# 1. Preface

## 1.1 Intended Audience

This document is intended for the following audience:

- Customers
- Partners

## 1.2 Documentation Accessibility

For information about Oracle's commitment to accessibility, visit the Oracle Accessibility Program website at <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=docacc>.

## 1.3 Access to Oracle Support

Oracle customers have access to electronic support through My Oracle Support. For information, visit

<http://www.oracle.com/pls/topic/lookup?ctx=acc&id=info> or visit

<http://www.oracle.com/pls/topic/lookup?ctx=acc&id=trs> if you are hearing impaired.

## 1.4 Structure

This manual is organized into the following categories:

*Preface* gives information on the intended audience. It also describes the overall structure of the User Manual.

*Introduction* provides brief information on the overall functionality covered in the User Manual.

The subsequent chapters provide information on transactions covered in the User Manual.

Each transaction is explained in the following manner:

- Introduction to the transaction
- Screenshots of the transaction
- The images of screens used in this user manual are for illustrative purpose only, to provide improved understanding of the functionality; actual screens that appear in the application may vary based on selected browser, theme, and mobile devices.
- Procedure containing steps to complete the transaction- The mandatory and conditional fields of the transaction are explained in the procedure. If a transaction contains multiple procedures, each procedure is explained. If some functionality is present in many transactions, this functionality is explained separately.

## 1.5 Related Information Sources

For more information on Oracle Banking Digital Experience Patchset Release 22.1.1.0.0, refer to the following documents:

## 3. Credit Facility Management

Credit facility is an umbrella of financial assistance offered by Banks or Financial institutions to Corporates to meet their financial needs. It may also be called as a loan which provides capital that the customer can draw upon for various purposes, any time he is in need.

Credit Facility Management module of OBDX will enable corporate users to originate new Credit Facilities along with the management of their existing Facilities and Collaterals. **Corporates can also inquire their Facilities and Collateral details and request for amendment of the facility.**

---

**Note: Corporate Credit Facility Management module support is currently not available on mobile and tablet devices.**

---

### 3.1 Overview (Dashboard)

Credit Facility Management Dashboard provides a holistic view of the credit exposure of the corporate, which enables the corporate in effective utilization of funds. It provides the synopsis of available and utilized amount of Credit Facilities and collaterals for a corporate in a graphical manner to facilitate quick decisioning.

The widgets shown in on the Credit Facility Dashboard are as follows:

- Credit Facility
- Collateral
- Quick Links
- Facility Allocation
- Collateral Category Allocation

## Overview

## Credit Facility

This widget displays the information of the credit facility position based on the available and sanctioned amount in the local currency. This widget provides view of total position in terms of the total credit exposure that is currently available & utilized to the corporate user.

The widget displays the following:

- **Sanctioned Amount:** This is the total sanctioned amount of all the credit facilities of the primary party ID of the logged in user in the local currency (sum of sanctioned amount of all the credit facilities in local currency).
- **Utilized Amount:** This is the total amount that has been utilized across all the credit facilities of the primary party ID of the logged in user in the local currency (sum of utilized amount of all the credit facilities in local currency).
- **Available Amount:** This is the total amount that is currently available across all the credit facilities of the primary party ID of the logged in user in the local currency (sum of available amount of all the credit facilities in local currency).
- **Utilization Graph:** This line graph depicts the total utilized and available percentage of all the Credit Facilities of the corporate.

Clicking the **View Details** link takes you to the Facility Summary screen to view the list of all the corporate facilities.

### Collateral

This widget displays the collateral information of all the collaterals held by the corporate. This widget provides view of the total collateral position in terms of the total collateral amount currently available and utilized.

The widget displays the following:

- **Collateral Amount:** This is the total collateral amount across all the collaterals that the corporate has pledged with the Bank.
- **Utilized Amount:** This is the total collateral amount that has got utilized or linked to Facilities, Loans etc.
- **Available Amount:** This is the total available amount across all the collaterals that the customer has pledged with the Bank.
- **Utilization Graph:** This line graph depicts the total utilized and available percentage of all the collaterals of the corporate.

Clicking the **View Details** link takes you to the Collateral Summary screen to view the list of all the Collateral groups and collaterals under those group for the corporate.

### Quick Links

The following commonly used transactions can be initiated from this section:

- **Application Tracker** – Click this link to go to Application Tracker.
- **Amend Facility** - Click this link to modify an existing Facility. On clicking this link user will be asked to select the Facility ID that he/she wants to modify.
- **New Facility Application** - Click this link to apply for a new facility.

### Facility Allocation

This widget displays the allocation of different facilities in the tabular as well as donut graph form. It provides view to the corporate user for analyzing the spread of Credit facilities under different funding types.

The widget displays the following:

- **Facility Allocation Donut Graph:** This graph provides a quick snapshot of the spread of Credit Facilities across different Funding Types (facility categories). User can view the total sanctioned amount under each funding type on the hover on each slice of the graph.
- **Funding Type:** These tabs lists down all the Credit Facilities under different Funding type. User can also view the percentage allocation under each funding type displayed on each tab.
- **Facility Name:** The facility number or the ID assigned to the facility. Clicking the Facility Name takes you to Credit Facility Details screen to view the facility details.
- **Sanctioned Amount:** The total limit amount for the facility.
- **Utilized Amount:** The amount that has been utilized.
- **Available Amount:** The current available amount for the facility.
- **Utilization Status:** The percentage utilization of the facility.

## Collateral Category Allocation

This widget displays the list of collaterals pledged by corporate with the bank across different categories like Property, Vehicle, Stocks Plant & Machineries etc. It provides a view to the corporate user for analyzing the spread of the pledged collaterals across different categories along with the information on available and utilized amount of each collateral.

The widget displays the following:

- **Collateral Allocation donut graph:** This graph provides a quick snapshot of the spread of the pledged collaterals across different Collateral Types. User can view the aggregated limit amount (after Haircut) for each collateral type on the hover on each slice of the Graph.
- **Collateral Amount (After Haircut)** in the center of donut graph: This is the total collateral Limit Amount (After Haircut) of all the collaterals pledged with Primary party ID in the Local Currency (Sum of Limit Amount (After Haircut) of all the collaterals in Local Currency).
- **Collateral Type:** Under these tabs all the pledged Collaterals under the respective Collateral Types gets listed. Percentage allocation of collaterals under each collateral type is also displayed on each tab.
- **Collateral Name:** The collateral number or the ID assigned to the collateral. Clicking the Collateral Name takes you to Collateral Details screen to view the collateral details.
- **Utilized Amount:** Collateral amount that has been utilized.
- **Available Amount:** The available amount with the collateral.
- **Revision Date:** The next revision date of the collateral.
- **Utilization Status:** The percentage utilization of the Collateral in a line graph.
- **Collateral Currency:** Click on this button to view Sanctioned Amount, Utilized Amount, and Available Amount for the Collaterals associated with party ID in the respective Collateral currency.
- **Local Currency:** Click on this button to view Sanctioned Amount, Utilized Amount and Available Amount for the Collateral associated with party ID in Local currency.

## 4. Facility Summary

Facility summary page displays the summary of all the facilities available for the primary party ID of the logged in corporate user. All Main Lines & Sub Line are listed together with different color tags for easier identification. An option to view the hierarchy of the specific facility is also provided on the screen. The hierarchy will help the user to understand the parent and the child lines of the selected facility.

There is a filter available on the screen to narrow down the user's search basis on different parameters like Funding Type, Revolving Line, Currency, Expiry Date and Available Amount.

### **How to reach here:**

*Toggle Menu > Credit Facility Management > Credit Facility > Facility Summary*

*OR*

*Credit Facility > Credit Facility Widget > View Details*

### **Facility Summary**

Summary of all the facilities of the corporate are listed on this screen. User can choose to inquire the complete details of a specific facility by clicking on a facility ID.

The screenshot displays the 'Facility Summary' page for ACME Corporation. It features a search bar and a list of five facilities. Each facility card includes a 'Main line' or 'Sub Line' label, a 'View Hierarchy' link, and a table of key metrics. The utilization percentages are 0% for FAC1\_1, LINEPOOL\_1, and TERMLOAN\_1; 0.08% for LINE\_CD\_1; and 0.67% for LINE\_CM\_1. A 'Load More' button is located below the list, and a 'Back' link is at the bottom left. The footer contains copyright information and a 'Help' button.

Facility ID	Facility Category	Revolving Line	Sanctioned Amount	Utilized Amount	Available Amount	Expiry Date	Utilization
FAC1_1	Ar Finance	Yes	USD5,377,219.53	USD0.00	USD700,000.00	Not Applicable	0 % Utilized
LINEPOOL_1	Ar Finance	Yes	USD9,954,439.06	USD0.00	USD600,000.00	Not Applicable	0 % Utilized
LINE_CD_1	Ar Finance	No	GBP600,000.00	GBP450.00	GBP600,000.00	Not Applicable	0.08 % Utilized
LINE_CM_1	Overdraft	Yes	USD75,000.00	USD502.00	USD75,000.00	Not Applicable	0.67 % Utilized
TERMLOAN_1	Term Loan	Yes	USD20,000.00	USD0.00	USD20,000.00	Not Applicable	0 % Utilized

### Field Description

Field Name	Description
------------	-------------

<b>Search</b>	User can enter any key word to search a facility.
---------------	---

Below fields to filter the search criteria appears if you click the  icon.

<b>Facility Category</b>	Select the purpose or the facility category under which the facility has got opened. For e.g. Term Loan, Working Capital Finance, Over draft, etc.
--------------------------	--

<b>Revolving Line</b>	Select whether the credit line is revolving or not.
-----------------------	---

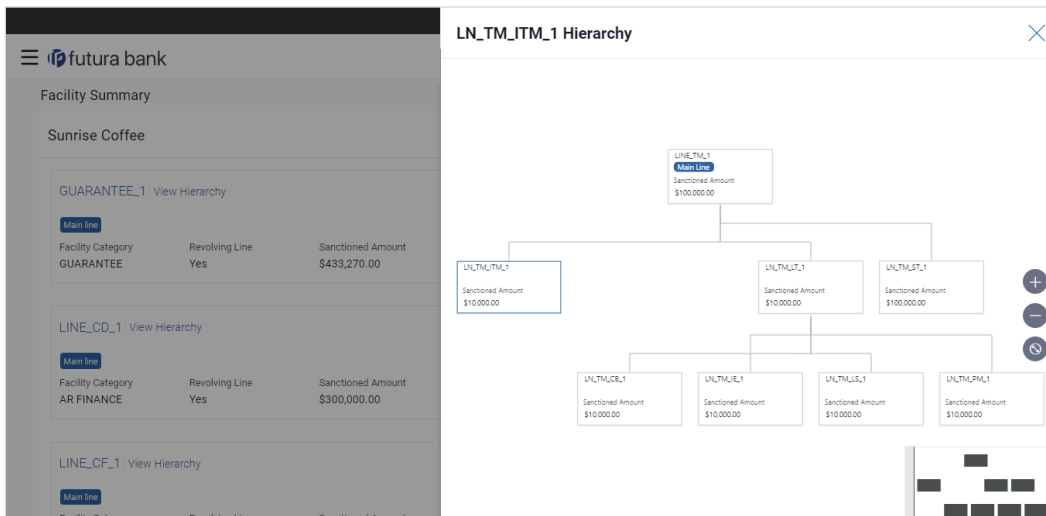

<b>Expiring in</b>	Select the duration in which facility expires.
--------------------	--

Field Name	Description
<b>Currency</b>	Select the currency of the facility.
<b>Available Amount Range</b>	Enter an available amount range.
<b>Search Results</b>	
<b>Facility ID</b>	The unique facility number or the ID assigned to the facility.
<b>View Hierarchy</b>	The link to view the facility structure (parent and child lines of that facility).
<b>Main Line/ Sub line</b>	A tag denoting if the facility is the main line or is a sub line.
<b>Facility Category</b>	The purpose or the facility category under which the facility has been opened. For e.g. Term Loan, Working Capital Finance, Over draft, etc.
<b>Revolving Line</b>	This field displays if the line is revolving or not.
<b>Sanctioned Amount</b>	The total limit amount sanctioned for the facility.
<b>Utilized Amount</b>	The amount utilized for the facility.
<b>Available Amount</b>	The current available amount for the facility.
<b>Expiry Date</b>	The date on which facility expires.
<b>Utilized</b>	Displays the percentage utilization of the facility in a line graph.

1. Click the **Facility ID** link of a specific facility, of which you want to view the details. The **Credit Facility Details** screen appears.  
OR  
Click the **View Hierarchy** link to view the hierarchical structure of a facility.  
OR  
Click  and then click **Add Sub Facility** to go to the Add Sub Facility screen.  
Click  and then click **Amend Facility** to go to the Amend Facility screen.  
Click  and then click **View Covenants** to view the linked covenants to the selected facility.  
OR  
Click **Load More** to view remaining group of facilities.  
OR  
Click **Back** to go back to the previous screen.

### View Hierarchy

This hierarchy displays the parent and child line of the selected facility. This enables the corporate user to have a view of the facility structure.

### Field Description

Field Name	Description
<b>Facility ID</b>	The unique facility number or the ID assigned to the parent/child facility.
<b>Sanctioned Amount</b>	The total amount sanctioned for the facility.

- Click to zoom the account structure image.  
 OR  
 Click to zoom the account structure image.

## 5. Credit Facility Details

This feature provides a detailed view of a facility to the corporate user. Facility details such as funding type, expiry date, review frequency, revolving line, next review date, block amount, status start date etc. are displayed.

The customer can also perform the following activities on the specific credit facility from this page:

- Add a new sub facility
- Amend the existing Facility

### How to reach here:

*Dashboard > Toggle Menu > Credit Facility Management > Credit Facility > Facility Details*  
OR

*Dashboard > Toggle Menu > Credit Facility Management > Credit Facility > Facility Summary > Click Facility ID link > Facility Details*

**To view the credit facility details of a facility:**

### Choose Facility

### Field Description

Field Name	Description
<b>Facility Name</b>	The unique facility number or the ID assigned to the facility.

1. From the **Facility Name** field, select the appropriate facility ID.
2. Click **Proceed**. The **Credit Facility Details** screen appears.  
OR  
Click **Cancel** to cancel the transaction and navigate to the **Dashboard** Screen.

## Credit Facility Details

The screenshot shows the 'Credit Facility Details' page for a user named 'sreeharsha Industries2'. The facility name is 'FAC1\_1' with a sanctioned amount of \$739,000.00 and an available amount of \$739,000.00. Below this, there are tabs for 'Collateral Groups', 'Covenants', and 'Transaction Summary'. The 'Collateral Groups' tab is active, showing a group named 'POOL1234' with a collateral group amount of \$390,000.00 and a contribution to the facility of \$39,000.00. Two specific collateral items are listed: 'New Car' with a value of \$20,000.00 and a contribution of \$3,900.00 (20%), and 'New Flat' with a value of \$1,000,000.00 and a contribution of \$207,900.00 (21%).

The top section in the **Credit Facility Details** screen provides a detailed view of the facilities of the corporate user.

3. Click **More Information** to expand the section. The **Credit Facility Details** screen appears as shown below.

## Credit Facility Details

This screenshot shows the same 'Credit Facility Details' page, but with the 'More Information' section expanded. It displays various details for the facility 'FAC1\_1', including 'Funding Type' (AR FINANCE), 'Facility Type' (SECURED), 'Revolving Line' (Yes), 'Status', 'Start Date' (16 Mar 2019), and 'Renew Date'. The 'Collateral Groups' tab remains active, showing the same 'POOL1234' group and its contribution to the facility.

## Field Description

Field Name	Description
------------	-------------

<b>Facility Name</b>	The unique facility number or the ID assigned to the facility.
----------------------	--

Field Name	Description
<b>Sanctioned Amount</b>	The total limit amount sanctioned for the facility.
<b>Utilized Amount</b>	The amount that has been utilized for the facility.
<b>Available Amount</b>	The current available amount for the facility.
<b>Collateral Value</b>	The collateral amount linked to the facility.
<b>Funding Type</b>	The funding type or the facility category of the selected facility.
<b>Facility Type</b>	The type of facility, that is 'secured' or 'unsecured'.
<b>Revolving Line</b>	This field displays if the line is revolving or not.
<b>Block Amount</b>	The block or earmarked amount of the facility.
<b>Status</b>	The status of the facility.
<b>Review Frequency</b>	The review frequency of the facility.
<b>Start Date</b>	The date on which the facility was opened.
<b>Expiry Date</b>	The date on which facility will be expired.
<b>Renew Date</b>	The renew date of the facility.
<b>Next Review Date</b>	The next review date of the facility.

4. Click **Amend Facility** to go to the Amend Facility screen.  
OR  
Click **Add Sub Facility** to apply for a new sub facility.  
OR  
Click **Back** to navigate back to the previous screen.

## 5.1 Collateral Groups

**End Date** Displays the end date of the collateral.

**Margin** The bank's lendable margin assigned for the Collateral.

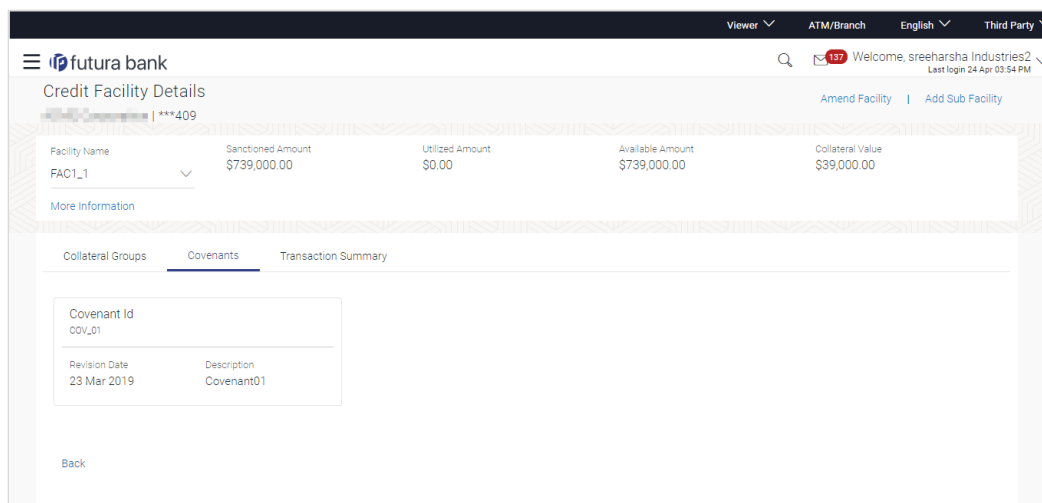

Field Name	Description
<b>Contribution to Group</b>	The percentage contribution of collateral towards the group. One collateral can be linked to multiple collateral groups and this field denotes the allocated percentage of the total collateral amount.

6. Click the **Covenants** tab. The **Covenants** (linked to the selected facility) screen appears.

## 5.2 Covenants

As a part of maintaining Collaterals/Facilities, you may collect certain required information and documents from the customer regularly. Based on the information you may revise the collateral/facility details. The information or documents collected from the customer is termed as a 'Covenant'.

### Covenants

### Field Description

Field Name	Description
<b>Covenants</b>	
<b>Covenant ID</b>	The covenant ID.
<b>Revision Date</b>	The revision date of the covenant.
<b>Description</b>	The description of the covenant.

7. Click the **Transaction Summary** tab. The **Transaction Summary** screen appears.

## 5.3 Transaction Summary

Using this screen, the corporate user can inquire facility utilization details for a specific Facility ID.

This screen lists down all the transactions performed on a Credit Facility along with the reference number of the transaction.

An option is also provided on the screen to search a specific transaction by entering any key word. Additionally user can search the transactions based on Date range.

An option to download the Transaction summary for a facility is also provided.

### Transaction Summary

The screenshot shows the 'Credit Facility Details' page for 'FAC1\_1'. The facility has a sanctioned amount of \$739,000.00, a utilized amount of \$0.00, and an available amount of \$739,000.00. The collateral value is \$39,000.00. The 'Transaction Summary' tab is active, showing a table of transactions with columns for Date, Reference Number, Transaction Type, Amount, and Available Amount. The table lists seven transactions, all dated 16 Mar 2019, including one 'Facility Creation' and six 'Limit Amendment' transactions. A search bar and a 'Download' button are visible above the table. The page footer indicates 'Page 1 of 1 (1-7 of 7 items)'.

Date	Reference Number	Transaction Type	Amount	Available Amount
16 Mar 2019	--	Facility Creation	--	\$10,000.00
16 Mar 2019	--	Limit Amendment	--	\$10,000.00
16 Mar 2019	--	Limit Amendment	--	\$10,000.00
16 Mar 2019	--	Limit Amendment	--	\$10,000.00
16 Mar 2019	--	Limit Amendment	--	\$10,000.00
16 Mar 2019	--	Limit Amendment	--	\$10,000.00
16 Mar 2019	--	Limit Amendment	--	\$10,000.00

### Field Description

Field Name	Description
------------	-------------

#### Transaction Summary

<b>Date</b>	Displays the transaction date.
-------------	--------------------------------

<b>Reference Number</b>	Displays the transaction reference number.
-------------------------	--

<b>Transaction Type</b>	Displays the name of the transaction initiated on credit facility. It will tell the user if the facility has been utilized, renewed, closed etc.
-------------------------	--

<b>Amount</b>	Displays the transaction amount.
---------------	----------------------------------

Field Name	Description
<b>Available Amount</b>	Displays the available amount on credit facility after processing the transaction.

8. Enter search criteria, and click  icon.  
OR  
Click  icon;  
In the **Date From** and **To** field, select starting and end date to view credit facility utilization transactions.
9. The credit facility utilization transactions summary appears based on the search criteria.
10. Click **Download** to download credit facility utilization transaction details report in pdf format (password protected).

[Home](#)

## 6. Collateral Summary

Collateral is the borrower's pledge of a specific asset to secure a Credit Facility. This asset serves as protection for the bank against borrower's default of payment.

The collateral summary gives consolidated view of Collaterals and Collateral groups that are pledged by the corporate. Corporate user can also view the Collaterals linked to the Collateral group.

A Collateral group is a pool of collaterals, defined by the users, which gets linked to a credit facility.

An option is also provided on the screen to search a specific collateral by entering any key word. Apart from that, the user can also filter the collateral based on Collateral Groups, Collateral, Non Collateral Groups, Collateral Group ID, Group Amount Range, and Available Amount Range.

### How to reach here:

*Dashboard > Toggle menu > Credit Facility Management > Collaterals > Collateral Summary*

*OR*

*Dashboard > Toggle menu > Credit Facility Management > Overview > Collaterals Widget > View Details link*

### To view the collateral summary:

On navigating to the screen, the summary of all collaterals of a corporate user are listed by default.

### Collateral Summary
