Copyright © 2011, 2017, Oracle and/or its affiliates. All rights reserved.

This software and related documentation are provided under a license agreement containing restrictions on use and disclosure and are protected by intellectual property laws. Except as expressly permitted in your license agreement or allowed by law, you may not use, copy, reproduce, translate, broadcast, modify, license, transmit, distribute, exhibit, perform, publish, or display any part, in any form, or by any means. Reverse engineering, disassembly, or decompilation of this software, unless required by law for interoperability, is prohibited.

The information contained herein is subject to change without notice and is not warranted to be error-free. If you find any errors, please report them to us in writing.

If this is software or related documentation that is delivered to the U.S. Government or anyone licensing it on behalf of the U.S. Government, then the following notice is applicable:

U.S. GOVERNMENT END USERS: Oracle programs, including any operating system, integrated software, any programs installed on the hardware, and/or documentation, delivered to U.S. Government end users are "commercial computer software" pursuant to the applicable Federal Acquisition Regulation and agency-specific supplemental regulations. As such, use, duplication, disclosure, modification, and adaptation of the programs, including any operating system, integrated software, any programs installed on the hardware, and/or documentation, shall be subject to license terms and license restrictions applicable to the programs. No other rights are granted to the U.S. Government.

This software or hardware is developed for general use in a variety of information management applications. It is not developed or intended for use in any inherently dangerous applications, including applications that may create a risk of personal injury. If you use this software or hardware in dangerous applications, then you shall be responsible to take all appropriate fail-safe, backup, redundancy, and other measures to ensure its safe use. Oracle Corporation and its affiliates disclaim any liability for any damages caused by use of this software or hardware in dangerous applications.

Oracle and Java are registered trademarks of Oracle and/or its affiliates. Other names may be trademarks of their respective owners.

Intel and Intel Xeon are trademarks or registered trademarks of Intel Corporation. All SPARC trademarks are used under license and are trademarks or registered trademarks of SPARC International, Inc. AMD, Opteron, the AMD logo, and the AMD Opteron logo are trademarks or registered trademarks of Advanced Micro Devices. UNIX is a registered trademark of The Open Group.

This software or hardware and documentation may provide access to or information about content, products, and services from third parties. Oracle Corporation and its affiliates are not responsible for and expressly disclaim all warranties of any kind with respect to third-party content, products, and services unless otherwise set forth in an applicable agreement between you and Oracle. Oracle Corporation and its affiliates will not be responsible for any loss, costs, or damages incurred due to your access to or use of third-party content, products, or services, except as set forth in an applicable agreement between you and Oracle.

Contents

Preface

1 Features and Updates

Database Administrator User Type 1-1

Deprecating Support for Microsoft Vista and Microsoft Windows 8 1-1

2 System Requirements, Supported Systems, and Compatibility

Supported Credit Card Driver Hosts 2-1

Supported Workstations 2-1

3 Installation and Upgrade

Security Requirement 3-1

Preface

This document describes the features and changes included in the Oracle Hospitality e7 Point-of-Sale (POS) version 4.3 European Use (EU).

Purpose

These Release Notes provide a brief overview of additions, enhancements, and corrections implemented in this software release. Their intent is informative, not instructional. Review e7 Point-of-Sale's product documentation, including technical and application advisories for previous versions, for detailed information on installation, upgrade, configuration, and general use.

Audience

This document is for all users of the Oracle Hospitality e7 POS version 4.3 EU.

Customer Support

To contact Oracle Customer Support, access My Oracle Support at the following URL:

<https://support.oracle.com>

When contacting Customer Support, please provide the following:

- Product version and program/module name
- Functional and technical description of the problem (include business impact)
- Detailed step-by-step instructions to re-create
- Exact error message received
- Screen shots of each step you take

Documentation

Oracle Hospitality product documentation is available on the Oracle Help Center at <http://docs.oracle.com/en/industries/hospitality/>.

Revision History

Date	Description of Change
August 2017	Initial Publication

1

Features and Updates

This section describes the features and updates contained in this release.

- [Database Administrator User Type](#)
- [Deprecating Support for Microsoft Vista and Microsoft Windows 8](#)

Database Administrator User Type

Oracle Hospitality e7 Point-of-Sale now requires a database administrator user to enable ringing transactions. The *Oracle Hospitality e7 EU Point-of-Sale Installation Guide* contains updated installation instructions that include creating a database account in the Configurator.

Deprecating Support for Microsoft Vista and Microsoft Windows 8

e7 Point-of-Sale no longer supports the Microsoft Vista Business Edition and Microsoft Windows 8 operating systems. If you are using Microsoft Windows 8, you must upgrade to Microsoft Windows 8.1.

2

System Requirements, Supported Systems, and Compatibility

This section describes e7 compatibility and requirements.

- [Supported Credit Card Driver Hosts](#)
- [Supported Workstations](#)

Supported Credit Card Driver Hosts

Your environment must contain at least one of the following devices for hosting the credit card drivers:

Device	Operating System	Microsoft .NET Framework
PC	<ul style="list-style-type: none">• Microsoft Windows 10 (32-bit and 64-bit) Oracle Hospitality Enterprise Back Office 8.5.0 and older do not support Microsoft Windows 10. If you are using e7 with Enterprise Back Office 8.5.0 or older, you must use the Electronic Transfer Account (ETA) transport mode.• Microsoft Windows 8.1 (32-bit and 64-bit)• Microsoft Windows 7 Professional (32-bit and 64-bit)	<ul style="list-style-type: none">• Microsoft .NET Framework 4.6 or later

Supported Workstations

The following table lists the workstations supported by e7:

Device	Operating System or Workstation Platform
Oracle MICROS Tablet R-Series <ul style="list-style-type: none">• e7 does not support the concessions edition.	<ul style="list-style-type: none">• Platform 1.3.1
Oracle MICROS Workstation 5A	<ul style="list-style-type: none">• Platform 1.2• Platform 1.3 for Protégé
Oracle MICROS Workstation 5	<ul style="list-style-type: none">• Platform 1.3• Platform 3.0 for Protégé

Device	Operating System or Workstation Platform
Oracle MICROS Workstation 4LX	<ul style="list-style-type: none"><li data-bbox="876 262 1055 294">• Platform 2.9<li data-bbox="876 294 1185 340">• Platform 4.0 for Protégé

3

Installation and Upgrade

This release contains changes that impact the installation and upgrade process. The *Oracle Hospitality e7 Point-of-Sale EU Installation Guide* contains instructions that must be followed when performing new installations and upgrades.

- [Security Requirement](#)

Security Requirement

This release makes generating the encryption key for securing the database mandatory. You cannot ring transactions until you generate the key and enable enhanced security.
