

Oracle Financial Services Investigation Hub Release 8.1.2.0.0

Oracle Financial Services Investigation Hub (OFS Investigation Hub) is a separately licensed product.

Description

ID **33874159**– OFS Investigation Hub 8.1.2.0.0 Release

This release of OFS Investigation Hub is the major release, and it is based on OFS Compliance Studio.

New Features in this Release

- Fixed security vulnerability issue for input parameters in all notebooks.
- There is no separate installer to import the IH notebooks as Model Drafts through the OFS Compliance Studio, which is available for all the users.
- Review alerts generated by ML models in Investigation Hub:
 - Provide an automated summary of identified patterns
 - Provide investigative guidance based on feature importance
 - Descriptions and impact of model features
 - List of most similar cases to guide the investigator

The following new features are incorporated in this release. For detailed information on using these features, see the [Oracle Financial Services Investigation Hub User Guide 8.1.2.0.0](#).

How to Install this Release

For detailed instructions on installing this OFS Investigation Hub Release, see the [OFS Investigation Hub Installation Guide 8.1.2.0.0](#).
