Problem Description

A new RoHS E5-OAM (E5-MASP P/N 7346924 and E5-MDAL P/N 7346923) card is available for EAGLE release 40.1 and later. This like-for-like replacement is interchangeable with existing E5-OAM (both E5-MASP and E5-MDAL) cards.

Impact

The existing E5-MASP (870-2903-xx) can be used in the same EAGLE Control Shelf with the RoHS E5-MASP (7346924) and/or the RoHS E5-MDAL (7346923). The existing E5-MDAL (870-2900-01) can be used in the same EAGLE Control Shelf with the RoHS E5-MASP (7346924).

Needed Actions

Treat the RoHS E5-OAM deployment like the current E5-OAM.

Customers should store this bulletin with their associated EAGLE documentation location for reference.
