## 3. Application Tracker

The application tracker enables all applicants (existing customers of the bank as well as prospect customers) to track the applications that they have submitted and also to retrieve and continue applications that are in draft. Additionally, the application tracker will also list the applications that have been completely processed and those that have been cancelled by the customer.

All applications i.e. those that have been submitted, saved and also completely processed or cancelled by the applicant will be listed in the application tracker only for a certain duration as defined by the bank.

As a prospect customer of the bank, you can login to the application tracker by entering the mobile number that you had provided in the mobile verification step of the application form. You will receive an OTP as an SMS on this number and post successful verification, will be navigated to the application tracker landing page.

Existing customers can login by entering their online banking login credentials.

### How to reach here:

*Bank Portal Page > Product Offerings > **Track or complete applications***

OR

*Bank Portal page > toggle menu > Menu > Our Products > Product Offerings > **Track or complete applications***

### To access the application tracker from the bank portal page:

1. Click **Track or complete applications** under the **Product Offerings** section on the Bank Portal.  
The application tracker login screen is displayed.

## 3.1 Application Tracker - Login

## 3.2 Application Tracker- List of applications

Your applications will be displayed as cards on this page and will be categorized as follows:

- **Your Submitted Applications:** This section will list down all the product applications that you have submitted to the bank. Only those applications that are currently being processed by the bank will be listed under this section.
- **Your Saved Applications:** While filling out an application form, if you opt to save the application instead of submitting it, the application is saved in the application tracker as an 'In Draft application'. All these applications will be listed under the **Your Saved Applications** section and you can retrieve and complete any of these applications.
- **Your Processed Applications:** This section will list down all the applications that have been processed successfully (account opened or loan sanctioned) or that have been rejected by the bank. This section will also list all the applications that have been cancelled by the applicant.

Additionally, you will also be able to initiate new product applications by clicking the **Start a new application** button provided on this page. On clicking on this button, you will be navigated to the **Product Showcase** which will list down all the product categories that are supported for online applications.

---

**Note:**

- 1) Each section on this page will be displayed only if there are applications that fall under the specific categories. E.g. if you do not have any existing applications in draft, the Your Saved Applications section will not be displayed.
  - 2) Applications under any of the three categories will no longer be displayed after a certain time depending on the purging rule defined.

## **FAQ**

- 1. In case my application is saved as a draft, can I request a bank executive to complete this application on my behalf?**

Only you can resume and complete a draft application.

- 2. For how long I can access and resume my applications that are saved as drafts?**

This is based on the Bank's purging policy. The draft applications will be available for x days in the application tracker before they are purged by the bank.

- 3. Can I view the offer provided by the bank against my application?**

As of now, this option is not available on the digital platform.

- 4. Can I cancel one of the product applications that has been submitted as part of a bundled application?**

No. Currently, it is not possible to cancel a specific product application that is part of a bundled application. You can however, cancel the entire bundled application, if you wish to do so.

- 5. Can I negotiate with the Bank, if I am not happy with the offer provided by the Bank?**

No, offer negotiation is not allowed from the digital platform.
