Basic Installation Steps

1 Remove all packages from the outer box, inventory the contents, and inspect for damage.

2 Mount the Compact Workstation 310 on the Basic Stand. Refer to the *Oracle MICROS Compact Workstation 310 Setup Guide* for details.

3 Arrange the equipment in the installation location and connect the cables. Refer to the cabling diagram on the reverse side of this document for more information.

4 Turn on the workstation and printer. Complete the Microsoft Windows setup and run basic hardware tests using the diagnostic tools on the Compact Workstation 310 located in **C:\Bin\Yarrowsburg_Diagnostic_Utility.exe**.

5 Visit the Oracle Help Center for detailed information on how to install your POS application.

Welcome

Thank you for your purchase! For a successful setup experience, contact an Oracle-trained representative and visit the Oracle Help Center at **https://docs.oracle.com/en/industries/food-beverage/** for documentation on the hardware and software you are about to install.
