## QUESTION 10

Which of the following is a characteristic of a **strongly** correlated market?

- A. A market with a high correlation coefficient
- B. A market with a low correlation coefficient
- C. A market with a correlation coefficient of 0
- D. A market with a correlation coefficient of 1

**Solution:** A market with a high correlation coefficient is a characteristic of a strongly correlated market. A market with a low correlation coefficient is a characteristic of a weakly correlated market. A market with a correlation coefficient of 0 is a characteristic of an uncorrelated market. A market with a correlation coefficient of 1 is a characteristic of a perfectly correlated market.

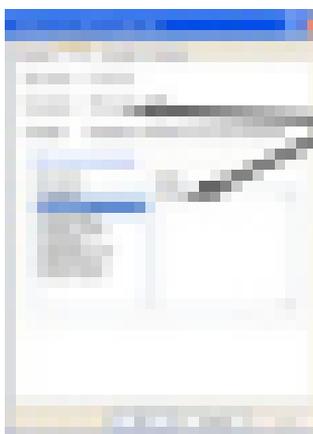

**QUESTION 11**  
Which of the following is a characteristic of a **strongly** correlated market?

- A. A market with a high correlation coefficient
- B. A market with a low correlation coefficient
- C. A market with a correlation coefficient of 0
- D. A market with a correlation coefficient of 1

**Solution:** A market with a high correlation coefficient is a characteristic of a strongly correlated market. A market with a low correlation coefficient is a characteristic of a weakly correlated market. A market with a correlation coefficient of 0 is a characteristic of an uncorrelated market. A market with a correlation coefficient of 1 is a characteristic of a perfectly correlated market.

QUESTION 10

ANSWER: B

EXPLANATION: The correct answer is B. The correct answer is B.

Option	Description
A	Open
B	Open with...
C	Share with...
D	Copy
E	Move
F	Delete
G	Rename
H	Properties
I	Refresh

- 1. Open
- 2. Open with...
- 3. Share with...
- 4. Copy
- 5. Move
- 6. Delete
- 7. Rename
- 8. Properties
- 9. Refresh

The following table shows the results of the analysis.

Variable	Mean	Standard Deviation
Age	35.2	12.5
Gender	1.2	0.4
Education	15.8	2.1
Income	45000	15000
Health	2.1	0.8
Stress	3.5	1.2
Quality of Life	4.2	1.5

## QUESTION 101

Which of the following is a characteristic of a *strong* password?

- A. It is a common word.
- B. It is a simple number.
- C. It is a combination of letters, numbers, and special characters.
- D. It is a simple letter.

Which of the following is a characteristic of a *weak* password?

## QUESTION

QUESTION 100 (100%)

Which of the following is NOT a characteristic of a good research question? (Select all that apply.)

- It is too broad.
- It is too narrow.
- It is too general.
- It is too specific.

QUESTION 101 (100%)

Which of the following is NOT a characteristic of a good research question? (Select all that apply.)

- It is too broad.
- It is too narrow.
- It is too general.
- It is too specific.

- It is too broad.
- It is too narrow.
- It is too general.
- It is too specific.

Which of the following is NOT a characteristic of a good research question? (Select all that apply.)

- It is too broad.
- It is too narrow.
