

Micros Supply Chain myCreations

Release Notes

Release 1.9.0.21

June 2016

Note: The rebranding for the latest version of this documentation set is in development as part of post MICROS acquisition activities. References to former MICROS product names may exist throughout the existing documentation set.

This document highlights the major changes and fixes for Release 1.9.0.21 of Micros Supply Chain myCreations.

Overview

Micros Supply Chain myCreations is an integrated suite of applications designed to meet all aspects of sourcing, developing, and protecting retailer brands. The suite provides solutions for product development, compliance, quality, and traceability. It is designed specifically for retail, food service, and manufacturing businesses to develop and protect their brands, manage their suppliers, and ensure full end-to-end product lifecycle management.

The suite is composed of the following applications:

- myLibrary - enables the issue, receipt, and acceptance of policies, guidelines, and key working documents.
- myProduct - supports the development of products and production specifications.
- myProject - supports the development of project briefs, plans, and workflow management.
- mySupplier - enables the identification, selection, and approval of suppliers.

Post Release Tasks

For existing implementations, there is new system text which needs to be uploaded with this release. The following table lists which areas require new system text:

Area	Key (Column A)	Label (Column E)
PackCopyReport	packCopyReport.fragranceAllergens	FRAGRANCE ALLERGENS:
Scorecard	view.Scorecard list	Scorecards

Fixed Issues

The following tables list issues fixed in this release:

Table 1 General Fixed Issues

Defect Number	Description
TRUNKONEEIGHT-493 Tesseract Ref 110040 Ref 22722983	An error no longer occurs when an email is sent which has a subject containing too many characters. This is fixed by limiting the subject to a maximum of 250 characters.
TRUNKONEEIGHT-501 Ref 23335945	This is a general performance and stability fix for the list view framework.

Table 2 Administration Fixed Issue

Defect Number	Description
TRUNKONEEIGHT-497 Tesseract Ref 113275 Ref 23173341	A fix is applied to the email log to ensure the SENT TO column is correctly populated when a new site is created.

Table 3 mySupplier Fixed Issue

Defect Number	Description
TRUNKONEEIGHT-499 Ref 23203712	An error no longer occurs when a user clicks the "Change Status" text shown within the actions menu of a site in edit mode.

Table 4 myProduct Fixed Issues

Defect Number	Description
TRUNKONEEIGHT-487 Tesseract Ref 109791 Ref 22610091	A performance improvement is applied for switching an open specification in READ mode into EDIT mode.
TRUNKONEEIGHT-490 Ref 22975026	A fix is applied which now ensures that the Fragrance Allergens field is pulled through to the FNF Pack Copy.
TRUNKONEEIGHT-495 Tesseract Ref 105860 Ref 22996325	A fix is applied so that the system now marks the "Reason For Various Suppliers" field, on a CNF specification, as mandatory when the "Commodity Component Purchased From Various Suppliers" field is marked as Yes.
TRUNKONEEIGHT-500 Ref 23335918	An error no longer occurs when saving a specification if too much data is pasted into the Source of Data field within the Nutrition section.

Table 5 myLibrary Fixed Issue

Defect Number	Description
TRUNKONEEIGHT-498 Ref 22299602	A fix is applied which now means that the full folder name can be seen within the myLibrary view. Should it be required, a horizontal scroll bar appears at the bottom of the view to facilitate viewing.

Table 6 myProject Fixed Issue

Defect Number	Description
TRUNKONENINE-133 Tesseract Ref 109093 Ref 23082930	A fix is applied which now means that supplier users no longer see erroneous tasks requiring attention within their Urgent Items Manager.

Table 7 Scorecards Fixed Issue

Defect Number	Description
TRUNKONEEIGHT-491 Tesseract Ref 111168 Ref 22982258	A fix is applied so that Scorecard List Views are correctly added to a user's Favorite List Views app on their Home Page.

Except as expressly permitted in your license agreement or allowed by law, you may not use, copy, reproduce, translate, broadcast, modify, license, transmit, distribute, exhibit, perform, publish, or display any part, in any form, or by any means. Reverse engineering, disassembly, or decompilation of this software, unless required by law for interoperability, is prohibited.

The information contained herein is subject to change without notice and is not warranted to be error-free. If you find any errors, please report them to us in writing.

If this is software or related documentation that is delivered to the U.S. Government or anyone licensing it on behalf of the U.S. Government, then the following notice is applicable:

U.S. GOVERNMENT END USERS: Oracle programs, including any operating system, integrated software, any programs installed on the hardware, and/or documentation, delivered to U.S. Government end users are "commercial computer software" pursuant to the applicable Federal Acquisition Regulation and agency-specific supplemental regulations. As such, use, duplication, disclosure, modification, and adaptation of the programs, including any operating system, integrated software, any programs installed on the hardware, and/or documentation, shall be subject to license terms and license restrictions applicable to the programs. No other rights are granted to the U.S. Government.

This software or hardware is developed for general use in a variety of information management applications. It is not developed or intended for use in any inherently dangerous applications, including applications that may create a risk of personal injury. If you use this software or hardware in dangerous applications, then you shall be responsible to take all appropriate fail-safe, backup, redundancy, and other measures to ensure its safe use. Oracle Corporation and its affiliates disclaim any liability for any damages caused by use of this software or hardware in dangerous applications.

This software or hardware and documentation may provide access to or information about content, products, and services from third parties. Oracle Corporation and its affiliates are not responsible for and expressly disclaim all warranties of any kind with respect to third-party content, products, and services unless otherwise set forth in an applicable agreement between you and Oracle. Oracle Corporation and its affiliates will not be responsible for any loss, costs, or damages incurred due to your access to or use of third-party content, products, or services, except as set forth in an applicable agreement between you and Oracle.

Value-Added Reseller (VAR) Language

Oracle Retail VAR Applications

The following restrictions and provisions only apply to the programs referred to in this section and licensed to you. You acknowledge that the programs may contain third party software (VAR applications) licensed to Oracle. Depending upon your product and its version number, the VAR applications may include:

(i) the **MicroStrategy** Components developed and licensed by MicroStrategy Services Corporation (MicroStrategy) of McLean, Virginia to Oracle and imbedded in the MicroStrategy for Oracle Retail Data Warehouse and MicroStrategy for Oracle Retail Planning & Optimization applications.

(ii) the **Wavelink** component developed and licensed by Wavelink Corporation (Wavelink) of Kirkland, Washington, to Oracle and imbedded in Oracle Retail Mobile Store Inventory Management.

(iii) the software component known as **Access Via™** licensed by Access Via of Seattle, Washington, and imbedded in Oracle Retail Signs and Oracle Retail Labels and Tags.

(iv) the software component known as **Adobe Flex™** licensed by Adobe Systems Incorporated of San Jose, California, and imbedded in Oracle Retail Promotion Planning & Optimization application.

You acknowledge and confirm that Oracle grants you use of only the object code of the VAR Applications. Oracle will not deliver source code to the VAR Applications to you. Notwithstanding any other term or condition of the agreement and this ordering document, you shall not cause or permit alteration of any VAR Applications. For purposes of this section, "alteration" refers to all alterations, translations, upgrades, enhancements, customizations or modifications of all or any portion of the VAR Applications including all reconfigurations, reassembly or reverse assembly, re-engineering or reverse engineering and recompilations or reverse compilations of the VAR Applications or any derivatives of the VAR Applications. You acknowledge that it shall be a breach of the agreement to utilize the relationship, and/or confidential information of the VAR Applications for purposes of competitive discovery.

The VAR Applications contain trade secrets of Oracle and Oracle's licensors and Customer shall not attempt, cause, or permit the alteration, decompilation, reverse engineering, disassembly or other reduction of the VAR Applications to a human perceivable form. Oracle reserves the right to replace, with functional equivalent software, any of the VAR Applications in future releases of the applicable program.
