## 5.1 E-Statements

The user can subscribe to receive an account statement regularly on an email address registered with the bank. 'E-statement' feature allows users to subscribe to receive e-statements. It is convenient for the user to keep track of their accounts without logging into channel banking.

An option is also provided to the user to unsubscribe from the e-statement facility for the already registered accounts.

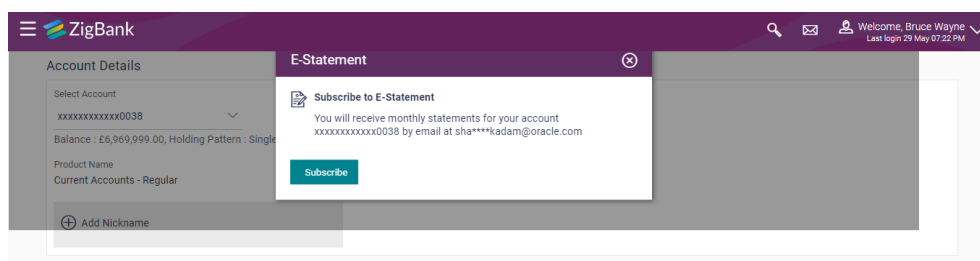

### How to reach here:

*Toggle Menu > Accounts > Current and Savings > Overview > Summary > Account Number > Account Details > E -Statements*

### To subscribe to e-statements:

1. In the **Account Details** screen, click the **E-Statements** to subscribe to e-statements.

### E-Statement

2. The Pop-up Message appears.

(Subscribe to E-Statement You will receive monthly statements for your account <Number in masked format> by email at <User's email address>)

- a. Click **Subscribe** to opt for receiving monthly statements on your registered email address.
- b. The success message of request submission appears. Click **OK** to complete the transaction.

### Note:

If the user has subscribed for the monthly statement;

(1) Click the **E-statements** link to unsubscribe for e-statements.

The Pop-up Message appears. ('Unsubscribe to E-statements - You will stop receiving monthly statements for your card <; Number in masked format> by email at <User's email address >')

(2) Click **Unsubscribe** if users wish to stop receiving monthly statements on registered email address.

(3) Click **Proceed to Unsubscribe**. The success message of request submission appears.

## 5.2 Pre-generated Statement

Pre-generated statements are statements that have been generated by the core banking application, for an account. Through this option, the user can view a statement that was generated previously – he may want to do this if he has missed a past statement for some reason. (Like accidentally deleting e-statements or misplacing his mail in case of a physical copy).

**To download pre-generated statements:**

1. In the **Account Details** screen, click the **Pre-Generated Statement** to download the pre-generated statement.  
Specify the year / month to download the pre-generated statement, in the pop-up screen.

**Pre-generated Statement**

The screenshot shows the ZigBank 'Account Details' interface. A purple header bar contains the ZigBank logo, a search icon, an email icon, and a user profile section with 'Welcome, Bruce Wayne' and 'Last login 29 May 07:22 PM'. The main content area is divided into sections: 'Account Details' (with a dropdown for account selection, balance of £7,800,386.06, and product name 'Savings Account - Regular'), 'Account Info' (with details like account type, currency, and branch), 'Limits' (with overdraft, AUF, and withdrawal limits), and 'Quick Links' (with icons for cheque status, unblock cheque, cheque book request, and request statement). A 'Pre-Generated Statement' pop-up is centered, titled 'View Statement' and asking to 'Select a period to download your pre-generated Statements.' It features dropdowns for 'Year' (set to 2018) and 'Month' (set to All Months), and a 'Search' button.

## 7. Stop/ Unblock Cheque

Cheques are physical instruments used for making payments. After a cheque is issued, a user may want to block payment in case of theft or misplacement of a cheque issued to a payee. For better management of cheques, the application has an online option to stop cheques - so that they cannot be utilized for making payment or cannot be misused.

Stop/ Unblock cheque feature allows user to stop a cheque issued for making payment. User can specify the cheque number and initiate a stop payment. The user will have to select the account number and the cheque number. The cheque number entered will be validated against the account number selected. This is an online request and cheque status will be changed to stop. The User has to specify the reason while stopping the cheque.

User can also specify the cheque range to stop a complete cheque series. Then user can initiate block request for complete cheque series in case cheque book has been lost or misplaced by him. The User has to specify the reason while stopping the cheque series.

Users can unblock already blocked/ stopped cheque by specifying the cheque number or cheque series through the online channel. It is an online transaction and on initiating the unblock transaction, cheques status will be immediately changed to unblocked. Unblocked cheques can be used for making cheque payments.

## **FAQs**

### **1. Who all can view a nickname that a user has set?**

One account can have multiple nicknames set by different users, who have access to that account – however only the logged in user can view the nickname he has set.

### **2. Are nicknames displayed in all places, where an account number is displayed?**

No, Approvers can only view the account number, but not nicknames set by makers. Further Review screens contain the account number (where applicable), but not the nickname.
