**Oracle® Cloud at Customer**

What's New for Oracle Cloud at Customer

Release 20.3

F34266-02

September 2020

# What's New for Oracle Cloud at Customer 20.3

This document lists the new features and enhancements added to Oracle Cloud at Customer and Oracle Cloud services.

## Topics

- What's New for Cloud at Customer 20.3
- What's New for Oracle Cloud Services on Oracle Cloud at Customer

## What's New for Oracle Cloud at Customer 20.3

Oracle Cloud at Customer 20.3 introduces the following new features and capabilities:

- Oracle Database 19c version on Exadata Cloud at Customer
- Security update for Oracle Cloud at Customer's control plane
- Update of several Oracle Cloud services to new versions. Learn more about the new versions at What's New for Oracle Cloud Services on Oracle Cloud at Customer.
- Update of PaaS Service Manager to version 20.1.1-922
- Update of Exadata Cloud Service to 19.1.1 (20.198)
- The patch doesn't include support for PaaS services with Oracle Database 19c

> **Note:**
>
> The patch requires DBaaSTools 27-July version (dbaastools_exa-1.0-1+19.1.1.1.0_200727.1423) or later.

This software and related documentation are provided under a license agreement containing restrictions on use and disclosure and are protected by intellectual property laws. Except as expressly permitted in your license agreement or allowed by law, you may not use, copy, reproduce, translate, broadcast, modify, license, transmit, distribute, exhibit, perform, publish, or display any part, in any form, or by any means. Reverse engineering, disassembly, or decompilation of this software, unless required by law for interoperability, is prohibited.

The information contained herein is subject to change without notice and is not warranted to be error-free. If you find any errors, please report them to us in writing.

If this is software or related documentation that is delivered to the U.S. Government or anyone licensing it on behalf of the U.S. Government, then the following notice is applicable:

U.S. GOVERNMENT END USERS: Oracle programs (including any operating system, integrated software, any programs embedded, installed or activated on delivered hardware, and modifications of such programs) and Oracle computer documentation or other Oracle data delivered to or accessed by U.S. Government end users are "commercial computer software" or "commercial computer software documentation" pursuant to the applicable Federal Acquisition Regulation and agency-specific supplemental regulations. As such, the use, reproduction, duplication, release, display, disclosure, modification, preparation of derivative works, and/or adaptation of i) Oracle programs (including any operating system, integrated software, any programs embedded, installed or activated on delivered hardware, and modifications of such programs), ii) Oracle computer documentation and/or iii) other Oracle data, is subject to the rights and limitations specified in the license contained in the applicable contract. The terms governing the U.S. Government's use of Oracle cloud services are defined by the applicable contract for such services. No other rights are granted to the U.S. Government.

This software or hardware is developed for general use in a variety of information management applications. It is not developed or intended for use in any inherently dangerous applications, including applications that may create a risk of personal injury. If you use this software or hardware in dangerous applications, then you shall be responsible to take all appropriate fail-safe, backup, redundancy, and other measures to ensure its safe use. Oracle Corporation and its affiliates disclaim any liability for any damages caused by use of this software or hardware in dangerous applications.
