

# 165+ stories published

The PeopleSoft Innovators program is a rich resource for the PeopleSoft community to learn from fellow customers.

Since 2017, the program publishes customer-approved stories about newly deployed PeopleSoft features, newly implemented PeopleSoft products, and transformation achievements in strategic areas.

## Program categories

### Feature Innovators

Adopting delivered, strategic features

Deploy a recently delivered or strategic capability, like: Fluid Job Data (HCM), Match Exception Collaboration (ERP), Analytics, Oracle Cloud Infrastructure, and many more.

### Expansion Innovators

Expanding use of PeopleSoft products

Deploy a PeopleSoft module not previously used. Or, deploy an existing PeopleSoft module to a new group of users such as a new department or a new region.

### PeopleSoft Innovators

Two or more broad transformation initiatives

Conduct a broader transformation in two more areas like: analytics, eliminating and isolating customizations, using Oracle Cloud Infrastructure, selective adoption, user experience and more

## Participating is easy

Be current on Oracle Support for the respective product(s)

Deploy the capabilities in production (e.g. be 'live')

Approve the story publication

## An open and inclusive program

Submissions are open and accepted all year long. Stories are published continuously.

You don't need to do something extraordinary - taking newly delivered features and capabilities qualifies!

Why? Because customers just want to see who's doing what and learn from one another.

Anyone can submit a nomination. Multiple nominations are welcomed and encouraged.

You've done the work. Now, enjoy some well deserved recognition!

Participate!

Submit your nomination and read the stories at [www.peoplesoftinfo.com](http://www.peoplesoftinfo.com) > Customers and Innovation  
Watch the latest announcement video on our YouTube channel: @PSFTOracle

## How to qualify

## How the process works

1. Submit a nomination (simple form, in your words)
2. We review and ask questions (if needed). Qualifying customers get a congratulatory e-mail with program badge or certificate. Many share this recognition internally and externally
3. We publish your approved story in the Innovators section of [www.peoplesoftinfo.com](http://www.peoplesoftinfo.com). Extra content (screenshots, team photos) is optional and welcomed
4. We announce the Innovators annually in a *PeopleSoft Now!* video episode on our YouTube channel
5. You're invited to the exclusive Innovators Reception at RECONNECT Live! to celebrate
