3. Loans & Finances

A loan is nothing but an amount of money that is lent by a bank to a borrower for a certain period of time. Banks charge borrowers interest for the amount lent. Hence, loan accounts are valuable income generating assets for banks. It is therefore important for banks to enrich the end user's loan servicing experience so as to increase user satisfaction and retention. In order to achieve this, banks are constantly making efforts to enhance the online channel banking experience for their users by introducing and revamping loans servicing features on the digital platform.

The application provides a platform by which banks are able to offer their users an enriching online banking experience in servicing their loans.

Users can manage their banking requirements efficiently and effectively through the OBDX self-service channels. The loan module offers users a host of services that include, but are not limited to, viewing their loan account details, schedules and balances and also the facility to make loan repayments.

Note: In application

- 1) Account searchable drop-down will allow user to search the account number basis on the Account Number, Account Name, Account Currency or Branch Code.
 - 2) Bank can configure the fields to be shown as additional values in the accounts drop-down.
-

Features Supported In the Application

The retail loans module of the OBDX application supports the following features:

- Loans Widget
- View Loans & Finances Summary
- View Loan & Finance Details (Active and Closed)
- Loan & Finance Repayment
- Loan & Finance Disbursement Inquiry
- Loan & Finance Schedule Inquiry
- Loan & Finance Transactions
- Loan & Finance Calculator and Loan & Finance Eligibility Calculator

Pre-requisites

- Transaction access is provided to retail user.
- Loan accounts are maintained in the host system under a party ID mapped to the user.

3.1 Relationship Overview Widget

The retail overview widget displays an overview of the customer's holdings with the bank. The **Relationship Overview** widget displays the customer's holdings in each account type such as Current and Savings Accounts, Term Deposits, Loans, Investments and Credit Cards. On clicking on any account type record, the widget displays details specific to that account type. One such example is that of **Loans & Finances**.

Basic details of each individual loan account are displayed as cards. Each card displays basic information of the loan account which comprises of the loan account number, the product name, the names of the loan account holders, current outstanding balance, next installment amount, and next installment due date. Each card also has a kebab menu which enables the customer to quickly access related screens. The total count of the loan accounts that the customer holds with the bank is displayed on the summary section, along with the total amount outstanding across all the loans held by the customer and the total amount repaid till date. Links that enable the customer to quickly navigate to the loan repayment page and the transactions page, are available on the summary section.

Note: The Relationship Overview widget is available on both desktop and mobile (responsive) view.

How to reach here:

Dashboard > Relationship Overview widget > Loans & Finances

The screenshot displays the 'Relationship Overview' widget. At the top, there are four summary cards: '10 Current & Savings' with a total current balance of EUR 608,308.81; '10 Credit Cards' with total dues of EUR 44,000.00; '5 Loans & Finances' (highlighted in dark blue) with a total outstanding of EUR 444,309.58; and '177 Term Deposits' with a current balance of EUR 682,727.60. Below these is a detailed card for 'RogerBohr' (Vehicle/Personal Loans) showing an outstanding balance of GBP 101,639.72, a next installment of GBP 101,639.71, and a due date of 4/30/20. To the right of the RogerBohr card is a 'Summary' section for '5 Loans & Finances' showing a total loan of EUR 539,000.00, total outstanding of EUR 444,309.58, and total repaid of EUR 0.00. At the bottom of the summary are links for 'Repay' and 'View Transactions'.

7. Disbursement Inquiry

Disbursement of the loan amount depends on the type of loan product availed by the user. Some loan products such as personal loan and auto loan have single disbursement policies. Certain loan products such as housing loan or education loan have multiple disbursement policies.

Especially in case of multiple loan disbursements, the user needs to be aware of the disbursement details of the loan account. This feature allows the user to view the disbursement details such as disbursed amount, disbursal date and sanctioned amount. It helps the user to analyze the current position of the loan account as to how much is disbursed and how much is yet to be disbursed. User can access account related transactions from the kebab menu.

How to reach here:

10. Installment Calculator and Eligibility Calculator

The application provides users with two types of loan calculators – Installment Calculator and Eligibility Calculator.

Installment calculator enables users to identify the installment amount payable on a loan of a certain amount for a specific duration. This calculator is beneficial to users as it gives the user an opportunity to identify whether applying for a loan for a specific amount and duration is preferable or not.

Loan eligibility calculator enables users to compute the amount of loan that they are eligible for based on their monthly income and expenses and also the desired loan tenure and estimated interest rate.

10.1 Loans Installment Calculator

The loans instalment calculator is a simple installment calculator which identifies the monthly installment amount payable on a loan based on the loan amount, tenure in years and interest percentage.

How to reach here:

Loan Installment Calculator

The screenshot displays the 'Loan Installment Calculator' interface on the Futura Bank portal. At the top, there is a navigation bar with 'My Dashboard', 'ATM/Branch', 'English', and 'UBS OBPM 14.4 HEL Branch'. Below this, the user is logged in as 'Welcome, Jesal Bohr' with the last login time '09 Oct 11:44 AM'. The main heading is 'Loan Installment Calculator'. The calculator has three input fields: 'Amount' set to EUR88,820.00, 'Tenure (Years)' set to 5, and 'Interest' set to 9%. The resulting 'Installment Amount' is EUR1,845.76. On the right side, there is a 'Loan Calculator' section with a sub-heading 'Loan Calculator' and a description: 'Getting a Loan from Futura Bank is quick and easy. To ease your burden of paying off the loan immediately, you can opt for the EMI (Equated Monthly Instalment) facility. To estimate your loan instalment amount per month, you can use a loan calculator.' There is a 'Get a Loan' button. Loan Tenure (Years)	The user should specify the desired tenure of the loan in terms of years.
Interest Rate	The user must specify the desired interest rate that is to be charged on the loan.
Installment Amount	The monthly installment payable on the loan calculated on the basis of the loan amount, tenure and interest rate specified by the user.

1. In the **Loan Amount** field, enter the loan amount.
2. In the **Loan Tenure (Years)** field, enter the loan tenure in years.
3. In the **Interest Rate** field, enter the interest rate.
4. The application calculates and displays the monthly installment for the loan required.

10.2 Loan Eligibility Calculator

Loan eligibility calculator plays an important role in helping a customer understand their current position with respect to their borrowing capacity. The calculator enables customers to gain an understanding of their loan eligibility, considering their average monthly income and expenditure. It computes the loan amount and repayment amount based on income, expense, interest rate and tenure of the loan. Loan eligibility is calculated by the application and is displayed to the customer.

The eligibility is calculated on the basis of:

- The customer's average monthly income
- The customer's average Monthly Expenditures
- Tenure of the loan being inquired applied
- Estimated rate of interest

11. Account Nickname

Customer can assign a specific name to a loan account. This is useful if customer wishes to remember accounts with a particular name instead of account numbers. Once a nickname is assigned to an account, it is displayed on various transactions instead of the standard account description. The application also allows customer to modify or delete the nickname whenever required.

The customer can avail this option by selecting the **Add/Edit Nickname** option from the kebab menu.

How to reach here:

Dashboard > Toggle Menu > Menu > Accounts > Loans & Finances > Loans & Finances Details > Kebab menu > Add/Edit Nickname

To add nickname to account:

1. Click on the  icon on the screen, and click **Add/Edit Nickname** option to add nickname to an account. The **Add/Edit Nickname** popup appears.
