2.5	Common Core Services Installation.....	2-2
2.6	Party Services Installation.....	2-2
2.7	Customer Services Installation.....	2-2
2.8	OFLO Services Installation	2-2
2.9	Troubleshooting	2-2

1. Preface

1.1 Introduction

This guide helps you to install the Oracle FLEXCUBE Onboarding services and User Interface. It is assumed that all the prior setup is already done related with WebLogic installation and Oracle DB installation.

It is recommended to use dedicated managed server for each of the Plato infrastructure services, Oracle FLEXCUBE Onboarding Services, and Oracle FLEXCUBE Onboarding User Interface.

1.2 Audience

This document is intended for WebLogic admin or ops-web team who are responsible for installing the OBMA banking products.

Abbreviation	Description
Implementation Team	Implementation of Oracle FLEXCUBE Onboarding (OFLO)
Presales Team	Install OFLO for demo purpose
Bank Personnel	Who installs OFLO

The user of this manual is expected to have basic understanding of Application servers like Oracle Weblogic, and Oracle Database.

1.3 Abbreviations and Acronyms

This guide may refer to the following abbreviations

Abbreviation	Description
OFLO	Oracle FLEXCUBE Onboarding
OBMA	Oracle Banking Microservices Architecture
SMS	Security Management System
CMC	Common Core

2.1 Security Guidelines

The user of this manual should ensure security guidelines for this release of OFLO are adhered to as mentioned in [Security Guide](#). This is a pre-requisite before proceeding further.

2.2 Environment Setup

This section helps you get an outline of the chapters included in the Installation Guides and provides a summary of each chapter. You can identify the chapters containing the details of each activity that you will perform during OFLO installation

The Installation Guides are organized as follows:

Prerequisites

This guide describes the [Prerequisites required for Installing OFLO](#).

This guide provides the order in which you need to [perform the installation process](#)

Application Server Setup

This guide describes various configurations required to [setup Weblogic server including LDAP setup](#).

2.3 Plato Infrastructure Services Installation

Plato Infrastructure Services Installation

This guide describes the steps to [install Plato infrastructure services](#) on designated environment.

2.4 Security Management System Services Installation

Security Management System Services Installation

This guide describes the steps to [install SMS Core services](#) on designated environment.

2.5 Common Core Services Installation

Common Core Services Installation

This guide describes the steps to [install Common Core services](#) on designated environment.

2.6 Party Services Installation

Party Services Installation

This guide describes the steps to [install Party services](#) on designated environment.

2.7 Customer Services Installation

Customer Services Installation

This guide describes the steps to [install Customer services](#) on designated environment.

2.8 OFLO Services Installation

OFLO Services Installation

This guide describes the steps to [install OFLO services](#) on designated environment, and [Initial setup scripts](#) to create required maintenances for OFLO.

This guide describes the [configurations for SSL](#) on Oracle Weblogic application server

2.9 Troubleshooting

This guide provides [resolution details](#) for some of the known Flyway related issues faced during service deployments.
