2. Beneficiary Maintenance

A Business user having access to Beneficiary Maintenance can maintain Beneficiary. You can also specify if the Beneficiary template created is available to other users of the same primary customer id by specifying the template access level as public

If the Template is created with template access level as Private, it is available only to the User who has created it.

The search criteria allow searching the beneficiary templates created earlier. Beneficiary Maintenance is supported for following Transactions

- Internal Transfer
- Domestic Transfer
- International Transfer
- Domestic Drafts
- International Draft
- SEPA Direct Debits
- SEPA Credit Transfers
- UK Payments

2.1. Beneficiary Maintenance

To view **Beneficiary Maintenance**:

Navigate through **Payments > Beneficiary Maintenance**.

15. View Standing Instruction

Standing Instruction facility allows you to intimate the bank in advance to transfer funds between your current and savings accounts in the bank periodically. Whenever these kind of periodic transactions are to be effected, you can instruct the bank to do the same by setting up a standing instruction (SI). This section enables to view and cancel the standing instruction.

To view Standing Instruction:

Navigate through **Payments > Recurring Transfer and Payments > View Standing Instruction**. The system displays **View Standing Instruction** screen.

* Indicates mandatory fields.** Indicates mandatory if particular option is enabled.

Note: For the further details of the fields refer to payment transaction section.

27. Additional Options (Save as Drafts\Template, Save and Submit, View Limits)

While doing Payments transactions there are additional options available as **Save as Drafts\Template, Save and Submit, View Limits**.

Using **Save as Drafts\Template** option, you can save the entered details as drafts or templates. These saved drafts or templates can be used later for any of the payments transactions. You need not to enter any field details for those fields which are already filled in these existing drafts or templates.

Using **Save and Submit** you can save as well as initiate that transaction.

Using **View Limits** option, you can view the limits status for that particular transaction.

27.1. Save as Drafts

1. Log on to the **Internet Banking** application.

Navigate to any payments transaction. For e.g. **Own Account Transfer** which is shown below.

2. Navigate to My Payments > Within Bank > Own Account Transfer. The system displays Own Account Transfer screen.
