Oracle® Assets Documentation Update

RELEASE 11.0.1

June 1998

ORACLE®

Enabling the Information Age™

Copyright © 1998, Oracle Corporation. All rights reserved.

The Programs (which include both the software and documentation) contain proprietary information of Oracle Corporation; they are provided under a license agreement containing restrictions on use and disclosure and are also protected by copyright, patent and other intellectual and industrial property laws. Reverse engineering, disassembly or decompilation of the Programs is prohibited.

The information contained in this document is subject to change without notice. If you find any problems in the documentation, please report them to us in writing. Oracle Corporation does not warrant that this document is error–free. Except as may be expressly permitted in your license agreement for these Programs, no part of these Programs may be reproduced or transmitted in any form or by any means, electronic or mechanical, for any purpose, without the express written permission of Oracle Corporation.

If the Programs are delivered to the US Government or anyone licensing or using the Programs on behalf of the US Government, the following notice is applicable:

Restricted Rights Notice
Programs delivered subject to the DOD FAR Supplement are 'commercial computer software' and use, duplication and disclosure of the Programs including documentation, shall be subject to the licensing restrictions set forth in the applicable Oracle license agreement. Otherwise, Programs delivered subject to the Federal Acquisition Regulations are 'restricted computer software' and use, duplication and disclosure of the Programs shall be subject to the restrictions in FAR 52.227–19, Commercial Computer Software — Restricted Rights (June 1987). Oracle Corporation, 500 Oracle Parkway, Redwood City, CA 94065.

The Programs are not intended for use in any nuclear, aviation, mass transit, medical, or other inherently dangerous applications. It shall be licensee's responsibility to take all appropriate fail–safe, back–up, redundancy and other measures to ensure the safe use of such applications if the Programs are used for such purposes, and Oracle disclaims liability for any damages caused by such use of the Programs.

Oracle is a registered trademark. All other company or product names mentioned are used for identification purposes only, and may be trademarks of their respective owners.

Oracle Assets Documentation Update

Property Tax Report

The second paragraph in the Property Tax Report section currently reads as follows:

> You must enter a Book and End Date Acquired as the last date placed in service for which you want to run this report. Optionally enter the State segment of the location flexfield to limit report output.

Instead it should read as follows

> You must enter a Book and End Date Acquired. Optionally enter the State segment of the location flexfield to limit report output.

See:

Property Tax Report (*Oracle Assets User's Guide*)

Property Tax Report (Report eXchange)

The second paragraph in the Property Tax Report (Report eXchange) section currently reads as follows:

> You must enter a Book and End Date Acquired as the last date placed in service for which you want to run this report. Optionally enter the State segment of the location flexfield to limit report output.

Instead it should read as follows

> You must enter a Book and End Date Acquired. Optionally enter the State segment of the location flexfield to limit report output.

See:

Property Tax Report (Report eXchange) (*Oracle Assets User's Guide*)

Adding an Asset Specifying Details (Detail Additions)

After you optionally enter the Warranty Number in step 5, perform the following step:

1. Use the list of values to choose a lease number if you are adding a leased asset in a leased asset category.

Then proceed to step 10 about checking the In Physical Inventory check box.

See:

Adding an Asset Specifying Details (Detail Additions)
(*Oracle Assets User's Guide*)
