

Oracle Financial Services Sanctions Release v8.0.8.0.0 Maintenance Level Release #1 (8.0.8.1.0)

OFS Sanctions is a separately licensed product.

Description

ID **31623851** OFS Sanctions v8.0.8.0.0 Maintenance Level Release #1 (8.0.8.1.0).

This release of OFS Sanctions includes enhancements and bug fixes for Transaction Filtering and Customer Screening on the 8.0.7.0.0 and 8.0.8.0.0 releases.

Pre-installation Requirements

The following pre-installation steps are required for this release:

1. The OFS Sanctions v8.0.8.0.0 base pack must be installed.
2. The OFS Analytics Application Infrastructure (AAI) Maintenance Level Critical Patch Update (CPU) Release v8.0.8.2.0 must be installed. Download and install the mandatory patch from [My Oracle Support](#) by searching the patch ID **31365663** under the *Patches & Updates* tab.

Installing this Release

For detailed instructions on installing this ML release, see [Oracle Financial Services Sanctions Release 8.0.8.1.0 Installation Guide](#).

Bugs Fixed in this Release

The following bugs are fixed, modified, or enhanced in this release.

Component	Bug ID	Product	Change Description
