# 1. Preface

## 1.1 Intended Audience

This document is intended for the following audience:

- Customers
- Partners

## 1.2 Documentation Accessibility

For information about Oracle's commitment to accessibility, visit the Oracle Accessibility Program website at <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=docacc>.

## 1.3 Access to Oracle Support

Oracle customers have access to electronic support through My Oracle Support. For information, visit

<http://www.oracle.com/pls/topic/lookup?ctx=acc&id=info> or visit

<http://www.oracle.com/pls/topic/lookup?ctx=acc&id=trs> if you are hearing impaired.

## 1.4 Structure

This manual is organized into the following categories:

*Preface* gives information on the intended audience. It also describes the overall structure of the User Manual.

*Introduction* provides brief information on the overall functionality covered in the User Manual.

The subsequent chapters provide information on transactions covered in the User Manual.

Each transaction is explained in the following manner:

- Introduction to the transaction
- Screenshots of the transaction
- The images of screens used in this user manual are for illustrative purpose only, to provide improved understanding of the functionality; actual screens that appear in the application may vary based on selected browser, theme, and mobile devices.
- Procedure containing steps to complete the transaction- The mandatory and conditional fields of the transaction are explained in the procedure.

If a transaction contains multiple procedures, each procedure is explained. If some functionality is present in many transactions, this functionality is explained separately.

## 1.5 Related Information Sources

For more information on Oracle Banking Digital Experience Release 19.1.0.0.0, refer to the following documents:

### 3. Term Deposit

Term Deposit is a type of investment where the money is invested at financial institutions for a fixed period of time on which an agreed amount of interest is earned. Unlike regular saving account, interest earned in term deposit is higher. Application enables users to open and manage Term Deposits through its entire life cycle.

The transactions available under the Term Deposit module:

- Deposit Overview
- Deposit Details
- Open New Deposit
- Edit Maturity Instruction
- Top up
- Redemption
- Statement Request
- Term Deposit Calculator

#### Features Supported In Application

#### Pre-Requisites

Maintenances have to be performed for accounts of the Primary Party & the Linked Parties, that the user needs to access either for enquiries or transactions.

- Party preference is maintained (primary and linked parties)
- Corporate users are created.
- Transaction and account access is provided to corporate user (primary and linked parties)
- Approval rule set up for corporate user to perform the actions
- Transaction limits are assigned to user to perform the transaction

[Home](#)

## 4. Term Deposit Accounts Overview

The Term Deposit overview page displays an overview of the customer's holdings with the bank as well as links to various transactions offered to the customer. Term Deposit overview can be accessed via Deposit Overview menu in the application.

The screen allows the user to manage the deposit effectively and efficiently by giving him a holistic view of the Term Deposits that he has access to.

Below are the components of the term deposit overview screen:

- Term Deposits Accounts Overview and Current Position
- Quick Links: New Deposit, Top Up, Redemption, Edit Maturity Instruction, and Statement Request
- Term Deposits Accounts Summary
- Term Deposits Calculator

### How to reach here:

---

**Note:** Click on individual Term Deposit account number to view the respective deposit details.

---

### Term Deposit Calculator

The Term Deposit calculator gives an indication to the user about the interest which will be earned and total value of deposit at maturity. For more information click [here](#).

---

[Home](#)

## 5. New Deposit

The New Deposit page enables the customer to apply for a new term deposit. All the term deposit offerings of the bank are available for selection on this page. The customer can select any product offer in order to apply for a term deposit of choice.

While applying for a term deposit, the customer is required to identify the amount for which the deposit is to be opened and the tenure i.e. the term of the deposit. Additionally, the customer is also required to define maturity instructions and also to select the current or savings account from which funds are to be debited in order to fund the deposit.

5. Click **Download**, to download transaction summary in a specific format.
6. Click on **Pre-generated statement**, to generate a pre-generated statement.  
OR  
Click **Back** to navigate back to previous screen.

You can also initiate following actions using **Deposit Details- Quick Links** section:

- To redeem the term deposit, click **Redemption**.
- To top-up (add additional amount) the deposit, click **Top Up**.
- To modify the maturity instruction, click **Edit Maturity Instruction**.
- To request for statement, click **Request Statement**.

## 6.1 Pre-generated Statement

Pre-generated statements are statements that have been generated by the core banking application, for an account. Through this option, the user can view a statement that was generated previously – he may want to do this if he has missed a past statement for some reason. (Like accidentally deleting e-statements or misplacing his mail in case of a physical copy).

### To download pre-generated statements:

1. In the **Deposit Details** screen, click the **Pre-generated Statement** to view the pre-generated statement.  
The pop-up screen prompting you to download the pre-generated statement appears.

### Pre-generated Statement

The screenshot shows the ZigBank 'Deposit Details' interface. A modal window titled 'Pre-Generated Statement' is open, prompting the user to 'View Statement' and 'Select a period to download your pre-generated Statements.' The modal contains two dropdown menus: 'Year' (set to 2014) and 'Month' (set to All Months), followed by a green 'Search' button. The background shows account details for 'SmartTD' with a balance of £13,962.00, product name 'TD topup', and investment details including an original principal amount of £15,000.00 and a maturity date of 31 May 2019.

### Field Description

Field Name	Description
<b>Period</b>	
<b>Year</b>	The year of the pre-generated statement.
<b>Month</b>	The month of the pre-generated statement.
<b>Statement Number</b>	Statement number assigned to a statement.
<b>From</b>	Start date of the statement.
<b>To</b>	End date of the statement.
<b>Download</b>	Click the link to download the statement.

2. From the **Period** list, select the desired year and month of the pre-generated statement.
3. Click **Search** to search for the statement for the selected period.
4. Click on **Download** column (.pdf) to Save / Print the statement.

## 7. Edit Maturity Instruction

At any point in time, a customer may want to change the maturity instruction set for a term deposit. The Edit Maturity Instruction feature enables a customer to change the maturity instruction that was set at the time the deposit was being opened. Using this option, the customer can change the maturity instruction of a term deposit.

### How to reach here:

*Toggle Menu > Accounts > Term Deposits > Overview > Deposit Details > Quick Links > Edit Maturity Instruction*

*OR*

*Toggle Menu > Accounts > Term Deposits > Edit Maturity Instruction*

### Edit Maturity Instruction

**Edit Maturity Instruction**

Select Account: xxxxxxxxxxxx0058

Balance: £15,000.00, Holding Pattern: Single

Maturity Instruction: Renew Principal and Pay Out the L.

Pay To: Own Account

Transfer Account: xxxxxxxxxxxx0016

Merlin Entertainments Ltd  
Bank Futura - AT3 Branch  
Needal Street  
London  
GREAT BRITAIN

[Save](#) [Back](#)

**Notes**

You can change the maturity instructions set at the time of opening this deposit.

Select Pay out at maturity and update your account details.

If your maturity instruction is to Renew Principal and Interest, it will be reinvested at the interest rate applicable on the maturity date for a deposit of that term and amount.

OR  
Click **Back** to go back to the transaction.
4. The **Review** screen appears. Verify the details and click **Confirm**.  
OR  
Click **Back** to make changes if any. User is directed to **Edit Maturity Instructions – screen** with values in editable form.  
OR  
Click **Cancel** to cancel the transaction.
5. The success message of Edit Maturity Instructions appears along with the transaction reference number.  
Click **Go to Dashboard**, link to navigate to the dashboard.  
OR  
Click **Go To Account Details** link to access the **Deposit Details** screen. [Home](#)

## 8. Top Up

This feature enables a customer to invest some amount, he might have, in an existing term deposit. Customers can top-up an existing term deposit with the desired and permissible top-up amount. The application not only displays the current investment position of the term deposit, but also has the provision to calculate the revised maturity amount, interest rate and total investment. The customer can fund the top-up using any of his current or savings accounts held with the bank.

### How to reach here:

*Toggle Menu > Accounts > Term Deposit > Top Up*

*OR*

*Toggle Menu > Accounts > Term Deposits > Overview > Quick Links > Top Up*

### Top Up

### Field Description

Field Name	Description
<b>Select Account</b>	Account number along with the account nickname of the term deposit for which top-up is to be done. The account number could be either the users own Party account or any linked party accounts that he has access to.
<b>Current Balance</b>	Current principal amount (that is the principal amount before top-up.)
<b>Top-up Amount</b>	Top-up amount
<b>Maximum Deposit amount applicable for Top-up</b>	Application displays the maximum top-up allowed for this product.
<b>Top up amount in Multiple of (X amount with currency)</b>	Application displays the denomination supported for top-up.

Field Name	Description
<b>Revised Principal Amount</b>	Calculated principal amount as on current date after top-up. This field appears, if the user clicks on the Calculate Maturity link
<b>Revised Maturity Amount</b>	Calculated maturity amount after top-up. This field appears, if the user clicks on the Calculate Maturity link
<b>Revised Interest Rate</b>	Interest rate applicable after top-up. This field appears, if the user clicks on the Calculate Maturity link
<b>Source Account</b>	CASA account along with the account nickname mapped to the user. The user can select the account to be debited in order to top-up term deposit. The account could be either the users own Party account or any linked party accounts, which he has access to.
<b>Balance</b>	Application displays the Account balance of the selected source account.

#### To top-up the term deposit:

1. From the **Select Account** list, select the appropriate account.
2. In the **Top-up Amount** field, enter the top-up amount.
3. From the **Source Account** list, select the appropriate option.
4. To add the top-up amount, click **Top Up**.  
OR  
To calculate the revised principal & maturity amount, and interest rate, click **Calculate Maturity**.  
OR  
Click **Back** to navigate back to previous screen.
5. The **Review** screen appears. Verify the details and click **Confirm**.  
OR  
Click **Back** to make changes if any. User is directed to **Top-up Term Deposit– screen** with values in editable form.  
OR  
Click **Cancel** to cancel the transaction.
6. The success message of Top-up Term Deposit appears along with the transaction reference number.  
Click **Go to Dashboard**, link to navigate to the dashboard.  
OR  
Click **Go To Account Details** link to access the **Deposit Details** screen.

---

**Note:** Click **Reset** to clear the entered details (applicable on use of **Calculate Maturity** feature)

## 9. Redemption

In times of financial emergencies, the primary source of funds for most people is their savings and investments. The facility to liquidate funds becomes imperative in such cases. The redeem term deposit feature enables customers to quickly liquidate their term deposits in any such situations. Using this option, the customer can redeem either the entire amount or a partial amount of a term deposit.

Customers can choose to payout the funds from a deposit through any of the following methods:

- Transfer to own account
- Transfer to internal account
- Transfer to a domestic account

### How to reach here:

*Toggle Menu > Accounts > Term Deposit > Redemption*

#### Tips

You can apply to withdraw some or all of the money in a Term Deposit or PIE Term Deposit before the term is up, but you'll be paid a lower interest rate on the money you take out.

There are no account management or transaction fees, however Early Termination Charges apply if you break your standard or PIE Term Deposit early.

## 10. Request Statement

Statement of an account plays an important role for users to know the current position and manage the account effectively. The regular Term Deposit account statements are sent to the customers as per their desired periodicity. In addition, Users can view a brief summary of last few transactions on the deposit overview screen, for the selected term deposit account. Over and above this, through the Statement Request option, the user can request for an ad-hoc account statement. All transactions on the Term Deposit account are shown in chronological order.

### How to reach here:

*Toggle Menu > Accounts > Term Deposits > Overview > Quick Links > Request Statement*

*OR*

*Toggle Menu > Accounts > Term Deposits > Overview > Quick Links > Request Statement*

*OR*

*Toggle Menu > Accounts > Term Deposits > Overview > Deposit Details > Quick Links > Request Statement*

### Request Statement

### Field Description

Field Name	Description
<b>Select Account Number</b>	The term deposit account number along with the account nickname for which account statement to be generated. The account number could be either the user's Party account or any linked party accounts that he has access to.
<b>From Date</b>	The date from which the Term Deposit account statement is required. From Date cannot be greater than To Date.
<b>To Date</b>	The date up to which the account statement is required.

**To request for an ad-hoc physical statement:**

1. From the **From Date** list, select the appropriate start date.
2. From the **To Date** list, select the appropriate end date.
3. Click **Submit**.

OR

Click **Back** to go back to the transaction.

The **Review** screen appears. Verify the details and click **Confirm**.

OR

Click **Back** to modify the details for statement generation. Application navigates to the previous screen.

OR

Click **Cancel** to cancel the transaction.

4. The success message along with the reference number appears.  
Click **Go to Dashboard**, link to navigate to the dashboard.  
OR  
Click **Go To Account Details** link to access the **Deposit Details** screen.

## 11. Term Deposit Calculator

The Term Deposit calculator gives an indication to the user about the interest which will be earned and total value of deposit at maturity if a particular amount is invested with the bank, over a fixed period of time. It calculates the total amount of the term deposit at the time of maturity. The User can compare different products to choose the one that suits him best.

### How to reach here:

*Toggle Menu > Accounts > Term Deposits > Overview > Term Deposit Calculator*

### Term Deposit Calculator

**Term Deposit Calculator**

Amount  
£10,000.00

Years: 5      Months: 6      Days: 30

Interest  
5%

**Calculate**

Total Returns: £13,241.27      Interest Earned: £3,241.27

### Field Description

Field Name	Description
<b>Amount</b>	Principal / deposit amount with default currency.
<b>Frequency</b>	Tenure in terms of Years / Months / Days.
<b>Interest</b>	The rate of interest applicable for the term deposit.
<b>Results</b>	
<b>Total Returns</b>	The total maturity amount.
<b>Interest Earned</b>	The amount of interest accrued till the maturity date.

**To calculate deposit value at maturity:**

1. In the **Amount** field, enter the deposit amount.
2. In the **Frequency** field, enter the relevant information in years, months, and days.
3. In the **Interest** field, enter the rate of interest.
4. To calculate the total maturity amount, click **Calculate**.
5. View the **Total Returns, Principal Amount, and Interest Earned**.

## 12. Account Nickname

User can assign their own description or name for all savings, checking, term deposits, and loan accounts. A nickname is a unique user defined description, for an account. Nicknames will be displayed, along with the account number in all enquiry and transaction screens. This option also allows user to modify or delete the nickname, if required.

### To add nickname to account:

1. Click  **Add Nickname**, to add nickname to an account.
2. In the **ADD Nickname** field, enter the nickname you want to use.

### Add Nickname- Example

The screenshot shows the ZigBank interface. At the top, there's a navigation bar with the ZigBank logo and a user profile section showing 'Welcome, Bruce Wayne' and 'Last login 01 Jan 09:12 PM'. The main content area is titled 'Deposit Details'. It includes a 'Select Account' dropdown menu showing 'xxxxxxxxxxxx0058', a balance of '£13,962.00', and a product name 'TD topup'. Below this, the 'Add Nickname' button is highlighted with a red box. The page also displays 'Investment', 'Current Position', and 'Maturity' details. At the bottom, there's a 'Transactions' table with columns for Date, Description, Reference No, and Amount, showing a list of deposits and redemptions from January 2014.

## **FAQs**

### **1. What is Total Maturity Amount?**

The total maturity amount is the amount that the deposit is worth at the time of maturity.

### **2. Does the application allow the User to redeem a term deposit before the maturity date?**

Yes, it is possible to redeem the term deposit before the maturity date, through the application provided the facility is supported for a product under which the term deposit account is opened.

### **3. Does the application allow partial redemption from term deposit account?**

Yes, depending on the term deposit product type, the user can perform partial redemption of his Term Deposit online.

### **4. What happens to my term deposit at maturity?**

This will depend on the maturity instructions defined by you at the time the deposit was opened. Based on your selection at that point, at the time of maturity, the deposit would either be renewed or the amount will get credited to a specified account. If the funds are to be withdrawn at maturity, you can provide the details of the account to which the maturity proceeds are to be credited.

### **5. Can I add funds to my term deposit?**

If the term deposit product has a facility for top up, then an option will be provided to add funds into the term deposit. The maximum amount with which you can top up the deposit will be defined by the bank and displayed on the top up page.

### **6. Who all can view a nickname that a user has set?**

One account can have multiple nicknames set by different users, who have access to that account – however only the logged in user can view the nickname he has set.

### **7. Are nicknames displayed in all places, where an account number is displayed?**

No, Approvers can only view the account number, but not nicknames set by makers. Further Review screens contain the account number (where applicable), but not the nickname.
