This software and related documentation are provided under a license agreement containing restrictions on use and disclosure and are protected by intellectual property laws. Except as expressly permitted in your license agreement or allowed by law, you may not use, copy, reproduce, translate, broadcast, modify, license, transmit, distribute, exhibit, perform, publish, or display any part, in any form, or by any means. Reverse engineering, disassembly, or decompilation of this software, unless required by law for interoperability, is prohibited.

The information contained herein is subject to change without notice and is not warranted to be error-free. If you find any errors, please report them to us in writing.

If this software or related documentation is delivered to the U.S. Government or anyone licensing it on behalf of the U.S. Government, then the following notice is applicable:

U.S. GOVERNMENT END USERS: Oracle programs, including any operating system, integrated software, any programs installed on the hardware, and/or documentation, delivered to U.S. Government end users are "commercial computer software" pursuant to the applicable Federal Acquisition Regulation and agency-specific supplemental regulations. As such, use, duplication, disclosure, modification, and adaptation of the programs, including any operating system, integrated software, any programs installed on the hardware, and/or documentation, shall be subject to license terms and license restrictions applicable to the programs. No other rights are granted to the U.S. Government.

This software or hardware is developed for general use in a variety of information management applications. It is not developed or intended for use in any inherently dangerous applications, including applications that may create a risk of personal injury. If you use this software or hardware in dangerous applications, then you shall be responsible to take all appropriate fail-safe, backup, redundancy, and other measures to ensure its safe use. Oracle Corporation and its affiliates disclaim any liability for any damages caused by use of this software or hardware in dangerous applications.

Oracle and Java are registered trademarks of Oracle and/or its affiliates. Other names may be trademarks of their respective owners.

Intel and Intel Xeon are trademarks or registered trademarks of Intel Corporation. All SPARC trademarks are used under license and are trademarks or registered trademarks of SPARC International, Inc. AMD, Opteron, the AMD logo, and the AMD Opteron logo are trademarks or registered trademarks of Advanced Micro Devices. UNIX is a registered trademark of The Open Group.

This software or hardware and documentation may provide access to or information about content, products, and services from third parties. Oracle Corporation and its affiliates are not responsible for and expressly disclaim all warranties of any kind with respect to third-party content, products, and services unless otherwise set forth in an applicable agreement between you and Oracle. Oracle Corporation and its affiliates will not be responsible for any loss, costs, or damages incurred due to your access to or use of third-party content, products, or services, except as set forth in an applicable agreement between you and Oracle.

Preface

This document provides information regarding the patch releases for Release 8.31. Patches can include:

- Defect and performance fixes
- Features and updates
- Technology upgrades

For more information on Materials Control, refer to the product documentation on the Oracle Help Center and My Oracle Support.

Audience

This document is intended for customers who have installed Release 8.31.

Customer Support

To contact Oracle Customer Support, access My Oracle Support at the following URL:
https://support.oracle.com

When contacting Customer Support, please provide the following:

- Product version and program/module name
- Functional and technical description of the problem (include business impact)
- Detailed step-by-step instructions to re-create
- Exact error message received and any associated log files
- Screen shots of each step you take

Documentation

Oracle Hospitality product documentation is available on the Oracle Help Center at
http://docs.oracle.com/en/industries/hospitality/

Revision History

Date	Description of Change
January 2017	• Initial publication
January 2017	• Added information regarding Patch 1.
February 2017	• Materials Control Patch 3.
April 2017	• Materials Control Patch 4.

1 Patch Releases

Patch	Description	Release Date
8.31.4	• Accepted document types configuration. • USDA National Nutrient Database for Standard Reference release 28. • Updates to the Poland Fiscal Inventory Export interface. • Bug fixes.	April 2017
8.31.3	• Bug fixes only.	February 2017
8.31.2	• Bug fixes. • Patch 1 has been combined with Patch 2 and has been released as Patch 2 only.	January 2017

For a complete list of fixed issues, access https://support.oracle.com.

2 Features and Updates

Accepted Document Types (8.31.4)

Materials Control now includes a configuration to restrict the accepted document types for attachments in:

- Purchase Orders
- Requisitioning (for Purchase Managers)
- Receiving
- Invoicing

To configure the list of document types:

1. Click **Maintenance**, click **Configuration**, and then click **PATH**.
2. Configure the comma-separated list in `DOCUMENTSTORAGEFILETYPES`.

Nutrient Catalog Supports USDA National Nutrient Database for Standard Reference Release 28 (8.31.4)

This release now include support for USDA National Nutrient Database for Standard Reference release 28.

Poland Fiscal Inventory Export Interface Updates (8.31.4)

The Poland Fiscal Inventory Export interface:

- Allows you to exclude internal transfers when configuring a fiscal export.
- Shows the Cost Center configured for the Automation Service job in the **Magazyn** field.
- Return to Supplier documents report using the tag `<tns:WZ>` instead of `<tns:PZ>`.

The *Oracle Hospitality Materials Control Poland Fiscal Inventory Export User Guide* contains information about the changes.

3 Installing the Patch

The *Oracle Hospitality Materials Control Deployment Guide* contains instructions for installing and upgrading Materials Control.
