

Oracle® Retail Extract, Transform, and Load

Release Notes

Release 13.2.3

October 2011

Oracle Retail Extract, Transform, and Load (RETL) Release 13.2.3 is a patch release for RETL 13.2. RETL 13.2.3 includes selected defect fixes and enhancements for RETL 13.2 code.

Oracle Customer Support investigates submitted issues assuming that all released updates have been applied. It is the customer's decision when to apply a new release; however, delays in applying updates can complicate the support process.

Release Number

The previous release of Oracle Retail Extract, Transform, and Load was 13.2.0.1. Release 13.2.0.1 was a documentation-only release. The previous release of RETL code was Release 13.2. To align the release numbers for the Oracle Retail products, this release of Oracle Retail Extract, Transform, and Load is named Release 13.2.3.

Hardware and Software Requirements

See the *Oracle Retail Extract, Transform, and Load Programmer's Guide* for information about the following:

- Hardware and software requirements
- Oracle Retail application software compatibility

Technical Enhancements

The following are technical enhancements for Oracle Retail Extract, Transform, and Load Release 13.2.3.

Oracle Exadata Database Machine X2 Support

Oracle Exadata Database Machine X2 is a combination of smart software and industry-standard hardware. It provides database-aware storage services, such as the ability to offload database processing from the database server to storage, transparently, without affecting SQL processing and your database applications.

Oracle Retail Extract, Transform, and Load Release 13.2.3 is supported on Oracle Exadata Database Machine X2 through the binary compatibility with Oracle Linux Release 5 Update 5 and Oracle Database 11g Release 2 Enterprise Edition on Oracle Real Application Clusters (RAC) 11g.

Documentation Correction

The *Oracle Retail Extract, Transform, and Load Release Notes* for Release 13.2 stated incorrectly that RETL 13.2 was supported for use with Oracle Exadata Database Machine X2 with Oracle Real Application Clusters (RAC).

The *Oracle Retail Extract, Transform, and Load Programmer's Guide* for Release 13.2 has been corrected, and an updated version is available on the Oracle Technology Network:

http://www.oracle.com/technology/documentation/oracle_retail.html

Related Documentation

For more information, see the following documents in the Oracle Retail Extract, Transform, and Load Release 13.2.3 documentation set:

Value-Added Reseller (VAR) Language

Oracle Retail VAR Applications

The following restrictions and provisions only apply to the programs referred to in this section and licensed to you. You acknowledge that the programs may contain third party software (VAR applications) licensed to Oracle. Depending upon your product and its version number, the VAR applications may include:

- (i) the **MicroStrategy** Components developed and licensed by MicroStrategy Services Corporation (MicroStrategy) of McLean, Virginia to Oracle and imbedded in the MicroStrategy for Oracle Retail Data Warehouse and MicroStrategy for Oracle Retail Planning & Optimization applications.
- (ii) the **Wavelink** component developed and licensed by Wavelink Corporation (Wavelink) of Kirkland, Washington, to Oracle and imbedded in Oracle Retail Mobile Store Inventory Management.
- (iii) the software component known as **Access Via™** licensed by Access Via of Seattle, Washington, and imbedded in Oracle Retail Signs and Oracle Retail Labels and Tags.
- (iv) the software component known as **Adobe Flex™** licensed by Adobe Systems Incorporated of San Jose, California, and imbedded in Oracle Retail Promotion Planning & Optimization application.

You acknowledge and confirm that Oracle grants you use of only the object code of the VAR Applications. Oracle will not deliver source code to the VAR Applications to you. Notwithstanding any other term or condition of the agreement and this ordering document, you shall not cause or permit alteration of any VAR Applications. For purposes of this section, "alteration" refers to all alterations, translations, upgrades, enhancements, customizations or modifications of all or any portion of the VAR Applications including all reconfigurations, reassembly or reverse assembly, re-engineering or reverse engineering and recompilations or reverse compilations of the VAR Applications or any derivatives of the VAR Applications. You acknowledge that it shall be a breach of the agreement to utilize the relationship, and/or confidential information of the VAR Applications for purposes of competitive discovery.

The VAR Applications contain trade secrets of Oracle and Oracle's licensors and Customer shall not attempt, cause, or permit the alteration, decompilation, reverse engineering, disassembly or other reduction of the VAR Applications to a human perceivable form. Oracle reserves the right to replace, with functional equivalent software, any of the VAR Applications in future releases of the applicable program.
