### License Restrictions Warranty/Consequential Damages Disclaimer

This software and related documentation are provided under a license agreement containing restrictions on use and disclosure, and are protected by intellectual property laws. Except as expressly permitted in your license agreement or allowed by law, you may not use, copy, reproduce, translate, broadcast, modify, license, transmit, distribute, exhibit, perform, publish, or display any part, in any form, or by any means. Reverse engineering, disassembly, or de-compilation of this software, unless required by law for interoperability, is prohibited.

### Warranty Disclaimer

The information contained herein is subject to change without notice and is not warranted to be error-free. If you find any errors, please report them to us in writing.

### Restricted Rights Notice

If this software or related documentation is delivered to the U.S. Government or anyone licensing it on behalf of the U.S. Government, the following notice is applicable:

#### U.S. GOVERNMENT RIGHTS

Oracle programs, including any operating system, integrated software, any programs installed on the hardware, documentation, and/or technical data delivered to U.S. Government end users are “commercial computer software” or “commercial technical data” pursuant to the applicable Federal Acquisition Regulation and agency-specific supplemental regulations. As such, use, duplication, disclosure, modification, and adaptation of the programs, including any operating system, integrated software, any programs installed on the hardware, documentation, and/or technical data shall be subject to license terms and restrictions as mentioned in Oracle License Agreement, and to the extent applicable, the additional rights set forth in FAR 52.227-19, Commercial Computer Software--Restricted Rights (June 1987). No other rights are granted to the U.S. Government.

**Hazardous Applications Notice**

This software is developed for general use in a variety of information management applications. It is not developed or intended for use in any inherently dangerous applications, including applications that may create a risk of personal injury. If you use this software in dangerous applications, then you shall be responsible to take all appropriate fail-safe, backup, redundancy, and other measures to ensure the safe use of this software. Oracle Corporation and its affiliates disclaim any liability for any damages caused by use of this software in dangerous applications.

**Third Party Content, Products, and Services Disclaimer**

This software and documentation may provide access to or information on content, products, and services from third parties. Oracle Corporation and its affiliates are not responsible for and expressly disclaim all warranties of any kind with respect to third party content, products, and services unless otherwise set forth in an applicable agreement between you and Oracle. Oracle Corporation and its affiliates will not be responsible for any loss, costs, or damages incurred due to your access to or use of third party content, products, or services.

# Preface

---

## About This Document

The Licensing Guide provides the complete list of Oracle Insurance Revenue Management and Billing Analytics licensed products and the Third-Party licenses included with the license. It provides the product-wise licensing options and rules in terms of prerequisite licenses and the included license components. It does not cover the features and functionality of the products.

If you have any question about your licensing needs, please contact your Oracle sales representative or contact the License Management Services representative listed at this URL:

<http://www.oracle.com/us/corporate/license-management-services/index.html>

## Intended Audience

This guide is intended for all purchasers of Oracle Insurance Revenue Management and Billing Analytics.

## Organization of the Document

The information in this document is organized into the following sections:

Section No.	Section Name	Description
Section 1	Oracle Insurance Revenue Management and Billing Analytics Licensing	Describes the Oracle Insurance Revenue Management and Billing Analytics licensing details including: <ul style="list-style-type: none"> <li>• Separately licensed prerequisite products</li> <li>• Components included</li> <li>• Restricted use licensing</li> <li>• General licensing information</li> </ul>
Appendix A	Third-Party Licenses	Includes licensing and copyright information for third-party products included with the Oracle Insurance Revenue Management and Billing Analytics application.

## Related Documents

# 1. Oracle Insurance Revenue Management and Billing Analytics Licensing

This section includes licensing information for the Oracle Insurance Revenue Management and Billing Analytics application.

## 1.1 Oracle Insurance Revenue Management and Billing Extractors and Schema

Oracle Insurance Revenue Management and Billing Extractors and Schema is a ready data mart, which enables customers to slice and dice data to define reports.

It is used to extract and transform the data into target 'stars' that can be used to drive reports and answer business questions from the data within the Oracle Revenue Management and Billing source system.

### 1.1.1 Separately Licensed Prerequisite Products

The following prerequisite products require separate licenses:

- Oracle WebLogic Suite or Oracle WebLogic Suite for Oracle Applications
- Oracle Data Integrator Enterprise Edition or Oracle Data Integrator Enterprise Edition for Oracle Applications
- Oracle GoldenGate or Oracle GoldenGate for Oracle Applications
- Oracle Applications Management Pack for Oracle GoldenGate

### 1.1.2 Components Included

The following table describes the components included with a license for Oracle Insurance Revenue Management and Billing Extractors and Schema:

Licensed Program	Product or Component Included with License
Oracle Insurance Revenue Management and Billing Extractors and Schema	Not applicable

### 1.1.3 Restricted Use Licensing

Oracle Insurance Revenue Management and Billing Extractors and Schema product contains all or portions of the following Oracle products:

Product or Component	Available Features
Not applicable	

### 1.1.4 General Licensing Information

Oracle Insurance Revenue Management and Billing Extractors and Schema can be licensed with the \$M in Application Annual Revenue metric or with the 1K Insurance Plan Members metric.

## 1.2 Oracle Insurance Revenue Management and Billing Analytics

Oracle Insurance Revenue Management and Billing Analytics is a pre-built set of 'rich' dashboards and reports that deliver intuitive, role-based intelligence for everyone in an organization – from front line employees to senior management. These dashboards and reports can be personalized by them as required.

Each dashboard caters to a subject area corresponding to a physical star in the database. Each dashboard contains a number of pages that present information from the subject area through a set of visualizations to the end user.

### 1.2.1 Separately Licensed Prerequisite Products

The following prerequisite products require separate licenses:

- Oracle Insurance Revenue Management and Billing Analytics
- Oracle Business Intelligence Foundation Suite OR Oracle Business Intelligence Foundation Suite for Oracle Applications OR Oracle Business Intelligence Suite Enterprise Edition Plus

### 1.2.2 Components Included

The following table describes the components included with a license for Oracle Insurance Revenue Management and Billing Analytics:

Licensed Program	Product or Component Included with License
Oracle Insurance Revenue Management and Billing Analytics	Not applicable

### 1.2.3 Restricted Use Licensing

Oracle Insurance Revenue Management and Billing Analytics product contains all or portions of the following Oracle products:

Product or Component	Available Features
Not applicable	

### 1.2.4 General Licensing Information

Oracle Insurance Revenue Management and Billing Analytics can be licensed with the Application User metric.

## 1.2.5 Third Party Products Used

Oracle Insurance Revenue Management and Billing Analytics uses the following third party software for scripting.

- JQuery
- jQueryUI

The [Third-Party Licenses](#) section of this document explains the licensing information for the above software.

## Appendix A : Third-Party Licenses

---

The third-party products included with the Oracle Insurance Revenue Management and Billing Analytics licensed software are:

- [jQuery](#)
- [jQueryUI](#)
