Available Oracle Textura training

Getting started

Getting Started with Oracle Textura Payment Management

Training is offered weekly on Mondays, Wednesdays, and Fridays.

Register for Monday at 2 p.m. CT

Register for Wednesday at 2 p.m. CT

Register for Friday at 10 a.m. CT

Register for Release Communications

Be notified of monthly release changes in advance of each release

- Notifications typically go out on the Friday prior to each Sunday release
- We also send out quarterly roundup emails that summarize changes over the prior month

https://info.cegbu.oraclecloud.com/textura-release-highlights?id=&type=&emailname=TPM_Release_Highlights_Sep_22.09_Email_US1.html

Subscribe to Release Highlights

Thank you for your interest in receiving the monthly 'Release Highlights' email.

This email outlines the main features in each Textura release and links to the 'Release Notes' article for full details. We also send a quarterly 'Round Up' of the most important new features.

To subscribe, enter your email address below and click the 'Submit' button.

Last Name*

Security Best Practices

- Do not share your Oracle Textura Payment Management username or password with others.
- Enable a verification phone number to better protect your account from unauthorized password changes. Additionally, having a verification phone number will provide the ability to retrieve your username.
- Oracle Support will never ask you for a verification code sent to your phone.
- Designate **two Enterprise Administrators** for your organization.

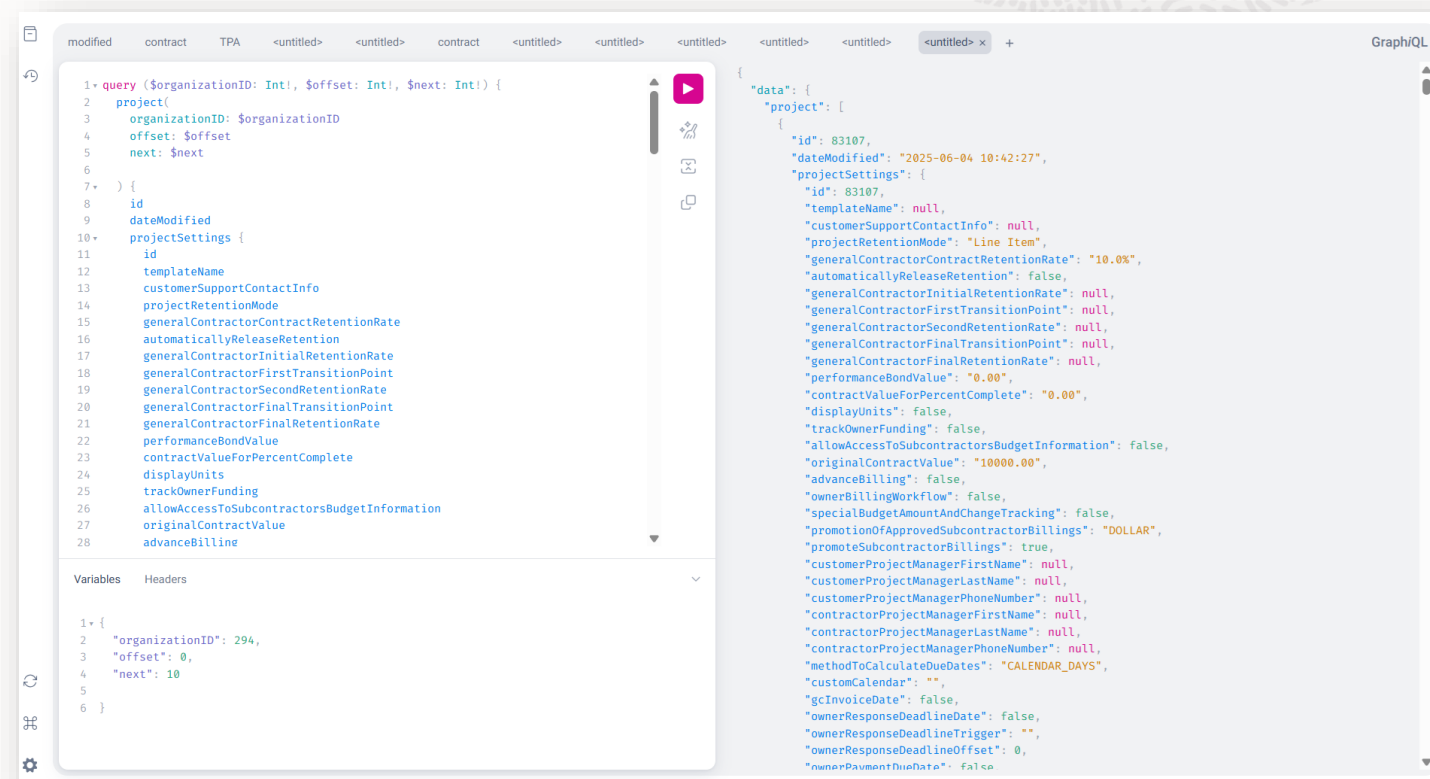

Previous Release Spotlight

Data-as-a-Service – Project Settings graph

A **projectSettings** graph is now available to track project settings of across your organization.

180+ attributes, including settings for:

- Project information
- Date tracking
- Subcontract
- Draw
- Payment
- Documents
- Lien Waiver
- User Defined fields
-and more!

Release Changes in v25.8.0.0

Available August 10, 2025

Summary of Changes

- A new **Project User Role** page is now available to view and modify user permissions across your organization's projects.
- A new **Bank Reconciliation Files** page is now available to reconcile your bank transaction in Textura.
- **Textura Assistant** (US Subcontractors) enhancements to user experience.
- Misc. Bug fixes

Textura Assistant

Improved Notifications

Enhancement include:

- Audio alert when user is away from chat
- Badge Indicator on chat icon when chat drawer is closed
 - Increments with each unread message
 - Clears when user reopens chat drawer
- Sound toggle control added to chat header
 - Users can enable/disable sound

Textura - Bug Fixes

The following bug fixes are resolved with this release:

- Corporate Supplier Tracking – adding a new corporate program and setting priority at the same time may cause errors
- Incorrect payment type displayed with Negative Invoices
- Various other minor bugs
