2. Term Deposit Account Application

The term deposit account application has been created so as to enable customers to apply for a term deposit account by providing details of the deposit to be opened along with minimal personal details.

The application tracker has been built to enable tracking of the application once it has been submitted. The application tracker also enables the applicant to retrieve and complete an application that has been saved.

Term Deposit Workflow

Following are the steps involved as part of application submission:

- **Deposit Requirements:** In this section, you can specify the deposit amount, tenure, payout frequency, identify the holding pattern of the account, i.e. whether the account is to be jointly held and subsequently identify if the co-applicant is an existing customer of the bank or a new user.

- **Applicant Information:** The applicant information sections consist of details such as basic personal information, identity, contact, and employment information of the applicant.

- **Fund Your Deposit:** As part of this section, you need to specify funding details such as the method through which you will fund the initial deposit on your account and to specify details of funding including amount to be funded and subsequent account or card details from which the amount is to be debited.

- **Review and Submit:** This section displays the summary of the application. You can verify details submitted as part of the application and can modify any if required.

- **Confirmation:** This section displays a message confirming that the application has been submitted along with account number and additional steps that might be required to be taken by the applicant or the bank.

    Yes, you can continue filling in the application details as a guest user and need not necessarily login.

3. **Does the Co-Applicant also need to login for the system to populate the information if he/she is an existing channel user?**

    No, the co-applicant's customer ID needs to be entered by the primary applicant if he/she is an existing user. A verification code will be sent to the co-applicants email ID and/or mobile number. Once the verification process is successful, the co-applicant's details will be populated.

4. **Why am I asked to capture previous residential address details?**

    The bank has a resident stability policy in place wherein if the applicant is staying at the current address for less than a defined term then he/she needs to define the previous residential address.

5. **My co-applicant and I live in the same house; do I need to enter address details again while defining co-applicant information?**

    No, there is an option in the co-applicant contact information section to default the primary applicant's address in that of the co-applicant's residential address fields.

6. **Why am I being asked to capture previous employment details?**

    The bank has an employment stability policy in place wherein if the applicant has not completed a defined term in the current organization then he/she needs to define previous employment details.

7. **I have saved the application. Can my co-applicant resume the application from the application tracker?**

    Yes, the co-applicant needs to be a registered channel user to login to the application tracker and resume the application.

8. **Can the co-applicant perform all the pending tasks in the application tracker?**

    Yes, the co-applicant has all the rights as that of the primary applicant.
