2 SME Onboarding

2.1 Overview

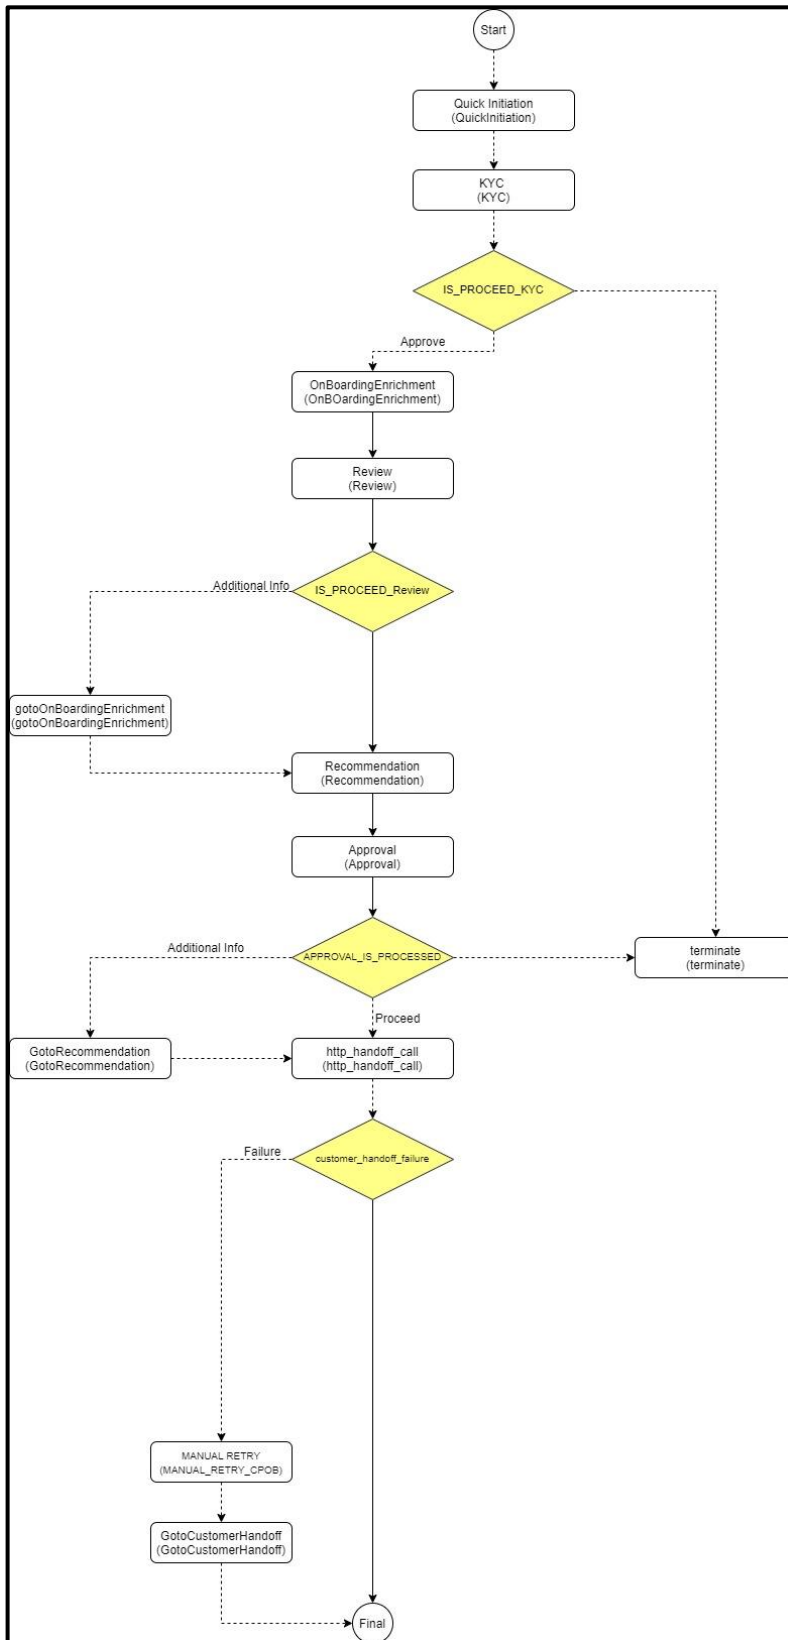

SME Onboarding is an umbrella term that is often used to describe the entire process that users go through when they start their journey as a customer of a banking product or service. Onboarding is an ongoing process, which helps banks to create a relationship with customers. In a bank, there would be a Relationship Manager for every Small and Medium Enterprise that will be on-boarded as a customer. The respective RM would take care of the customer to successfully onboard into the bank. The various activities performed for the SME Onboarding process are:

- Initiation
- KYC
- Enrichment
- Review
- Recommendation
- Approval
