## PeopleSoft Enterprise Resource Management 8.9 Reports

---

**July 2005**

PeopleSoft Enterprise Resource Management 8.9 Reports  
SKU FSCM89RMT-R 0705  
Copyright © 1992-2005, Oracle. All rights reserved.

The Programs (which include both the software and documentation) contain proprietary information; they are provided under a license agreement containing restrictions on use and disclosure and are also protected by copyright, patent, and other intellectual and industrial property laws. Reverse engineering, disassembly, or decompilation of the Programs, except to the extent required to obtain interoperability with other independently created software or as specified by law, is prohibited.

The information contained in this document is subject to change without notice. If you find any problems in the documentation, please report them to us in writing. This document is not warranted to be error-free. Except as may be expressly permitted in your license agreement for these Programs, no part of these Programs may be reproduced or transmitted in any form or by any means, electronic or mechanical, for any purpose.

If the Programs are delivered to the United States Government or anyone licensing or using the Programs on behalf of the United States Government, the following notice is applicable:

### **U.S. GOVERNMENT RIGHTS**

Programs, software, databases, and related documentation and technical data delivered to U.S. Government customers are “commercial computer software” or “commercial technical data” pursuant to the applicable Federal Acquisition Regulation and agency-specific supplemental regulations. As such, use, duplication, disclosure, modification, and adaptation of the Programs, including documentation and technical data, shall be subject to the licensing restrictions set forth in the applicable Oracle license agreement, and, to the extent applicable, the additional rights set forth in FAR 52.227-19, Commercial Computer Software--Restricted Rights (June 1987). Oracle Corporation, 500 Oracle Parkway, Redwood City, CA 94065.

The Programs are not intended for use in any nuclear, aviation, mass transit, medical, or other inherently dangerous applications. It shall be the licensee’s responsibility to take all appropriate fail-safe, backup, redundancy and other measures to ensure the safe use of such applications if the Programs are used for such purposes, and we disclaim liability for any damages caused by such use of the Programs.

The Programs may provide links to Web sites and access to content, products, and services from third parties. Oracle is not responsible for the availability of, or any content provided on, third-party Web sites. You bear all risks associated with the use of such content. If you choose to purchase any products or services from a third party, the relationship is directly between you and the third party. Oracle is not responsible for: (a) the quality of third-party products or services; or (b) fulfilling any of the terms of the agreement with the third party, including delivery of products or services and warranty obligations related to purchased products or services. Oracle is not responsible for any loss or damage of any sort that you may incur from dealing with any third party.

Oracle, JD Edwards, PeopleSoft, and Retek are registered trademarks of Oracle Corporation and/or its affiliates. Other names may be trademarks of their respective owners.

### **Open Source Disclosure**

Oracle takes no responsibility for its use or distribution of any open source or shareware software or documentation and disclaims any and all liability or damages resulting from use of said software or documentation. The following open source software may be used in Oracle’s PeopleSoft products and the following disclaimers are provided.

# About This PeopleBook Preface

PeopleBooks provide you with the information that you need to implement and use PeopleSoft applications.

This preface discusses:

- Related documentation.
- Comments and suggestions.

---

## Documentation Updates and Printed Documentation

This section discusses how to:

- Obtain documentation updates.
- Order printed documentation.

### Obtaining Documentation Updates

You can find updates and additional documentation for this release, as well as previous releases, on the PeopleSoft Customer Connection website. Through the Documentation section of PeopleSoft Customer Connection, you can download files to add to your PeopleBook Library. You'll find a variety of useful and timely materials, including updates to the full PeopleSoft documentation that is delivered on your PeopleBooks CD-ROM.

---

**Important!** Before you upgrade, you must check PeopleSoft Customer Connection for updates to the upgrade instructions. PeopleSoft continually posts updates as the upgrade process is refined.

---

### See Also

PeopleSoft Customer Connection, <https://www.peoplesoft.com/corp/en/login.jsp>

### Ordering Printed Documentation

You can order printed, bound volumes of the complete PeopleSoft documentation that is delivered on your PeopleBooks CD-ROM. PeopleSoft makes printed documentation available for each major release shortly after the software is shipped. Customers and partners can order printed PeopleSoft documentation by using any of these methods:

- Web
- Telephone
- Email

## **Web**

From the Documentation section of the PeopleSoft Customer Connection website, access the PeopleBooks Press website under the Ordering PeopleBooks topic. The PeopleBooks Press website is a joint venture between PeopleSoft and MMA Partners, the book print vendor. Use a credit card, money order, cashier's check, or purchase order to place your order.

## **Telephone**

Contact MMA Partners at 877 588 2525.

## **Email**

Send email to MMA Partners at [peoplebookspress@mmapartner.com](mailto:peoplebookspress@mmapartner.com).

## **See Also**

---

# **Comments and Suggestions**

Your comments are important to us. We encourage you to tell us what you like, or what you would like to see changed about PeopleBooks and other PeopleSoft reference and training materials. Please send your suggestions to:

PeopleSoft Product Documentation Manager PeopleSoft, Inc. 4460 Hacienda Drive Pleasanton, CA 94588

Or send email comments to [doc@peoplesoft.com](mailto:doc@peoplesoft.com).

While we cannot guarantee to answer every email message, we will pay careful attention to your comments and suggestions.

# CHAPTER 1

## PeopleSoft Resource Management Reports

This appendix provides an overview of Resource Management reports and interactive reports.

---

**Note.** For samples of these reports and interactive reports, see the Portable Document Format (PDF) files published on CD-ROM with your documentation.

---

### PeopleSoft Resource Management Reports: A to Z

This table lists the Resource Management reports and interactive reports, sorted alphanumerically by report ID. The reports are Crystal reports, and are designated with a PeopleSoft Process Scheduler run control page ID. The remaining items in the list are interactive reports that you can generate during a business process or from the Interactive Reports folder. Interactive reports are not scheduled through the PeopleSoft Process Scheduler.

Report ID and Report Name	Description	Navigation	Run Control Page
RS_2020TUTR_RPT Scheduled Utilization	Compare scheduled utilization with optimal capacity for a specified organization unit and period of time. This interactive report supports the business process of managing resources.	Resource Management, Interactive Reports, Scheduled Utilization  Click Generate Report.	not applicable
RS_2020TUTR_STAT Scheduled Utilization - Employee Statistics	View the resources in the Scheduled Utilization chart. This interactive report supports the business process of managing resources.	Click Go To Resource List in the Scheduled Utilization chart page.	not applicable
RS_2030BENCH_RPT Unassigned Resources	Analyze resources who do not meet the threshold that you define for determining that a worker is assigned. This interactive report provides a chart and lists the unassigned and assigned resources in the organizational units represented by the tree node or detail value that you specify at run time. This interactive report supports the business process of assigning resources to projects.	Resource Management, Interactive Reports, Unassigned Resources  Click Generate Report.	not applicable

Report ID and Report Name	Description	Navigation	Run Control Page
RS_2040WRKRCOM_DTL Assignments Ending (detail)	View information about a specific resource's specialties and schedule. This interactive report supports the business process of assigning resources to projects.	Select a resource name link on the Assignments Ending (summary) page.	not applicable
RS_2040WRKRCOM_RPT Assignments Ending (summary)	Analyze resources who might be available on a certain date with certain skills. View a list of resources who have assignments ending within a specified date range. This interactive report supports the business process of assigning resources to projects.	Resource Management, Interactive Reports, Assignments Ending Click Generate Report.	not applicable
RS_2045WRKRSCH_RPT Chart Resource Schedules	Displays a chart of resource schedules so you can quickly identify scheduled and available time. This interactive report supports the business process of assigning resources to projects.	Resource Management, Interactive Reports, Chart Resource Schedules Click Generate Report.	not applicable
RS_2090AVST_RPT Average Staffing Time (chart)	View trends in staffing time by charting the average amount of time it takes to fulfill service orders in a specified period.	Resource Management, Interactive Reports, Average Staffing Time Click Generate Report.	not applicable
RS_2090AVST_STATP Average Staffing Time (detail)	View the breakdown of the average staffing time by service order priority, staffing coordinator, or owning organization.	Click Go To Average Staffing Time per <Priority, Coordinator, or Owing Organization> on the Average Staffing Time chart page.	not applicable
RS_2100COMP_DTL Most Requested Competencies & Accomplishments (detail)	Identifies the most requested competencies and accomplishments to assist you in the recruitment of resources who best meet your historical or future needs. View lists containing the most requested competencies and accomplishments in descending order by number of requests. This interactive report supports the business process of managing resources.	Click anywhere in the Most Requested Competencies chart or Most Requested Accomplishments chart.	not applicable

Report ID and Report Name	Description	Navigation	Run Control Page
RS_2100COMP_RPT Most Requested Competencies & Accomplishments (chart)	View charts containing the most requested competencies and accomplishments. Popularity is determined by the number of times that a particular competency or accomplishment appears on resource requests for a given business unit in a given time period. You can use this information to assist you in the recruitment of resources who best meet your historical needs. This interactive report supports the business process of managing resources.	Resource Management, Interactive Reports, Most Requested Competencies  Click Generate Report.	not applicable
RS_OPT_ASSIGN_RPT Opt Solution Set (optimal solution set)	View the most recent optimal solution set for a specified optimization set ID. This interactive report supports the business process of assigning resources to projects.	Resource Management, Reports, Resource Optimization, Opt Solution Set	RUN_RS_OPTIMIZE
SRS2000 Service Order Listing	View a list of service orders by status and priority. This report supports the business process of assigning resources to projects.	Resource Management, Reports, Service Order Listing  Click Run to run the report by using PeopleSoft Process Scheduler.	RUN_SRS2000-
SRS2015 Assignments Listing Report	View a list of resources currently on assignment. This report supports the business process of assigning resources to projects.	Resource Management, Reports, Assignment Listing, Assignment Listing Report  Click Run to run the report using the PeopleSoft Process Scheduler.	RUN_SRS2015-

## CHAPTER 2

# Report Samples

This chapter provides report samples.

For the online samples of these reports, see the PDF files that are published on CD-ROM with your online documentation.

# Scheduled Utilization

## Scheduled\_Utilization

In order to run the report, you need to fill in a start and end date then click on the Generate Report button to create the Utilization chart. Click on the hyperlink Report Parameters at the right of the page to set more parameters for the chart. Click on the Go to Resource List hyperlink at the bottom of the page to view the Resources in the chart.
