3. Savings Account Application

A savings account is an interest-bearing deposit account held at a bank or in a financial institution that yields a modest interest.

The savings account application enables customers to apply for a savings account by providing minimal personal details. As an applicant, you are also provided with the option to customize your account by adding features such as debit card, cheque book, etc.

The application tracker has been built so as to enable tracking of the application once it is submitted. The application tracker also enables the applicant to retrieve and complete an application that has been saved.

Savings Workflow

Following are the steps involved in the account application submission:

- **Applicant Information:** The applicant information sections consist of details such as basic personal information, identity, contact, and employment information of the applicant.
- **Features and Specifications:** In this section, you can customize your account by defining your preferences related to features provided against the account including debit card, cheque book and account statement.
- **Account Funding:** This section is enabled for existing customers i.e. for an applicant who has previously applied for and holds an account with the bank. As an existing customer, you will be provided with the option to fund the account you are applying for, through own account transfer i.e. you can select any of your existing current or savings accounts by which to fund the initial deposit of the new account.
- **Document Upload:** You might be required to provide documents supporting various proofs i.e. proof of identity, address proof, etc. that you have defined as part of the application. This feature enabled you to upload documents supporting these proofs. You can upload multiple documents against a document type.
- **Review and Submit:** This section displays the summary of the application. You can verify details submitted as part of the application and can modify any if required.

- **Confirmation:** This section displays a message confirming that the application has been submitted along with details on and additional steps that might be required to be taken by the applicant or the bank.

All the sections defined above, apart from Review and Submit and Confirmation, will be displayed in the order defined specifically for Savings Account applications by the bank administrator in the workflow configuration screen:

Note: The process type used for integration with UBS is BPEL.

How to reach here:

Dashboard > Savings Accounts

To apply for a savings account:

- Select Savings on the product showcase screen.

3.1 Offer List

The screenshot displays the ZigBank interface for Savings Offers. At the top, there is a dark navigation bar with the ZigBank logo, a hamburger menu icon, and a 'Login' button. Below the navigation bar, there are two dropdown menus: 'Current Entity' and 'Default Business Unit'. The main content area is titled 'Savings Offers' and features two offer cards. The first card is for 'Current Accounts - Regular' and includes an image of a couple holding a piggy bank, an 'Apply' button, and a three-dot menu icon. The second card is for 'Savings Account - Regular' and includes an image of a couple looking at a laptop, an 'Apply' button, and a three-dot menu icon. The footer of the page contains the text: 'Copyright © 2006, 2017, Oracle and/or its affiliates. All rights reserved. | Security Information | Terms and Conditions'.

Savings Account

- Click on the **Apply** option available on the desired offer card. The **Orientation** screen of the specific savings account offer is displayed containing details informing the applicant about the steps involved in the application, details required for application and eligibility criteria.

Save and Complete Later

The screenshot shows a confirmation message on a website. At the top, it says "You Are Applying For Savings". Below that, a white box contains the following text: "Your Savings Account - Regular application has been saved!". Underneath, it provides a submission ID: "Your submission id is : 20129EXXXX". It then states: "You can access your saved application anytime within the next 30 days to complete it. If you do not complete your application within the next 30 days it will expire." Below this is a section titled "Where can I find my saved application ?" with two bullet points: "You can retrieve your saved application via the ZigBank website in the Track Application section." and "You can access your saved applications by providing your login details specified at the time of registration." At the bottom of the white box, there are two buttons: "Track your Application" (in blue) and "Go to Homepage" (in grey).

- Click **Track your Application** to navigate to the application tracker to view the application status.
OR
Click **Go to Homepage** to navigate to the product showcase.

3.16 Existing User

An application form being initiated by an existing user (registered user) will differ from that of one being initiated by a new/unregistered user. If you are applying for a savings account product as an existing user, once you login to the banking system after having entered your login credentials, the application form will be displayed with all your personal details pre-populated in the respective fields and sections. You will, hence, be required to only specify details pertaining to the savings account. The sections that will be pre-populated with your information are Primary Information, Proof of Identity, Contact Information and Employment Information.

4. Application Tracker

The Application Tracker enables you to view the progress of submitted applications and also to retrieve and complete applications that have been saved. Through the application tracker you can perform the following actions:

- **View submitted application:** The application tracker enables you to view details of submitted application which includes viewing status history, application summary and uploaded documents as well as performing any pending tasks required for the processing of the application.
- **View application in draft:** While filling out an application form, if you opt to save the application instead of submitting it, the application is saved in the application tracker as an 'In Draft application'. You can select any of the applications available under this tab in order to complete and submit that application.

To track an application:

- Click **Track Application** on the dashboard. The **Login** screen is displayed.
- Enter the registered email ID and password, click **Login**.
- The **Application Tracker** screen is displayed. By default the submitted application view is displayed.

4.1 Submitted Application – Savings Account

The following details are displayed on a savings account application card under the Submitted tab of the application tracker page. On clicking on a specific card, the details page of that card appears. However, once an application has been completely processed, the card will no longer be clickable.

The screenshot shows a web interface titled "Track Your Application". At the top, there are two buttons: "Submitted" (highlighted in blue) and "In Draft". Below this is a section titled "Submitted Applications". Inside this section, there is a card titled "Savings" which contains the following details:

I am an existing customer of the bank but do not have channel access, how can I proceed?

You can register yourself as a channel user through the 'Register' option available on the portal page and provide the required details.

Can I proceed with the application if I am not an existing channel user?

Yes. You can continue filling in the application details as a guest user and need not necessarily login.

Why do you require the expiry date of my identity proof?

We ask for the expiry date of your identity proof to ensure that you are providing us with a valid proof of identity, one that is currently not expired.
