## 3. Term Deposit

As the name suggests, a Term Deposit is a deposit held at a bank for a fixed term, generally ranging from a month to a few years. If compared to regular savings accounts, the interest earned on a term deposit is higher.

Customers opt to invest in term deposits as they are a safe and secure mode of investment and yield higher returns than regular checking or savings accounts.

### Pre-requisites

- Transaction access is provided to retail customers.
- Term Deposit accounts are maintained in the host system under a party ID mapped to the customer.

---

**Note:** In application

1) Account searchable drop-down will allow user to search the account number basis on the Account Number, Account Name, or Account Currency.

2) Bank can configure the fields to be shown as additional values in the accounts drop-down.

---

### Features Supported In the Application

The retail module of the application supports the following features:

- Overview Widget
- View Term Deposits Summary
- View Term Deposit Details
- Edit Maturity Instructions
- Top Up Term Deposit
- Redeem Term Deposit
- View Term Deposit Statement
- Request Statement
- Apply for a New Term Deposit
- Calculate Deposit Maturity Amount

### 3.1 Overview Widget

The retail overview widget displays an overview of the customer's holdings with the bank. The **Overview** widget displays the customer's holdings in each account type such as Current and Savings Accounts, Term Deposits, Loans and Credit Cards. On clicking on any account type record, the widget displays details specific to that account type. One such example is that of **Term Deposits**. On selection of account type **Term Deposits**, details of the term deposit accounts held with the bank are displayed. This includes a summary of both Islamic and Conventional active term deposit accounts held by the customer along with the basic details of each term deposit such as the term deposit account number, current balance, maturity amount and date. General details such as the total count of term deposit accounts, the total current balance, the total principal and maturity amounts across all term deposits held with the bank, are also displayed.

By clicking on a specific term deposit card, the user is able to navigate to the **Term Deposit Details** page on which he can view the details of the selected term deposit account.

#### How to reach here:

*Dashboard > Overview Widget > Term Deposits*

The screenshot displays the 'Overview' section for Term Deposits. It features a navigation bar with 'Term Deposits' selected. Summary statistics include 5 term deposits, a current balance of EUR24,476.40, a principal amount of EUR25,000.00, and a maturity amount of EUR32,993.56. A detailed card for a specific term deposit shows an account number ending in 0081, a current balance of EUR4,850.40, a maturity amount of EUR8,520.58, and a maturity date of 03 Jul 2023.

## 5. New Term Deposit under Oracle FLEXCUBE Core Banking

The New Deposit page enables the customer to apply for a new term deposit. All the term deposit offerings of the bank are available for selection on this page. The customer can select any product offered in order to apply for a term deposit of choice.

While applying for a term deposit, the customer is required to identify the amount for which the deposit is to be opened, the tenure i.e. the term of the deposit and the holding pattern i.e. single or joint. Additionally, the customer is also required to define maturity instructions and also to select the savings account from which funds are to be debited in order to fund the deposit.

In certain cases, such as specific to India region, banks might require the customer to specify his/her PAN (Permanent Account Number) while applying for a new term deposit. These could be mandatory if the customer is creating a new term deposit that exceeds a value defined by the bank or if, at any given point in time, while creating a new term deposit, the cumulative value of the deposits (Fixed as well as Recurring Deposits) held by the customer exceeds a certain amount.

The retail user will get only the corresponding products to choose from while creating the term deposit.

The term deposit offerings of the bank available are:

1. Opening conventional Term Deposit account
2. Opening RFC Term Deposit account
3. Opening TD account for NRI customers:
  - Opening NRO TD account
  - Opening NRE TD account
  - Opening FCNR TD account

However retail user with NRE CASA account can open a NRE TD and FCNR TD while the RFC CASA holders can open only RFC TD, and NRO CASA holders can open NRO TD accounts respectively.

---

**Note:** The Product mapping should be done for the user segment, so that concerned TD products are available for the user.

---

### How to reach here:

*Dashboard > Toggle Menu > Menu >Accounts > Term Deposits > New Term Deposit*  
*OR*

*Access through the kebab menu of transactions available under the **Term Deposits** module*

## 5.1 New conventional Term Deposit

The retail user can open new conventional term deposit account based on the CASA accounts he has.

## 5.4 New FCNR Deposit

The NRI customers can open Foreign Currency Non-Resident (FCNR) term deposit account from the respective CASA accounts in different currencies like US Dollar, UK Pound, Canadian Dollar, Deutsche Mark, Japanese Yen, and Euro. These deposits serve the dual purpose of tax savings and safety from currency fluctuations for the customers.

The retail user with NRE account, can open a FCNR term deposit account only. In case of premature withdrawal from term deposit, the maturity amount goes to NRE account with same currency.

### New FCNR Deposit

The screenshot shows the 'New FCNR Deposit' form in the Oracle FLEXCUBE Core Banking system. The form is titled 'New FCNR Deposit' and includes sections for 'Deposit Details', 'Maturity Details', and 'Add Nominee'. The 'Deposit Details' section includes fields for Source Account (XXXXXXXXXX0097), Term Deposit Product (TD for Fixed Interest rate without TopUp), Deposit Amount (EUR20,000.00), and Deposit Tenure (5 Years, 3 Months, 1 Day). The 'Maturity Details' section includes Maturity Instruction (Close on Maturity), Pay To (Internal Account), Account Number (\*\*\*\*\*), and Confirm Account Number (344556). The 'Add Nominee' section has radio buttons for 'No' (selected) and 'Yes'. A 'Note' box on the right side of the form provides information about the bank's deposit schemes and the mandatory PAN requirement for deposits above a certain threshold. The form also includes 'Submit' and 'Cancel' buttons at the bottom.

## 6. Redemption under Oracle FLEXCUBE Core Banking

In times of financial emergencies, the primary source of funds for most people is their savings and investments. The facility to liquidate funds becomes imperative in such cases. The redeem term deposit feature enables customers to quickly liquidate their term deposits in any such situations.

Using this option, the customer can redeem either the entire amount or a partial amount of a term deposit.

Customers can choose to payout the funds from a deposit through any of the following methods for premature withdrawal or full redemption:

- Transfer to own account
- Transfer to internal account
- Transfer to a domestic account
- Transfer to international account

---

**Note:** Transfers to only Own and Internal Accounts are supported when the host is Oracle FLEXCUBE Core Banking.

---

In case of premature withdrawal or on deposit maturity of Term Deposit, the following transfers are permitted:

- Conventional term deposit transfer is permissible to Current and Savings account with same local currency
- RFC term deposit transfer is permissible only to RFC accounts with same currency
- NRE term deposit transfer is permissible only to NRE account or its international account
- NRO term deposit transfer is permissible only to NRO account with same currency
- FCNR term deposit transfer is permissible only to NRE account with same currency

## 7. New Term Deposit under Oracle FLEXCUBE Universal Banking

The New Deposit page enables the customer to apply for a new term deposit. All the term deposit offerings of the bank are available for selection on this page. The customer can select any product offer in order to apply for a term deposit of choice.

While applying for a term deposit, the customer is required to identify the amount for which the deposit is to be opened, the tenure i.e. the term of the deposit and the holding pattern i.e. single or joint. Additionally, the customer is also required to define maturity instructions and also to select the current or savings account from which funds are to be debited in order to fund the deposit.

Certain cases, specific to India region, might require the customer to specify his/her PAN (Permanent Account Number) while applying for a new term deposit. These could be if the customer is creating a new term deposit that exceeds a value defined by the bank or if, at any given point in time, while creating a new term deposit, the cumulative value of the deposits (Fixed as well as Recurring Deposits) held by the customer exceeds a certain amount.

The term deposit offerings of the bank available are:

1. Opening conventional Term Deposit account

## **FAQs**

### **1. What is the advantage of assigning a nickname to an account?**

You can personalize your account by giving it a nickname. This way you will be able to easily identify it.

### **2. What is Total Maturity Amount?**

The total maturity amount is the amount that the deposit is worth at the time of maturity.

### **3. How does a term deposit work?**

A term deposit offers a fixed interest rate for a fixed term. Interest rates differ based on the deposit term, the amount of the deposit and the interest payment frequency.

### **4. When will I start earning interest on my term deposit?**

You will begin to earn interest from the day your term deposit is opened with the bank and not on the day the application is submitted.

### **5. Can I open a term deposit in joint names?**

Yes, it is possible to open the term deposit with joint holders. Details of the holders have to be provided while opening the deposit. The maximum number of joint holders that can be added depends on the bank's offerings.

### **6. Can I modify the term deposit details?**

Yes, you can modify the maturity instructions defined for your term deposit as well as top up the deposit amount. Both these options are provided on the Term Deposit Details screen.

### **7. What happens to my term deposit at maturity?**

This will depend on the maturity instructions defined by you at the time the deposit was opened. Based on your selection at that point, at the time of maturity, the deposit would either be renewed or the amount will get credited to a specified account. If the funds are to be withdrawn at maturity, you can provide the details of the account to which the maturity proceeds are to be credited.

**8. Can I add funds to my term deposit?**

If the term deposit product has a facility for top up, then an option will be provided to add funds into the term deposit. The maximum amount with which you can top up the deposit will be defined by the bank and displayed on the top up page.

**9. Can I redeem the term deposit before the maturity date?**

Yes, depending on the bank's offerings, it is possible to redeem the term deposit amount either partially or fully before the maturity date.

**10. Can the maturity amount be credited into my account held with another bank?**

Yes, it is possible to setup instructions to credit the maturity amount into another bank account.
