeholder 'Enter Payee name' and a magnifying glass icon, and a 'Sort' dropdown menu set to 'Alphabetically'. The list contains several entries: 'Allwyn Dsouza', 'Ander...', 'Joseph Johnson', 'Lynda Pollock', and 'Rosa John'. Under 'Rosa John', there are two sub-entries: 'Rosa John Loan' and 'Rosa John Party', both with 'Recent transfers' and 'RTGS' status. At the bottom, there are links for 'Add New Account' and 'Add New DD'. A pagination bar shows 'Page < 1 > of 7 items | View 10 records'. On the right side, there is a 'Note' box with a document icon, the text 'Note', and a question 'Want to make a payment to someone new?' with an 'Add New Payee' button. Annotations include '10px' pointing to the search bar and '10px' pointing to the list items.

## Review Component

The review component is a light orange bar. It starts with an information icon and the word 'REVIEW' in orange. The main text is 'You initiated a request for Cheque Book. Please review details before you confirm!'. Annotations include 'Type Color: #C35409' pointing to the 'REVIEW' text, 'Type Spec: Body on Light' pointing to the main text, 'fill: #C35409 border: 7px' pointing to the 'REVIEW' text, and 'fill: #ffffff' pointing to the background of the bar.

## Confirmation Component

The confirmation component is a light green bar. It starts with a checkmark icon and the word 'CONFIRMATION' in green. The main text is 'Your request has been accepted. Reference Number is AT3MSOG190812PNZ...'. Annotations include 'Type Color: #008A25' pointing to the 'CONFIRMATION' text, 'fill: #008A25 border: 7px' pointing to the 'CONFIRMATION' text, and 'fill: #ffffff' pointing to the background of the bar.

## Error Component

The error component is a light pink bar. It starts with an error icon and the word 'ERROR' in red. The main text is 'Your request has been rejected. Reference Number is AT3MSOG190812PNZ...'. Annotations include 'Type Color: #B71C1C' pointing to the 'ERROR' text, 'Type Spec: Body on Light' pointing to the main text, 'fill: #B71C1C border: 7px' pointing to the 'ERROR' text, and 'fill: #ffffff' pointing to the background of the bar.

## (In - Form) Confirmation Component

The in-form confirmation component is a light green bar. It starts with a checkmark icon and the text '1 Transaction(s) successfully Completed'. There is a close button (X) on the right. Annotations include 'Type Spec: Body on Light' pointing to the main text and 'icon- confirm' pointing to the checkmark icon.
