

# Veritas Storage Foundation 4.1 Software Release Notes Supplement for the Solaris x64 Operating System, Maintenance Pack 1

---

This document supplements the *Veritas Storage Foundation 4.1 Release Notes, Solaris x64, Maintenance Pack 1*.

## Prerequisite Patches

To ensure proper installation and operation, Sun Patch 118844-19 or higher must be installed. Refer to the *Veritas Storage Foundation 4.1 Release Notes, Solaris x64, Maintenance Pack 1* for other system prerequisites.

## Hardware Compatibility List

For the latest Hardware Compatibility List (HCL) for Veritas Storage Foundation 4.1 for Solaris x64, go to the following URL: <http://seer.support.veritas.com/docs/279538.htm>

## Unsupported Products

The following products are not sold or supported by Sun:

- Veritas Storage Foundation Standard HA
- Veritas Storage Foundation Enterprise HA
- Veritas Storage Foundation for Oracle RAC
- Veritas Cluster File System
- Veritas Cluster Server
- Veritas Cluster Server Agents
- Veritas Volume Replicator

## Co-operative Support Program

To ensure compatibility of Veritas products on Sun platforms, Sun and Veritas perform significant joint testing. However, Sun does not provide front-line support for Veritas products that are not price-listed by Sun. In an effort to make sure all joint customer support issues are resolved efficiently, Sun and Veritas have

---

implemented the Co-operative Support model under the SunVIP<sup>SM</sup> program. Under this program, customers who hold a SunSpectrum GOLD, a SunSpectrum PLATINUM, or a Sun Software Support Services Premium contract with Sun and a support contract with Veritas can engage either company to initiate a support case. Sun and Veritas will engage each other as appropriate to solve potential interoperability issues.

## Veritas Product Licensing

Veritas Storage Foundation 4.1 license keys are available on the Veritas Proof of License Certificate. Registration with the Sun License Center is no longer required. Instructions on how to activate a license key are included in the *Veritas Storage Foundation 4.1 Installation Guide, Solaris x64, Maintenance Pack 1*.

You may install the software only on the quantity and tier level of computer systems for which you are entitled. Use of the software is subject to the terms and restrictions of the applicable Veritas or Sun License Agreement.

## Documentation Errata

Zones designated as “local” in Veritas documentation are the same as “non-global” zones in Solaris 10 documentation.

## Bugs

The following issue has been identified in the Veritas Storage Foundation 4.1 software and is under investigation.

### Error Message: "Failed to execute the operation"

6394619

Using VEA to perform disconnected disk recovery, you may see the following error message:

```
Error v-40-49408-40 Failed to execute the operation
```

---

**Note** – For other known issues, please refer to *Veritas Storage Foundation 4.1 Release Notes, Solaris x64, Maintenance Pack 1*.
