3. Recurring Deposits

A Recurring Deposit is a special kind of Deposit offered by banks. It is an investment plan in which investments are made in small installments at fixed intervals systematically. Customers of the Bank makes regular deposits and are entitled to earn fixed returns on their investment.

It is a deposit held at a bank for a fixed term, generally ranging from a month to a few years – term range depends on the product type) If compared to regular savings accounts, the interest earned on recurring deposit is higher.

Customers opt to invest in recurring deposits as they are a safe and secure mode of investment and yield higher returns than regular checking or savings accounts.

Pre-requisites

- Recurring Deposit products are maintained in the Core Banking Application
- Recurring Deposit products are enabled for specific User type
- Transaction access is provided to retail customers.
- Recurring Deposit accounts are maintained in the Core system under a party ID mapped to the customer.

Features Supported In the Application

The retail module of the application supports the following features:

- Apply for a New Recurring Deposit
- View Recurring Deposit Details
- Edit Maturity Instruction
- Redeem Recurring Deposit
- View Recurring Deposit Statement
- Request Statement
New Recurring Deposit page enables the customer to book a new recurring deposit account. The multiple Recurring Deposit products are maintained at bank level. The customer can select any product offer in order to apply for a recurring deposit of choice.

While applying for a recurring deposit, the customer is required to identify the installment amount for which the deposit is to be opened, the tenure i.e. the term of the deposit and the holding pattern i.e. single or joint. Additionally, the customer is also required to select the current or savings account from which funds are to be debited in order to fund the deposit.

In case of joint accounts, Recurring Deposit is booked by default on joint name if single holding pattern is not selected by the customer. It also allows customer to select the holding pattern to singly for creating a new RD so that he/she can liquidate my Recurring Deposit's online conveniently.

In case of single RD account, customer can also add a nominee in the recurring deposit who will be entitled to receive the money upon death of the account holder.

**Note:** It is mandatory to update the PAN number (valid for India specific region):
- If the customer creates a new recurring deposit installment of value more than or equal to Rs. 50,000.
- If at any given point of time while creating a new recurring deposit the cumulative deposits (Fixed plus recurring) for a customer in that financial year is more than Rs. 5,00,000.

In times of financial emergencies, the primary source of funds for most people is their savings and investments. The facility to liquidate funds becomes imperative in such cases. The redeem Recurring Deposit feature enables customers to quickly liquidate their Recurring Deposit in any such situations.

Using this option, the customer can redeem the entire amount of a recurring deposit. On premature closure of your Recurring Deposit, interest will be paid as per the rate of interest applicable for the tenure during which the deposit was kept with subject to penal rates as applicable.

Customers can choose to payout the funds from a deposit through any of the following methods:

- Transfer to own account
- Transfer to internal account
- Transfer to a domestic account
- Transfer to an international account

A user may wish to assign nicknames to deposit accounts so as to be able to easily identify them. The **Add/Edit Nickname** feature enables users to easily assign nicknames to any deposit account. Once a nickname is assigned to an account, it is displayed on various transactions in addition to the standard account description. This option also allows users to modify or delete the nickname whenever required.

The customer can access this option by selecting the Add/Edit Nickname option from the kebab menu.

**How to reach here:**

Dashboard > Toggle menu > Menu > Accounts > Recurring Deposits > Recurring Deposits Details > kebab menu > Add/Edit Nickname

**To add/edit nickname against a deposit account:**

1. Click on the icon on the screen, and click **Add/Edit Nickname** option to add/edit nickname against a term deposit account. The **Add/Edit Nickname** popup appears.
