1. Preface

1.1 Introduction

This guide helps you to install the Oracle Banking Virtual Account Management services and User Interface. It is assumed that all the prior setup is already done related with WebLogic installation and Oracle DB installation.

It is recommended to use dedicated managed server for each of the Oracle Banking Microservices Architecture, Oracle Banking Virtual Account Management Services, and Oracle Banking Virtual Account Management User Interface.

1.2 Audience

This document is intended for WebLogic admin or ops-web team who are responsible for installing the Oracle Banking Microservices Architecture banking products.

Abbreviation	Description
Implementation Team	Implementation of Oracle Banking Virtual Account Management
Presales Team	Install Oracle Banking Virtual Account Management for demo purpose
Bank Personnel	Who installs Oracle Banking Virtual Account Management

The user of this manual is expected to have basic understanding of Application servers like Oracle Weblogic, and Oracle Database.

1.3 Abbreviations and Acronyms

This guide may refer to the following abbreviations

Abbreviation	Description
SMS	Security Management System
