3. Loans

A loan is nothing but an amount of money that is lent by a bank to a borrower for a certain period of time. Banks charge borrowers interest for the amount lent. Hence, loan accounts are valuable income generating assets for banks. It is therefore important for banks to enrich the end user's loan servicing experience so as to increase user satisfaction and retention. In order to achieve this, banks are constantly making efforts to enhance the online channel banking experience for their users by introducing and revamping loans servicing features on the digital platform.

The application provides a platform by which banks are able to offer their users an enriching online banking experience in servicing their loans.

Users can manage their banking requirements efficiently and effectively through the OBDX self-service channels. The loan module offers users a host of services that include, but are not limited to, viewing their loan account details, schedules and balances and also the facility to make loan repayments.

Features Supported In the Application

The retail loans module of the OBDX application supports the following features:

- Loans Widget
- View Loan Details
- Loan Repayment
- Loan Disbursement Inquiry
- Loan Schedule Inquiry
- Loan Statements
- View Closed Loans
- Installment Calculator and Eligibility Calculator

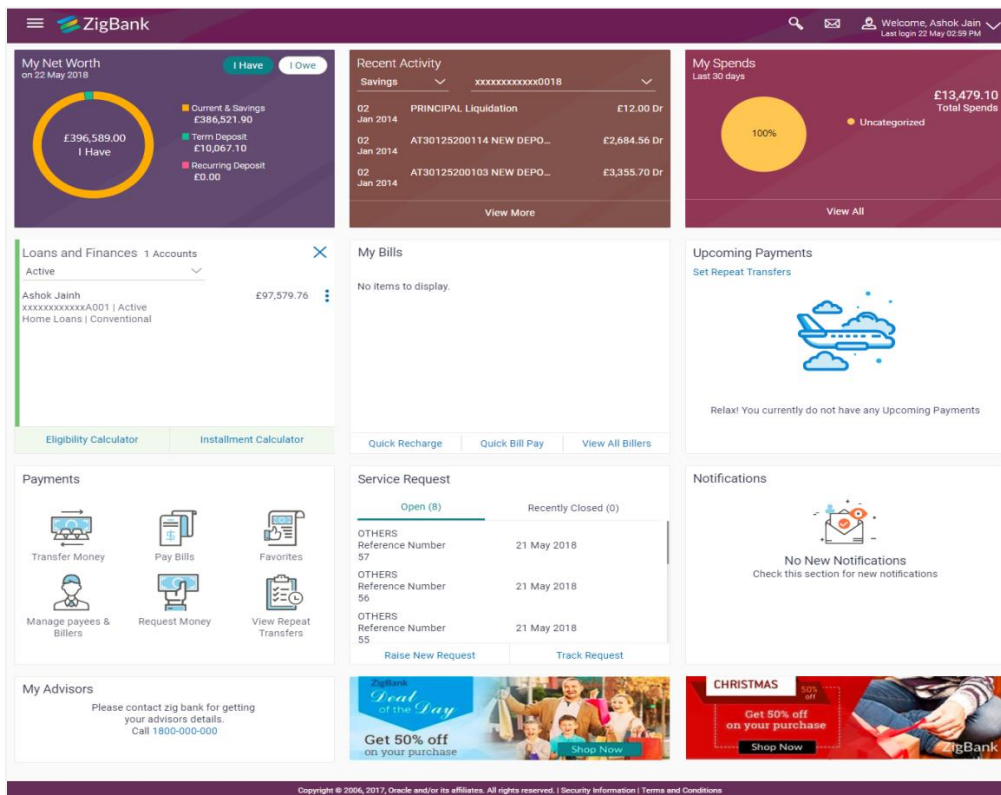

Pre-requisites

- Transaction access is provided to retail user.
- Loan accounts are maintained in the host system under a party ID mapped to the user.

3.1 Overview

The retail overview/dashboard page displays an overview of the user's holdings with the bank as well as links to various transactions offered to the user. The 'My Accounts' widget displays the user's holdings in each account type such as Current and Savings Accounts, Term Deposits, Loans and Credit Cards. On clicking on any account type record, the widget displaying details specific to that account type is displayed. One such widget is the Loans widget which is displayed on selection of account type, 'Loans' under the My Accounts widget.

The loans widget has been designed to showcase the lending profile of a user. By viewing the loans widget, the user should be able to gain an insight into the current position of the loans he holds with the bank.

Loans and Finances Widget Overview

Loans and Finances widget showcases the following:

Active Loans

The loans and finances widget provides the user with the option to view the summary of both the active loans and closed loans individually. On selecting the status option 'Active', all the active loan accounts of the user held with the bank are listed down. Each account is displayed along with the outstanding amount, the name of the primary holder (along with nickname if enabled), the loan offer name, as well as the type of loan i.e. conventional or Islamic. The user is able to view further details and perform various tasks on any loan account by selecting a specific loan from the widget.

Inactive/Closed Loans:

On selecting the status option 'Inactive/Closed', all the loans of the user that have been closed are listed down in the widget. The total number of closed loans is displayed and each loan account is listed along with the name of the primary holder (along with nickname if enabled), the loan offer name, loan type i.e. conventional or Islamic and outstanding balance as zero. The user is able to view further details of any closed loan by selecting a loan from the widget.

Eligibility Calculator:

The loans and finances widget also contains a link for eligibility calculator, by clicking on which, the user can navigate to the loan eligibility calculator. This calculator enables users to compute the amount of loan they are eligible for based on certain criteria.

Installment Calculator:

In addition to the link provided to navigate to the loan eligibility calculator, the loans and finances widget also contains a link for installment calculator, by clicking on which the user can navigate to the loan installment calculator. The installment calculator enables the user to identify the installment amount payable on a loan of a certain amount for a specific duration.

6. Disbursement Inquiry

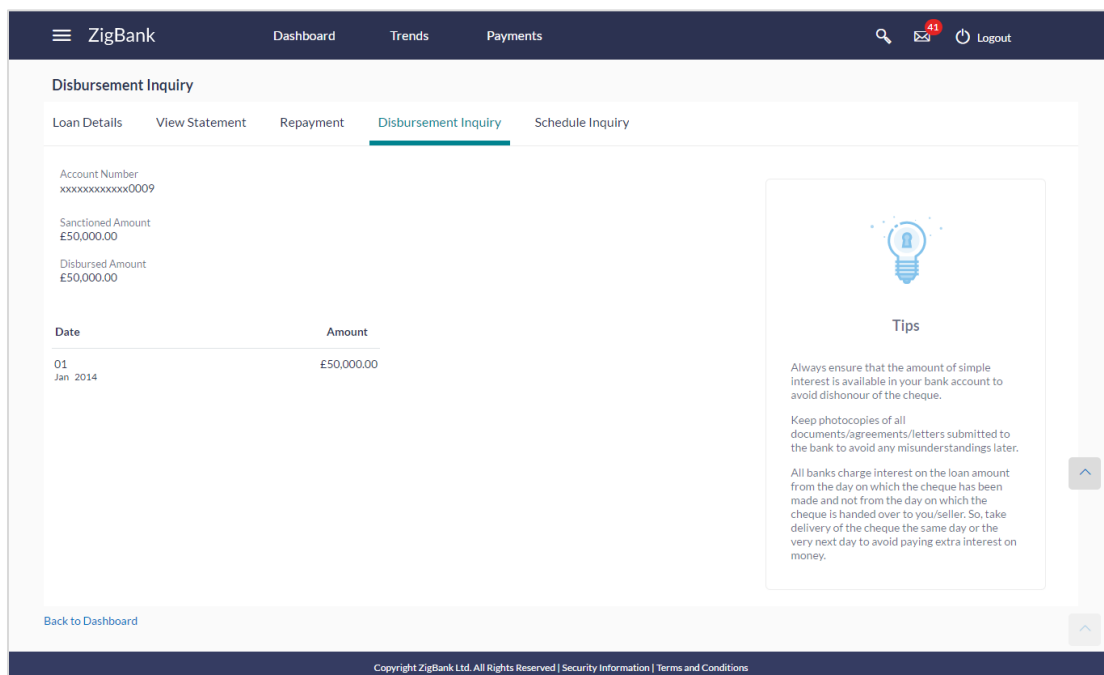

Disbursement of the loan amount depends on the type of loan product availed by the user. Some loan products such as personal loan and auto loan have single disbursement policies. Certain loan products such as housing loan or education loan have multiple disbursement policies.

Especially in case of multiple loan disbursements, the user needs to be aware of the disbursement details of the loan account. This feature allows the user to view the disbursement details such as disbursed amount, disbursal date and sanctioned amount. It helps the user to analyze the current position of the loan account as to how much is disbursed and how much is yet to be disbursed.

How to reach here:

Dashboard > My Accounts > Loans and Finances > More Options > Disbursement Inquiry
OR
Toggle Menu > Accounts > Loans and Finances > Disbursement Inquiry

Disbursement Inquiry

The screenshot displays the ZigBank Disbursement Inquiry interface. At the top, there's a navigation bar with 'ZigBank', 'Dashboard', 'Trends', and 'Payments'. Below this, the 'Disbursement Inquiry' page is shown with tabs for 'Loan Details', 'View Statement', 'Repayment', 'Disbursement Inquiry' (selected), and 'Schedule Inquiry'. The main content area includes:

- Account Number: xxxxxxxxxxxx0009
- Sanctioned Amount: £50,000.00
- Disbursed Amount: £50,000.00

A table shows the disbursement details:

Date	Amount
01 Jan 2014	£50,000.00

On the right, there's a 'Tips' section with a lightbulb icon and text: 'Always ensure that the amount of simple interest is available in your bank account to avoid dishonour of the cheque. Keep photocopies of all documents/agreements/letters submitted to the bank to avoid any misunderstandings later. All banks charge interest on the loan amount from the day on which the cheque has been made and not from the day on which the cheque is handed over to you/seller. So, take delivery of the cheque the same day or the very next day to avoid paying extra interest on money.'

At the bottom left, there's a 'Back to Dashboard' link, and at the bottom right, there's a 'Copyright ZigBank Ltd. All Rights Reserved | Security Information | Terms and Conditions' footer.

9. Closed Loans

Users should be able to view details of all loans held with the bank including those that are currently closed. The dashboard, hence, displays a widget containing a summary of such closed loan accounts. The account details page of closed accounts displays information similar to that of active loans. Additional features available on the details page of active loans such as the facility to view loan schedule, disbursement details or repay the loan are not available on the closed loans details page.

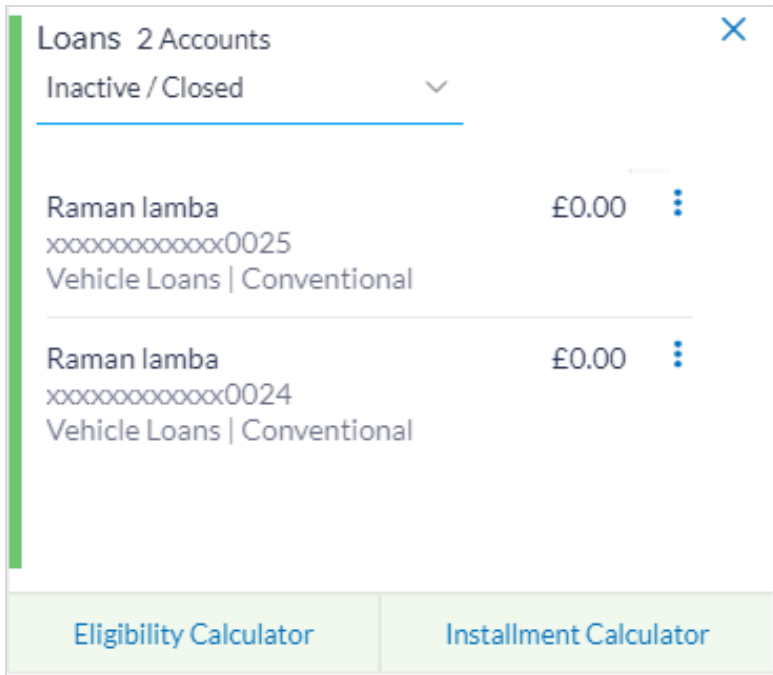

How to reach here:

Dashboard > My Accounts > Loans and Finances > Inactive / Closed

To view closed loan card details:

1. Select the option **Inactive/Closed** from the provided filter option on the loans widget.
2. All the closed loans cards held by a user are displayed.

10. Installment Calculator And Loan Eligibility Calculator

The application provides users with two types of loan calculators – Installment Calculator and Eligibility Calculator.

Installment calculator enables users to identify the installment amount payable on a loan of a certain amount for a specific duration. This calculator is beneficial to users as it gives the user an opportunity to identify whether applying for a loan for a specific amount and duration is preferable or not.

Loan eligibility calculator enables users to compute the amount of loan that they are eligible for based on their monthly income and expenses and also the desired loan tenure and estimated interest rate.

How to reach here:

Dashboard > My Accounts > Loans and Finances > Installment Calculator

OR

Dashboard > My Accounts > Loans and Finances > Eligibility Calculator

Field Description

10.1 Installment Calculator

The loan installment calculator is a simple calculator which identifies the monthly installment amount payable on a loan based on the loan amount, tenure in years and interest percentage.

Installment Calculator

The screenshot displays the ZigBank 'Installment Calculator' interface. At the top, there is a navigation bar with the ZigBank logo and user information: 'Welcome, MUSTUFA GARI' and 'Last login: 15 Nov 05:34 PM'. Below the navigation bar, the page title is 'Installment Calculator'. There are two tabs: 'Eligibility Calculator' and 'Installment Calculator', with the latter being active. The main form contains three input fields: 'Amount' with the value '₹200,000.00', 'For' with the value '5' and the unit 'Years', and '@interest' with the value '7%'. Below these fields, the calculated 'Installment Amount' is displayed as '₹3,960.99'. A green 'Calculate' button is located below the installment amount. A 'Back to Dashboard' link is at the bottom left. On the right side, there is a 'Loan Calculator' sidebar with a blue icon of a calculator and a notepad. The sidebar text reads: 'Getting a Loan from Zig Bank is quick and easy. To ease your burden of paying off the loan immediately, you can opt for the EMI (Equated Monthly Instalment) facility. To estimate your loan instalment amount per month, you can use a loan calculator.' At the bottom of the page, there is a footer with copyright information: 'Copyright © 2006, 2017, Oracle and/or its affiliates. All rights reserved. | Security Information | Terms and Conditions'.
