Ordering Information

Additional copies of this document can be ordered from Tekelec Network Signaling Division, 5200 Paramount Parkway, Morrisville, North Carolina, 27560.

Cross-Reference Index

Eagle 31.4

This section provides an alphabetized list of each top-level heading used in the Eagle 31.4 document set. This list includes the name of the document and the page number where the top-level heading occurs.

Table CRI-1. Cross-Reference Index

Heading	Document	Page
(ASM/TSM) - SCCP	Maintenance Manual	A-34
(E5IS) Features	Database Administration Manual - Features	6-9
14-Bit ITU National Point Code Formats	Database Administration Manual - SS7	2-9
18GB to 36GB Hard Drive Upgrade (Release 29.1) (IP7 Release 7.1)	Previously Released Features Manual	2-1
2500 Routing Keys (IP7 Release 7.1)	Previously Released Features Manual	2-3
40,000 GTT Capacity (Release 28.0) (IP7 Release 6.0)	Previously Released Features Manual	2-7
4000 Routesets (Release 23.0)	Previously Released Features Manual	2-4
48 Million Numbers (Release 27.0)	Previously Released Features Manual	2-7
4-Port DS0 Monitor Applique	MPS Platform SW and Maintenance	B-6
4-Port DSCS Monitor Applique	MPS Platform SW and Maintenance	B-8
4-Port E1 Monitor Applique	MPS Platform SW and Maintenance	B-4
4-Port T1 Monitor Applique	MPS Platform SW and Maintenance	B-2
4-Port V.35 Monitor Applique	MPS Platform SW and Maintenance	B-7
5 Minute Linkset Data (Release 25.0)	Previously Released Features Manual	2-14

Table CRI-1. Cross-Reference Index (Continued)

Heading	Document	Page
500 SS7 Links (Release 21.0)	Previously Released Features Manual	2-18
5000 Routes (Release 26.1)	Previously Released Features Manual	2-20
56 Million G-Flex Entries (Release 29.1) (IP7 Release 7.1)	Previously Released Features Manual	2-2
5-8 Bit Sequencing Assurance (Release 24.0)	Previously Released Features Manual	2-16
6000 Routesets (Release 29.0)	Previously Released Features Manual	2-21
65,535 Entries per Translation Type (Release 22.0)	Previously Released Features Manual	2-23
803-0029-01 MPL Card Diagnostic Cable	Installation Manual	C-7
804-0176-01 Converter	Installation Manual	C-7
804-1830-01 Coaxial Cable Adapter	Installation Manual	C-8
830-0224-xx Drive Power Cable	Installation Manual	C-9
830-0231-xx Local Maintenance Center Cable	Installation Manual	C-10
830-0232-xx Row Alarm Cable	Installation Manual	C-11
830-0233-xx Remote Maintenance Center Cable	Installation Manual	C-12
830-0257-xx Hazard Ground Cable	Installation Manual	C-13
830-0315-xx Power Cable	Installation Manual	C-14
830-0366-xx Interface Cable	Installation Manual	C-15
830-0421-xx CD ROM Cable	Installation Manual	C-16
830-0425-01 Adapter 15 Pin to 26 Pin	Installation Manual	C-17
830-0435-xx External Alarm Cable (Custom)	Installation Manual	C-18
830-0527-xx RS232	Installation Manual	C-20
830-0528-01 Terminal/Converter Cable	Installation Manual	C-24
830-0531-01 Serial Interface Converter Cable	Installation Manual	C-23
830-0531-02 Serial Interface, Terminal and Printer Adapter	Installation Manual	C-25
830-0531-03 Serial Interface Adapter/MODEM	Installation Manual	C-22
830-0535-xx Terminal/Printer Cable	Installation Manual	C-26
830-0543-xx Alarm Holdover Clock Cable	Installation Manual	C-19

Heading	Document	Page
Adding a DCM and BLM for BLM-Based Operations	LNP Database Synchronization Manual	4-11
Adding a Destination Point Code	Database Administration Manual - SEAS	2-18
Adding a Destination Point Code	Database Administration Manual - SS7	2-150
Adding a DSM	Equipment Identity Register Feature Manual	4-3
Adding a DSM	LNP Feature Activation Guide	21
Adding a Gateway Linkset	Database Administration Manual - SEAS	5-117
Adding a Global Title Translation	Database Administration Manual - Global Title Translation	3-17
Adding a Global Title Translation	Database Administration Manual - SEAS	4-10
Adding a GSM MAP Screening Entry	Database Administration Manual - Features	5-81
Adding a GSM MAP Screening Operation Code	Database Administration Manual - Features	5-53
Adding a GSM Subsystem Number Screening Entry	Database Administration Manual - Features	5-48
Adding a GT Conversion Table Entry	Database Administration Manual - Global Title Translation	2-158
Adding a GTT Selector	Database Administration Manual - Global Title Translation	4-12
Adding a GTT Set	Database Administration Manual - Global Title Translation	4-3
Adding a High-Speed LIM-ATM or an E1-ATM LIM	Database Administration Manual - SS7	C-31
Adding a LIM-E1 Card	Database Administration Manual - SS7	A-11
Adding a LIM-T1 Card	Database Administration Manual - SS7	B-8

Table CRI-1. Cross-Reference Index (Continued)

Heading	Document	Page
Adding a Mapped SS7 Message Translation Type	Database Administration Manual - Global Title Translation	2-59
Adding a Network Routing Point Code	Database Administration Manual - SEAS	2-12
Adding a Network Routing Point Code	Database Administration Manual - SS7	2-142
Adding a Route	Database Administration Manual - SEAS	3-33
Adding a Route	Database Administration Manual - SS7	3-152
Adding a Secondary Point Code	Database Administration Manual - SS7	2-43
Adding a Sentinel Transport Card (STC)	Database Administration Manual - Features	6-18
Adding a Shelf	Database Administration Manual - System Management	4-89
Adding a Split NPANXX	Database Administration Manual - LNP	3-108
Adding a Subsystem Application	Database Administration Manual - LNP	3-57
Adding a T1 Signaling Link	Database Administration Manual - SS7	B-36
Adding a TCP/IP Data Link	Database Administration Manual - Features	3-31
Adding a TCP/IP Node	Database Administration Manual - Features	3-40
Adding a Translation Type	Database Administration Manual - Global Title Translation	3-3
Adding a User to the System	Database Administration Manual - System Management	4-21
Adding ACG Manual Initiated Controls	Database Administration Manual - LNP	4-21
Adding an ACG Node Overload Control Level	Database Administration Manual - LNP	4-13
