

Registration Form

The JD Edwards Release Days event is specifically designed for JD Edwards technical and functional consultants, and solution architects to understand and explore the latest JD Edwards Enterprise One features, innovations, business value and benefits. You will also get an opportunity to interact with our specialists from the JD Edwards Development team.

To register, please fill up the form below and send it BEFORE January 17, 2020 to:

harish.gundrati@oracle.com / saurav.r.roy@oracle.com.

If there are multiple attendees from your organization, you are requested to have one point of contact to submit the details of all attendees from your organization. As there are limited number of seats available, we encourage you to register as early as possible.

We look forward to seeing you in Bangalore!
