## 2. Log In / Landing Screen

This option allows you to perform the transaction through Oracle FLEXCUBE Direct Banking system using the Android application based mobile.

### To login into the Android application based Mobile Banking

1. Click the appropriate application icon provided for Android application based mobile banking. The system displays **Login** Screen.

Login

2. Enter the user id and password provided to login.

3. Click the  icon. The system displays **Account Overview** screen.

## Account Overview

4. Two types for menu navigation are available.
5. Menus can be accessed by clicking on the Account on dashboard screen OR menus can also be accessed by navigating through the sliding menu bar shown at the bottom of the screen.
6. Click any Menu in that menu bar. The system will navigate to the respective submenus.

Note: You can also view ATM Branch Locators, Offers available using options in lower panel of landing screen.

### 3. Menu Navigation

This section explains the ways by which you can navigate through menus for any transaction. Own Account Transfer transaction has been explained below for both the navigations.

Note: All the Transactions cannot be accessed through both the navigations. Transactions like Internal Transfer, Ad hoc Statement etc are provided with both the navigations. Transactions like Account Activity, Account Details etc can be accessed through Landing Screen only.

Two Types of Navigations are available.

- Navigating through Landing Screen
- Navigating through Menu Bar

### 3.1. Navigating through Landing Screen

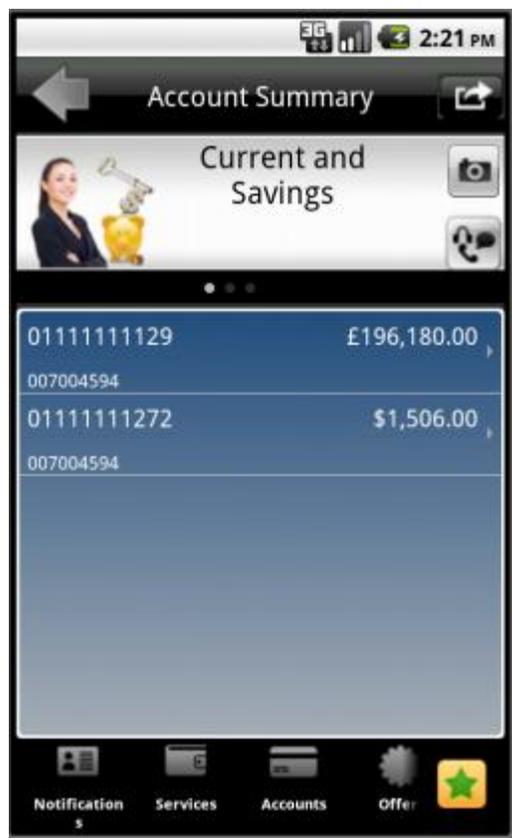

1. Below shown is the Landing Screen that comes after Login.

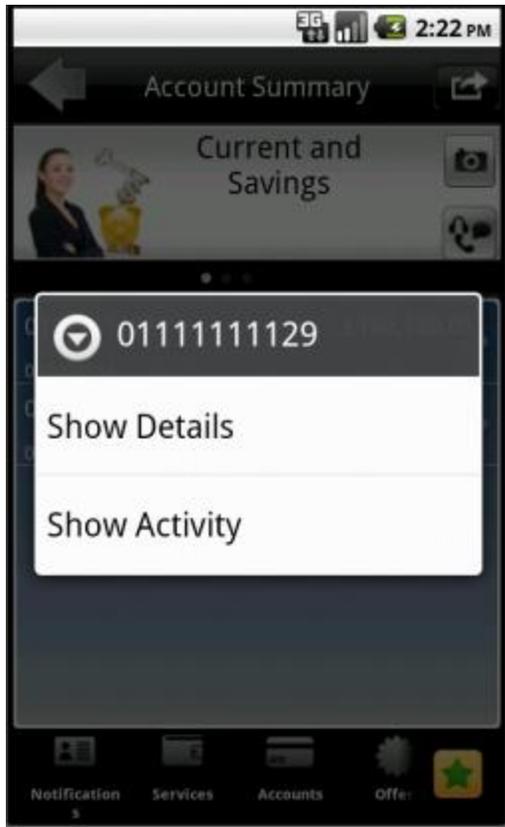

2. Click the tab as shown in below screen sequence to reach to the **Account Details** screen.

Screen1: Click any account tab.

Screen2: Click Account number from list.

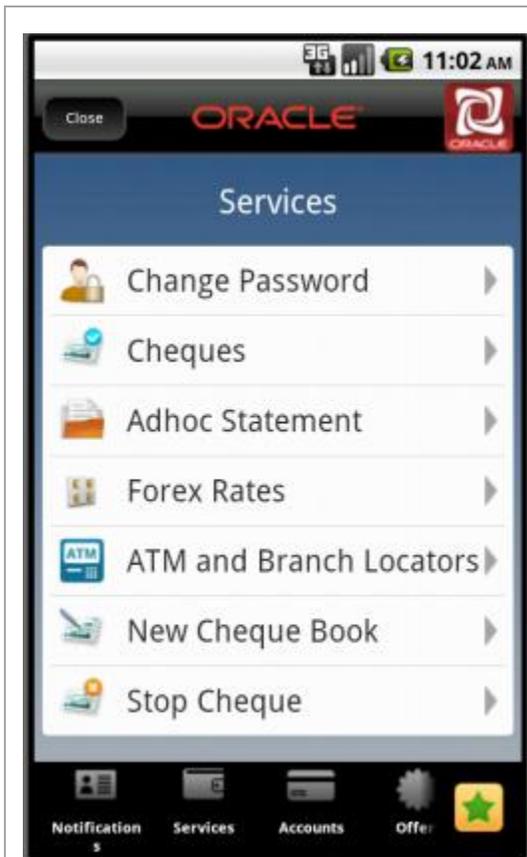

Screen3: Click Show Details OR Show Activity button.

Screen4.

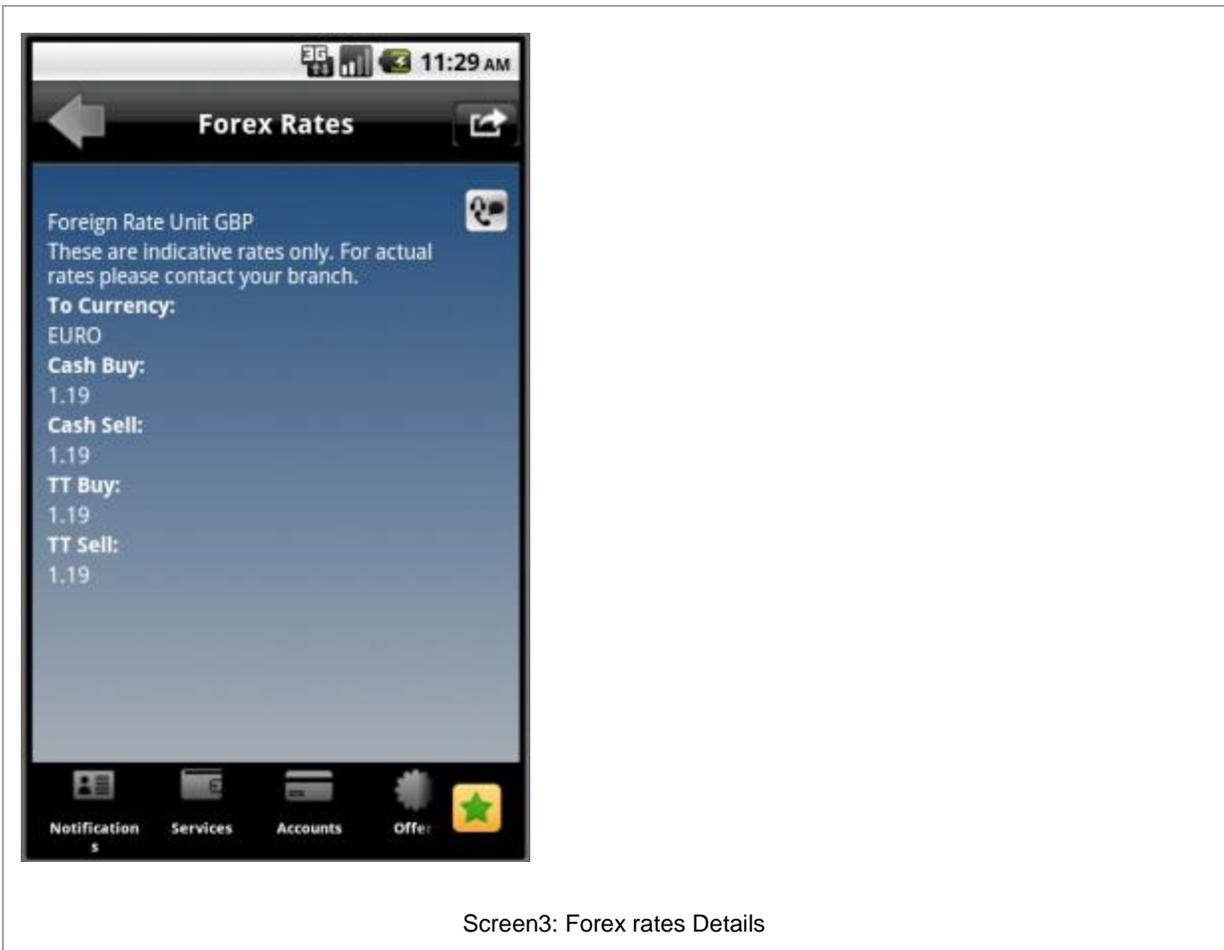

### 3.2. Navigating through Menu bar

Screen1 (Landing Screen): Click the Services from menu.

Screen2: Click Forex Rates tab.

Screen3: Forex rates Details

## 4. Logout

This option enables you to log off the application.

### To log out of the Android application based Mobile Banking

1. Log on to the application based Mobile Banking application.
2. Click the  button at the upper right corner of the screen.

Menu

3. Click the **Exit App** button to log off.

## 5. Setting any Transaction as Favorite

This option enables you to set any transaction as Favorite. That transaction will be available under the Favorites tab for direct access without navigating through Menu and submenus.

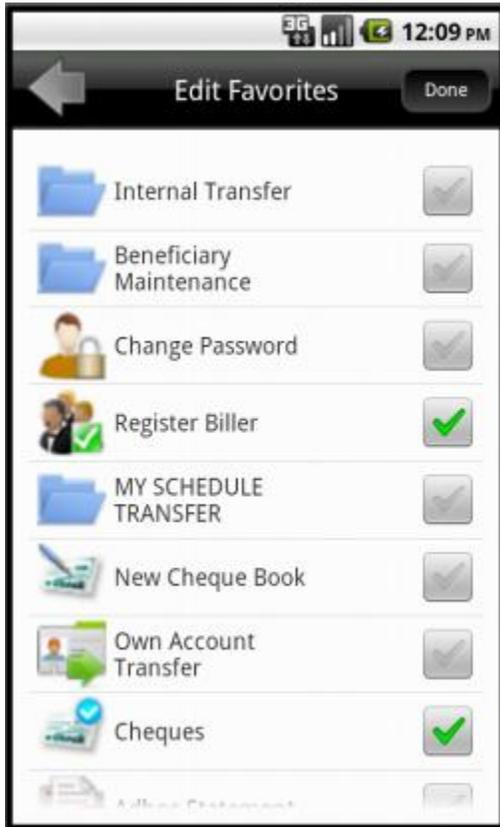

**To set any transaction as Favorite**

## Setting any Transaction as Favorite

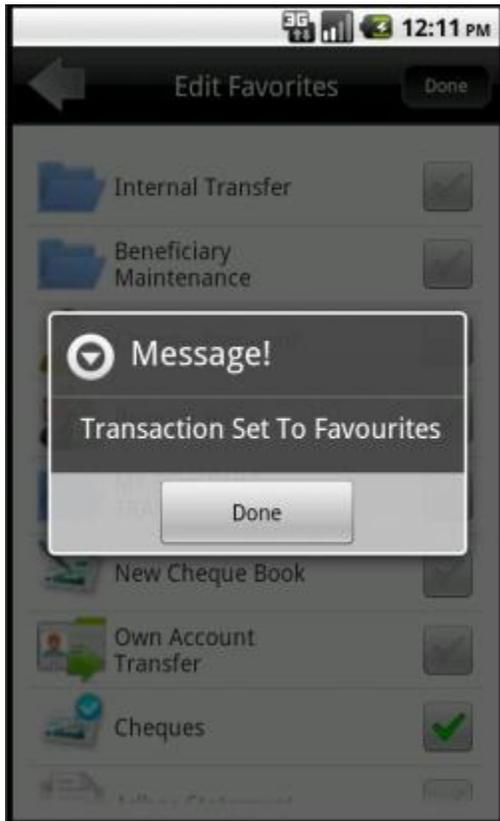

4. Click the  icon. The system displays list of transactions, as shown below.

Transactions in Favorites

5. Select the checkboxes for the transactions you want to set as favorite transactions.
6. Click **Done** button. The system displays below screen.

Transactions in Favorites

7. Click Done. Transaction will be set as favorite.

8. Click  icon on main screen. You can view transactions you set as favorite as shown below.

Transactions in Favorites
