## Purpose

This document provides an overview of the components required to install and configure Oracle Hyperion Financial Data Quality Management ERP Source Adapter for SAP, Fusion Edition.

[Top of Document](#)

---

## Overview

This integration provides a pre-packaged solution to load data from SAP ERP Financials to Oracle Hyperion EPM System. In addition, it supports drill-through from Oracle Hyperion EPM System to SAP ERP Financials. The integration is supported for the following SAP ERP Financials modules:

- General Ledger
- Profit Center
- Cost Center

---

## Installation

The SAP ERP to EPM System integration utilizes Oracle Financial Data Quality Management ERP Integration Adapter for Oracle Applications, Fusion Edition. Please install and configure Oracle Financial Data Quality Management ERP Integration Adapter for Oracle Applications, Fusion Edition as a component of your Oracle Performance Management System, Fusion Edition Release 11.1.2.1 environment.

Unzip the included patch file, 12386004.zip, to the <EPM\_ORACLE\_HOME>/OPatch directory (by default, Oracle/Middleware/EPMSys11R1/OPatch)> Follow the instructions in the included README to install and configure the patch.

To use the SAP ERP Financials integration, you must download the ERPI-SAP Adapter from the Oracle partner Bristlecone's website. Please register at the website: [http://www.bristleconelabs.com/edel/edel\\_login.asp](http://www.bristleconelabs.com/edel/edel_login.asp) to obtain login information. In addition, refer to the documentation provided by Bristlecone for details regarding the SAP Adapter configuration.

For more information about this integration, see *the ERP Integration Adapter for Oracle Applications Administrator's Guide*, Release 11.1.2.1.501.
