3. Term Deposit

Islamic Banking is a Banking system that is based on the principles of sharia (Islamic law) and guided by the Islamic economics. The Shariah Laws provide guidance on each and every aspect of human life, and the laws which govern and guide financial and commercial transactions define Islamic Banking activities.

As the name suggests, a Term Deposit is a deposit held at a bank for a fixed term, generally ranging from a few days to a few years. Islamic Term deposit account offers a competitive return that varies according to the investment period that customer selects. Islamic Term deposits solutions offers their customers the returns based on the principle of profit-sharing.

Customers opt to invest in term deposits as they are a safe and secure mode of investment and yield higher returns than regular checking or savings accounts.

Pre-requisites

- Transaction access is provided to retail customers.
- Islamic Term Deposit products and accounts are maintained in the core banking system under a party ID mapped to the customer.

Features Supported In the Application

The Retail Islamic Term Deposit module of the application supports the following features:

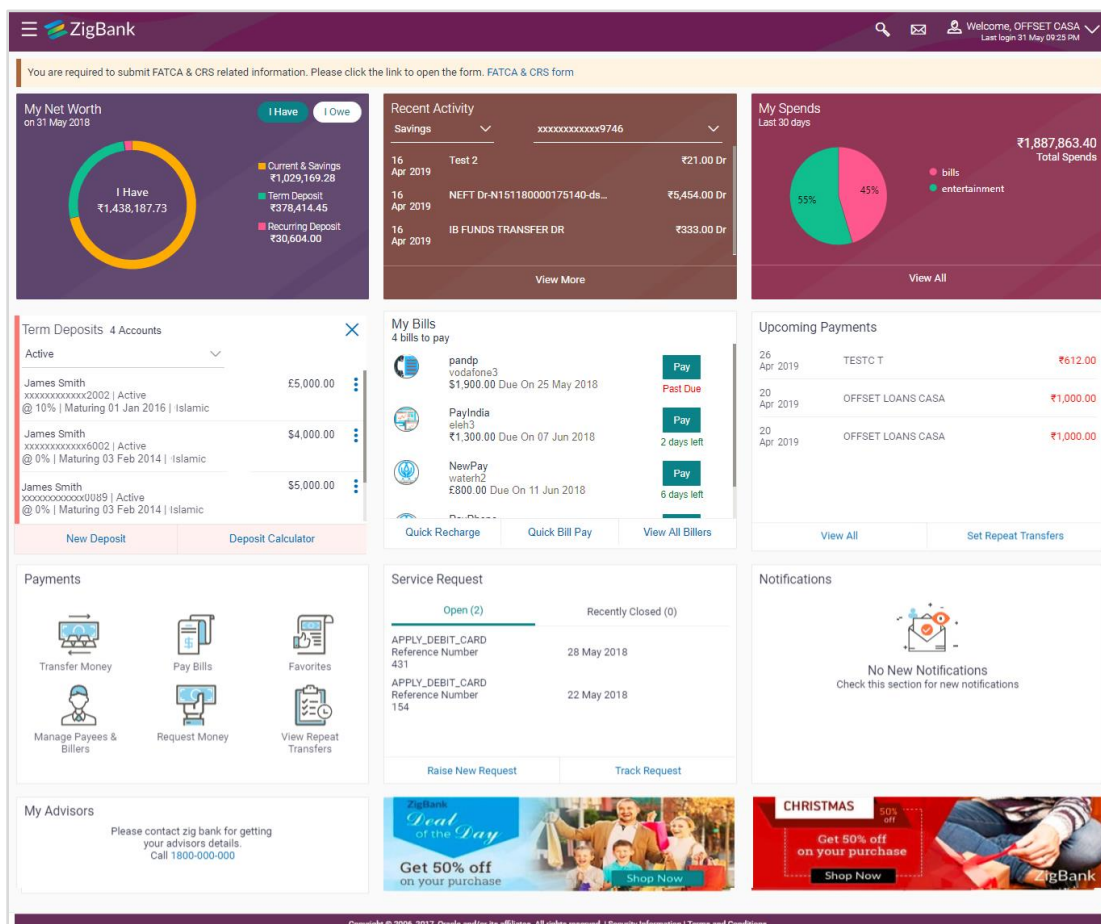

- Term Deposits Widget
- View Term Deposit Details
- Edit Maturity Instructions
- Redeem Term Deposit
- View Term Deposit Statement
- Request Statement
- Apply for a New Term Deposit
- View Closed Deposits

3.1 Term Deposits Widget - Overview

The retail overview/dashboard page displays an overview of the customer's holdings with the bank as well as links to various transactions offered to the customer. 'My Accounts' widget displays the customer's holdings in each account type such as Current and Savings Accounts, Term Deposits, Loans and finances and Credit Cards. On clicking on any account type record, the widget displaying details specific to that account type is displayed. One such widget is the Term Deposits widget which is displayed on selection of account type, 'Term Deposits' under the My Accounts widget.

The term deposits widget displays basic details of each deposit such as the deposit account number and name of the primary account holder, amount of deposit, profit rate applicable as well as maturity date of each deposit. Additionally, if the customer holds both Islamic and Conventional term deposits, the deposit type (Islamic or Conventional) is defined against each deposit. On selecting any term deposit from this widget, the customer is provided with the options to view further details, view statement or redeem the deposit. By default, this widget displays the customer's active term deposits. Whereas a customer can opt to view the closed deposits on this widget by selecting the provided option. The total number of active or closed term deposit accounts (depending on which are being viewed) is also displayed on the widget.

In addition to displaying records of the customer's deposits, this widget also displays options by which the customer can open a new deposit or view the deposit calculator.

Term Deposits Widget Overview

The term deposits widget features the following:

- **Active Term Deposits:** All the active term deposits of the customer are listed down with basic details such as the deposit account number (masked), the name of the primary account holder, the deposit amount, profit rate and maturity date as well as type of deposit i.e. conventional or Islamic. Further options to view deposit details or statement and to perform top up (only for conventional deposits) or redemption are provided on selection of any term deposit account.
- **Inactive / Closed Term Deposits:** The customer is also provided with the option to view all the term deposits that are closed. On selecting this option, all the closed or inactive term deposits of the customer are listed down. The customer can view further details of a closed deposit by selecting any closed deposit account record.
- **New Deposit:** The customer can click on the link provided in this widget to apply for a new term deposit. On clicking on the link, the screen on which the customer can setup a new deposit is displayed.
- **Deposit Calculator:** By clicking on this option, the customer is able to navigate to the term deposit calculator page. (The details are derived based on the calculation logic set with in OBDX – currently applicable for conventional Term Deposits)

7. Redemption

In times of financial emergencies, the primary source of funds for most people is their savings and investments. The facility to liquidate funds becomes imperative in such cases. The redeem term deposit feature enables customers to quickly liquidate their term deposits in any such situations.

Using this option, the customer can redeem either the entire amount or a partial amount of a term deposit.

Customers can choose to payout the funds from a deposit through any of the following methods:

- Transfer to own account
- Transfer to internal account
- Transfer to a domestic account

Tips

You can apply to withdraw some or all of the money in a Term Deposit or PIE Term Deposit before the term is up, but you'll be paid a lower interest rate on the money you take out.

There are no account management or transaction fees, however Early Termination Charges apply if you break your standard or PIE Term Deposit early.

FAQs

1. What is the advantage of assigning a nickname to an account?

You can personalize your account by giving it a nickname. This way you will be able to easily identify it.

2. Can I modify the term deposit details?

Yes, you can modify the maturity instructions defined for your term deposit as well as top up the deposit amount. Both these options are provided on the Term Deposit Details screen.

3. What happens to my term deposit at maturity?

This will depend on the maturity instructions defined by you at the time the deposit was opened. Based on your selection at that point, at the time of maturity, the deposit would either be renewed or the amount will get credited to a specified account. If the funds are to be withdrawn at maturity, you can provide the details of the account to which the maturity proceeds are to be credited.

4. Can I redeem the term deposit before the maturity date?

Yes, depending on the bank's offerings, it is possible to redeem the term deposit amount either partially or fully before the maturity date.

5. Can the maturity amount be credited into my account held with another bank?

Yes, it is possible to setup instructions to credit the maturity amount into another bank account.
