Chapter 2 - Introduction

Preface

About this guide

This guide helps you to get familiarize with the Credit 360 interface for performing necessary actions in the Credit 360.

Intended Audience

This document is intended for all the users of the Credit Facilities module in Oracle Banking Credit Facilities Process Management (OBCFPM).

Conventions Used

The following table lists the conventions that are used in this document:

Convention	Description
Italic	Italic denotes a screen name
Bold	Bold indicates <ul style="list-style-type: none">• Field name• Drop down options• Other UX labels
	This icon indicates a note
	This icon indicates a tip
	This icon indicates a warning

Chapter 2 - Introduction

Common Icons in OBCFPM

The following table describes the icons that are commonly used in OBCFPM:

Icons	Icon Name
	Add icon
	Calendar icon
	Configuration / settings icon
	Delete icon
	Edit icon

Chapter 2 - Overview

About Credit 360

Credit 360 in OBCFPM is a smart interface designed to track all the credit related components from single place. The credit related components include facilities, collateral, covenants, terms and conditions, financial profile, etc, that are required to be monitored on a regular basis.

The users with functional access to Credit 360 module can use the same to view information about any of the existing customers. The information displayed in Credit 360 help the user to take necessary business decision such as increase or decrease the credit limit.

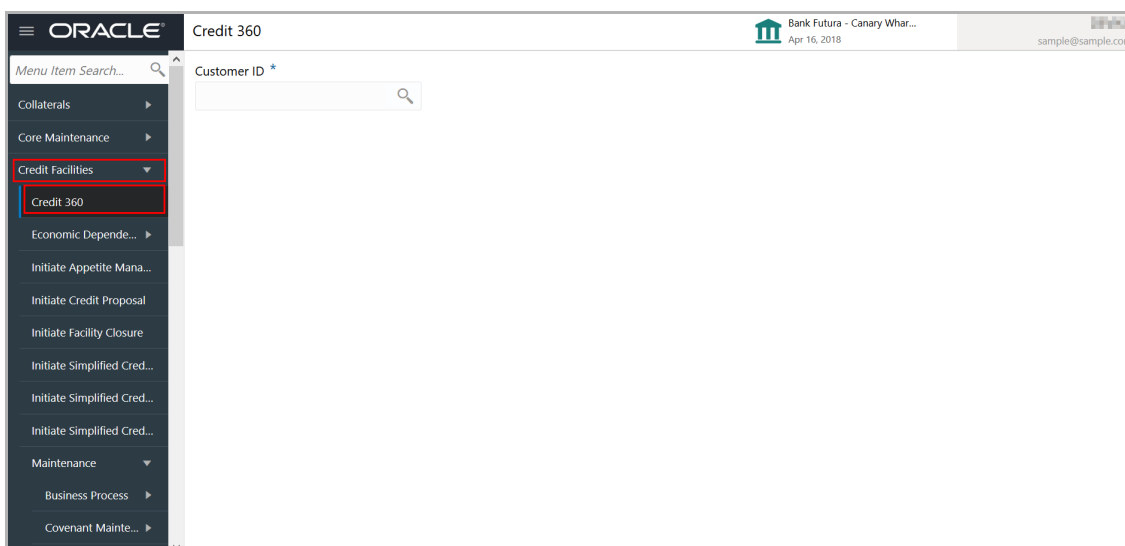

Chapter 2 - Customer Credit 360

Customer Credit 360

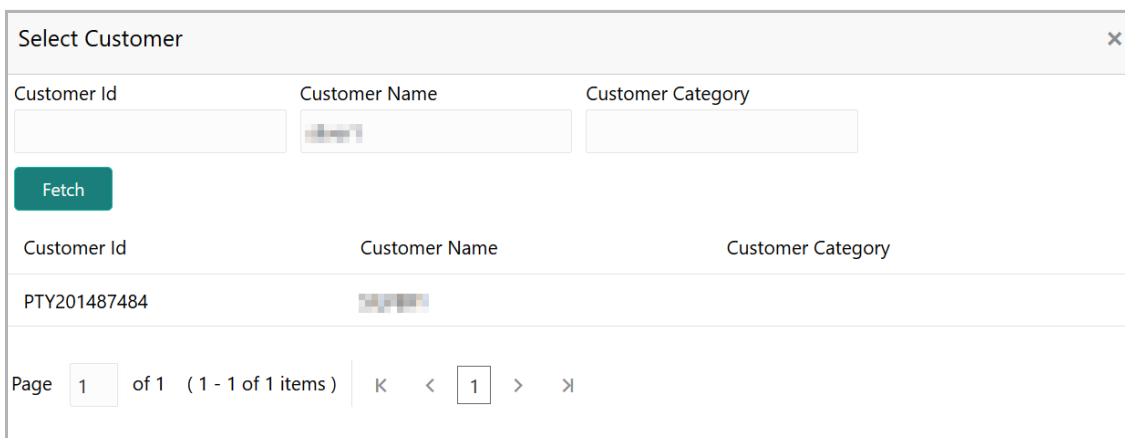

You can view Credit 360 information for all the existing customers to whom the facility is provided by the bank.

To view the Credit 360 of required customer, perform the following steps:

1. Navigate to **Credit Facilities > Credit 360** from the left menu. The *Credit 360* page appears.

2. Click the search icon. The *Select Customer* window appears.

3. Type any of the following details:
 - Customer Id
 - Customer Name
 - Customer Category
4. Click **Fetch**. The *Customer Credit 360* page appears.

Customer Information

This tile displays the basic information about the selected customer.

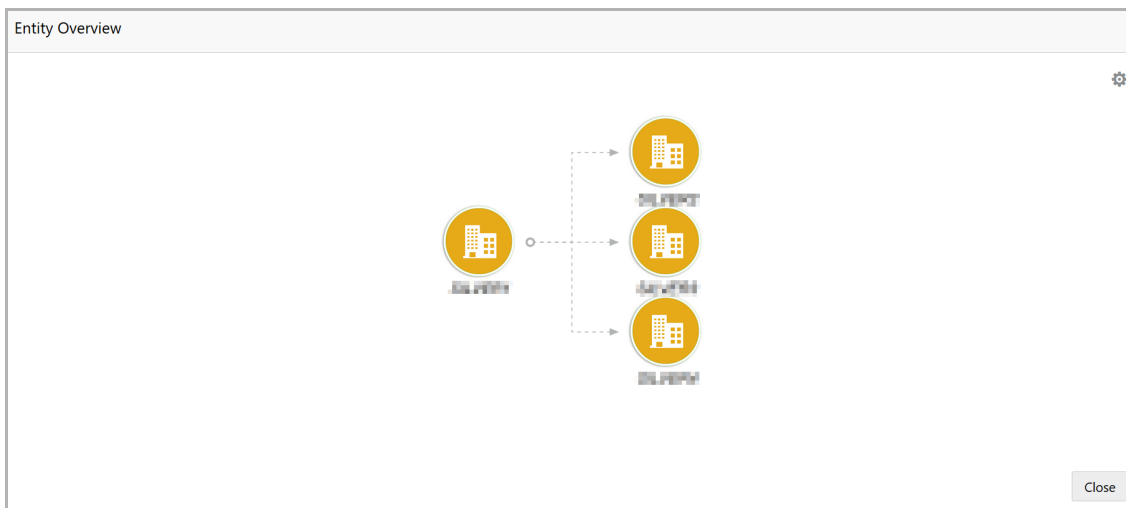

The screenshot shows a dark-themed 'Customer Information' tile. At the top, it says 'Customer Information' with a refresh icon on the right. Below that, a line of text reads: 'A Domestic entity established & operating as a Proprietorship Company in'. Underneath, there are several data points with icons: 'Customer ID' (PTY201487484), 'Register No' (IN001989087), 'Legal Status' (Proprietorship), 'Liability Amount' (\$22,000,000.00), 'Is KYC Compliant' (No), 'Share Holders' (2), 'Contractors' (2), 'Guarantors' (3), and 'Bankers' (3). Each of the last four items has a blue circle with a white number indicating the count.

5. To view the customer's industry details, click  the industry icon. The *Industry Details* window appears.

Chapter 2 - Customer Credit 360

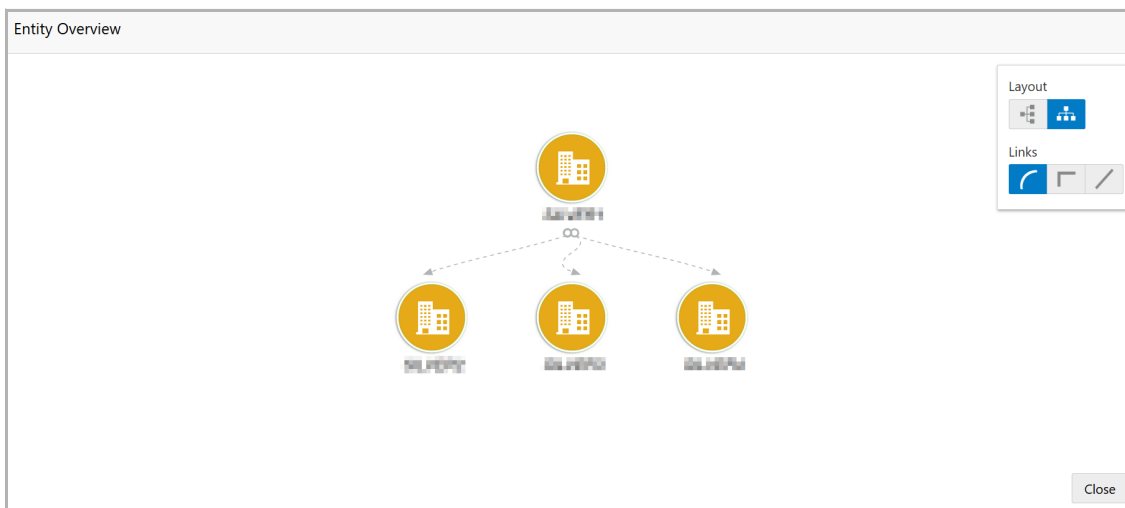

Industry Details			
Sectors	Industry Group	Industries	Sub Industries
Energy	Energy	Energy Equipment	Oil Drilling

- 6. To exit the *Industry Details* window, click **Close**.
- 7. To view the entity overview, click  the tree view icon. The *Entity Overview* window appears.

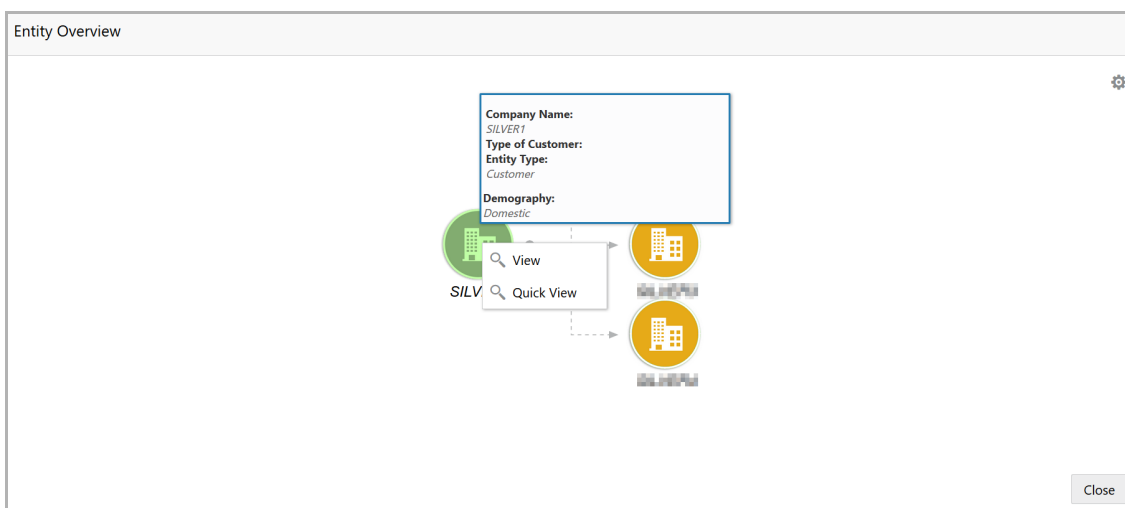

- 8. To change the layout of the entity overview, click the settings icon. Layout options appear as shown below.

Chapter 2 - Customer Credit 360

9. Select the required **Layout** and **Link**. The entity overview is changed to the selected layout.

Mouse hovering on the entity icon displays the basic details about the entity.

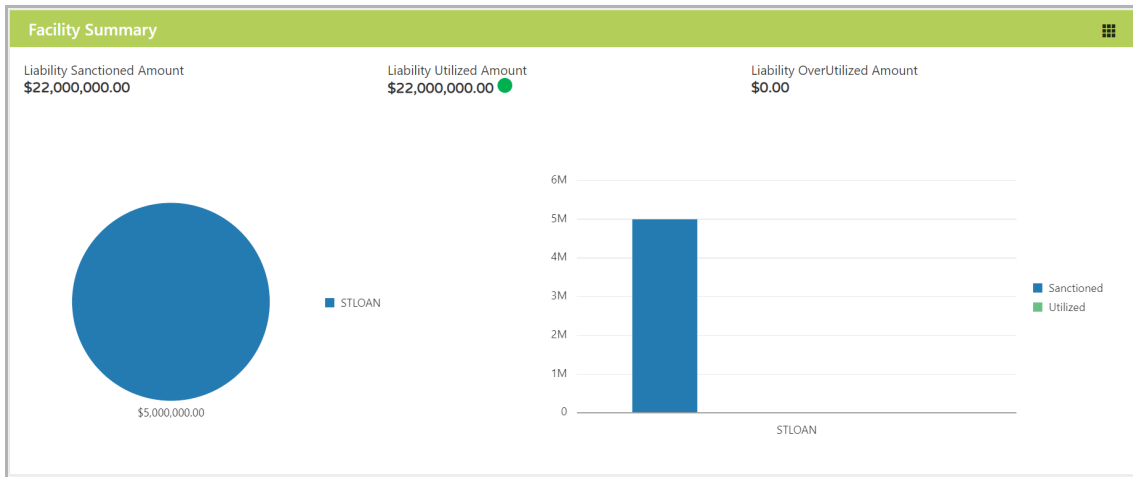

10. To **view** or **Quick View** the entity details, right click the entity icon and select the required option.

11. To exit the *Entity Overview* window, click **Close**.

Facility Summary

This tile displays the amount of liability sanctioned and utilized in all the categories maintained in the system, such as Guarantee, Term Loan, Working Capital, and Letter of Credit, along with the Liability OverUtilized amount.

Chapter 2 - Customer Credit 360

12. To view more information about the specific facility category, click on the required category in the pie chart. The data for the selected category appears.

13. To view further information about the displayed categories, click on the required category in the pie chart.

14. To view the previous category information, click **Facility Level Up**.

15. To view the parent facility, click **Go to Parent Facility**.

16. To view the facility list, click  the table icon. The *Facility List* window appears.

33. Type / select the required filter parameter.

34. Click **Apply**. Other bank facilities that match the filter parameters appear.

35. To change the layout of **Other Bank Facilities** list to table view, click the Table View icon.

36. To view the other bank facility details, click the **Facility Id** in Other Bank Facility list.

Chapter 2 - Customer Credit 360

Pricing

This tile displays details about the pricing added for the facility, such as interest, charges, and commission.

The image shows a 'Pricing' summary tile. At the top, it says 'Pricing' with a table icon. Below that, 'Total Pricing' is shown as 0. Underneath are three sections: 'Interest' (0), 'Charges' (0), and 'Commission' (0). Each section has three buttons: 'Added' (green), 'Modified' (red), and 'Removed' (blue).

37. To view the more information about the pricing, click  the table icon. The *Pricing Details* window appears.

The image shows the 'Pricing Details' window. It has three tabs: 'Interest', 'Commission', and 'Charges'. The 'Interest' tab is selected. Below the tabs, there is a 'Filter' button and a 'Type to filter' text box. A record is displayed with ID '2224' and a 'NEW' tag. The record details are: Component Name: Annual interest, Component Type: Main, Rate Type: Fixed. There is a 'View' link for the record. At the bottom, there is a pagination bar showing 'Page 1 of 1 (1 of 1 items)' and a 'Close' button.

38. To view the **Commission** or **Charges** detail, click the corresponding tab.

39. To filter the required pricing record, click the **Filter** icon and specify the filter parameters or directly type the parameter in the **Type to filter** text box.

40. To change the layout of *Pricing* window to table view, click the **Table view** icon.

41. To view a particular pricing record, click **View** on the record.

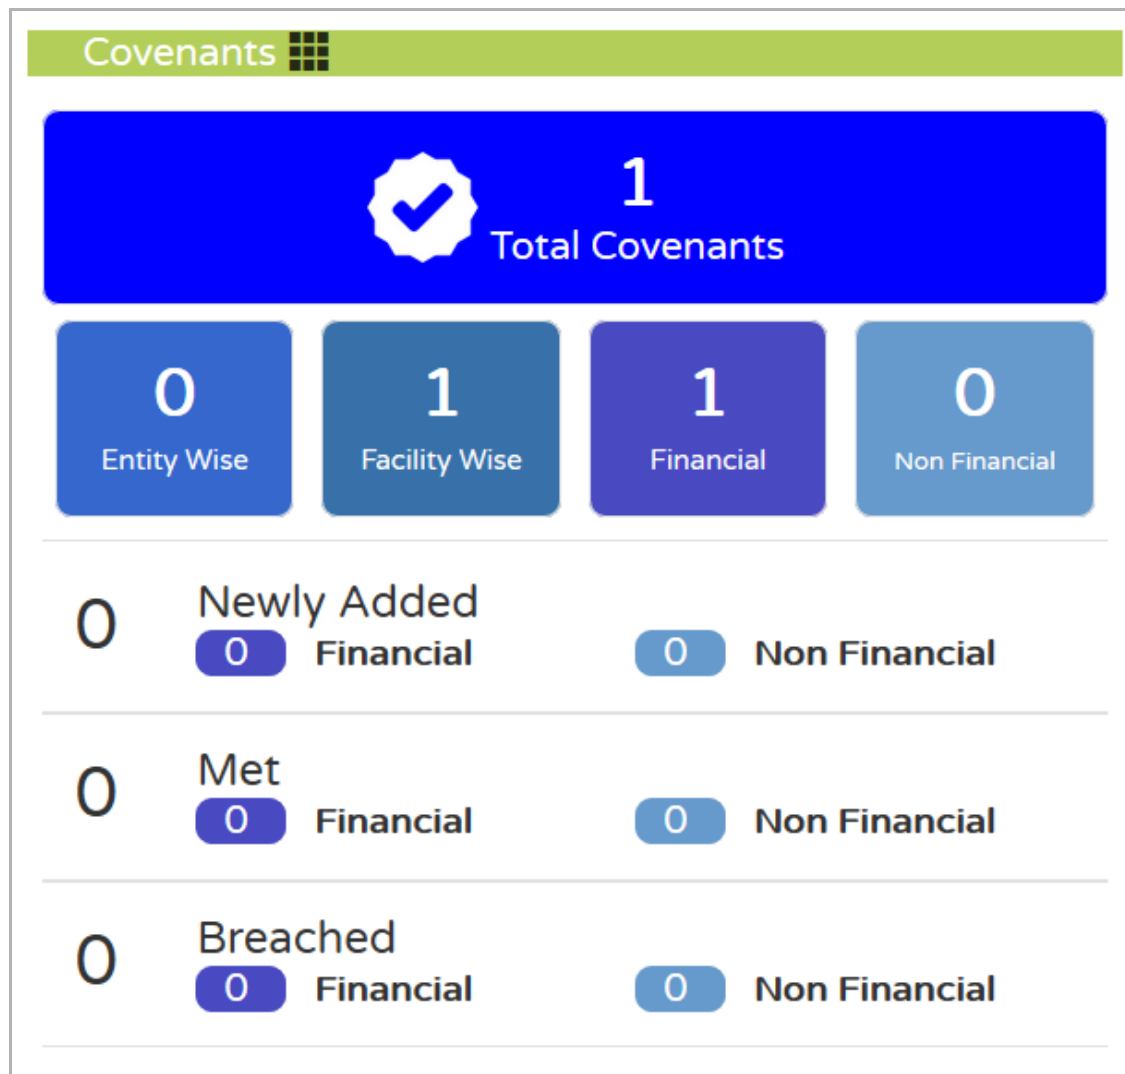

42. To exit the *Pricing* window, click **Close**.

Chapter 2 - Customer Credit 360

Covenants

This tile displays information about the covenants set for the selected customer in the following categories along with the category-wise count of **Newly Added**, **Met**, and **Breached** covenants:

- Entity Wise
- Facility Wise
- Financial
- Non Financial

43. To view the covenant list, click  the table icon. The *Covenant List* window appears.

Chapter 2 - Customer Credit 360

The screenshot shows a window titled "Covenant List". At the top left, there is a "Filter" button with a downward arrow and a text input field labeled "Type to filter" with a clear 'x' icon. To the right of the input field is a blue icon with a grid pattern. Below the filter bar, a red vertical bar is on the left, followed by a small icon of three hands. The main content area displays a list of covenants. The first covenant is titled "MACHINE percentage should be between 35% and 55% with 1000". Below the title, the following details are listed:

Covenant Code	: CV5000051	Covenant Type	: Financial	Start Date	: Sep 19, 2019	Linked Facility	: FAC20200551
Description	: Debt/Equit ...	Frequency	: Custom	End Date	: Dec 4, 2018		
Classification	:	Notice Days	: 15	Next Check Date	: Jul 10, 2019		

At the bottom left, there is a pagination control showing "Page 1 of 1 (1 - 1 of 1 items)" and navigation arrows. At the bottom right, there is a "Close" button.

44. To filter the required covenant, click the **Filter** icon or directly type the first three characters of filter parameter in **Type to filter** text box.

Upon clicking the **Filter** icon, the *Filter* window appears as shown below.
