This web site contains the most recent information. For critical updates to product information, see the product notes. To verify if a document is more recent than the document that you have, refer to the final two digits of the part number for that document. (For example XXX-XXXX-12 is newer than XXX-XXXX-10.)

Translated versions of some documents are available at <http://docs.sun.com>

Select a language from the drop-down list and navigate to the Sun Blade 6000 Multi-Fabric Network Express Module document collection. Available translations for the Sun Blade 6000 Multi-Fabric Network Express Module documentation include Simplified Chinese, French, and Japanese. English documentation is revised more frequently and might be more up-to-date than the translated documentation.
