Sun™ Shared Visualization 1.1 Software Getting Started Guide

Before You Begin Installation

Before you install the Sun Shared Visualization 1.1 software, you should familiarize yourself with the architecture of your network and how it will interact with the software. The *Sun Shared Visualization 1.1 Software Server Administration Guide* (820-3256) and the *Sun Shared Visualization 1.1 Software Client Administration Guide* (820-3257), can assist you with this task. These documents also discuss Sun Shared Visualization 1.1 software installation, configuration, administration, and use.

Accessing the Sun Shared Visualization 1.1 Software Documentation
