## 1. Preface

### **1.1 Introduction**

This manual is designed to help you quickly get acquainted with the activation of sample reports, and module-wise sample reports available in Oracle Banking Treasury Management.

### 1.2 Audience

This manual is intended for the following User/User Roles:

Role	Function		
Bank Office Clerk	Input functions for contracts		
Back office managers/officers	Authorization functions		
Product Managers	Product definition and authorization		
End of day operators	Processing during end of day/ beginning of day		
Financial Controller/Product Managers	Generation of reports		

Table 1.1: Function and Role

### 1.3 Documentation Accessibility

For information about Oracle's commitment to accessibility, visit the Oracle Accessibility Program website at <a href="http://www.oracle.com/pls/topic/lookup?ctx=acc&id=docacc">http://www.oracle.com/pls/topic/lookup?ctx=acc&id=docacc</a>.

### 1.4 List of Topics

The manual is organized as follows:

Topics	Description
Activation of Sample Reports	Explains the sample reports activation procedure in detail.
Module-wise Sample Reports	Explains the sample reports of each module available in Oracle Banking Treasury Management.
Function ID - Glossary	This topic provides the alphabetical list of Functional /Screen ID used in this module.

### **1.5 Related Documents**

- Common Core
- Money Market
- Foreign Exchange
- Options
- Derivatives
- Islamic Money Market
- Islamic Derivatives
- Tax
- Securities
- Brokerage

# 2. Activation of Sample Reports

### 2.1 Introduction

During the day, or at the end of the day, you may want to retrieve information on several operations that were performed during the day in your bank. You can retrieve this information in the form of sample reports in Oracle Banking Treasury Management.

A set of a sample reports is pre-defined for all the modules in Oracle Banking Treasury Management. This topic provides information on how to activate the sample reports.

### 2.2 Activation of Sample Reports

To activate the sample reports, the following must be performed:

- 1) Activate Menu
- 2) Activate Reports Roles

#### 2.2.1 Activation of Menu

You can activate the sample reports using menu in two ways:

- 1) Front End
- 2) Back end

#### 2.2.1.1 Front End Activation using Menu

This topic provides the systematic instruction to activate the sample reports through Front End activation using menu.

#### CONTEXT:

To activate the sample reports using menu in Oracle Banking Treasury Management, perform the following:

1. On the Home page, enter **SMDFNDSC** in the text field, and click the next arrow. STEP RESULT: The **Function Description Maintenance** screen is displayed

# 3. Module-wise Sample Reports

### **3.1 Introduction**

Reports provide details of various events in the life of a specific contract, or across contracts at a particular point of time. For every module in Oracle Banking Treasury Management, you can generate the sample reports. This topic explains the module wise sample reports that you can generate in each module of Oracle Banking Treasury Management.

### 3.2 Sample Reports in Common Core Module

The below table provides the reports available in Common Core module.

S.No	Function Id	Report Name	Report Details
1.	SMRBASTA	Batch Performance Statistics	Maximum, minimum and average performance record of each batch operation across all the branches in Oracle Banking Treasury Management.
2.	SMRCONTL	Change Control Log	This report provides the change log details.
3	SMREVNLO	Event Log	This report provides the event log details.
4	SMRNWUSR	New User Created	The report provides the new user details.
5	SMRROLPR	Role Profile	This report provides the details of the role profiles.
6	SMRSUMRY	User Role Summary	This report provides the user role summary details.
7	SSRCONTL	User Change Control Log	This report provides the user Change log details.
8	SSRPINST	Security Maintenance Inactive User	This report provides the security maintenance inactive users details.
9	SSRUSLOG	User Log details	This report provides the user log details
10	SSRUSRDS	Disabled Users System Violation Log	This report provides the disabled user's system violation log details.
11	SSRUSSTS	User Status Log	This report provides the user status log details.

Table 3.1: Common Core Sample Reports

### 3.3 Sample Reports in Foreign Exchange Module

The below table provides the reports available in Foreign Exchange module.

S No.	Eurotion Id	Bonort Namo	Poport Dataila
3.140			Neport Details
1.	CYRFWRAT	Currency Forward Rates Report	This report gives details about forward rates for different currency pairs over a given period.
2.	FXRPCCYA	Foreign Exchange Currency Analysis Report	This report gives the net currency position due to contracts maturing within a specified period.
3	FXRPCCYT	Foreign Exchange Tenor-wise Currency Position Report	This report gives the net currency position due to contracts tenor-wise (spot, one month, two months, etc.)

Table 3.3: Money Market Sample Reports

### 3.5 Sample Reports in Derivative Module

The below table provides the reports available in Derivative module.

S.No	Function Id	Report Name	Report Details
1.	DVRPACCR	Interest Accrual Report	This report provides the contract details where interest has been accrued.
2.	DVRPCACT	Back Dated Details Report	The Back Dated Deals report gives details that are inserted into the system with the value date earlier than that of Booking Date
3	DVRPCACT	Contract Activity Report	This report gives details of the activities performed on contracts in the DV module during the day.
4	DVRPCSDT	Customer-Wise Contract Details Report	The Customer-wise Details report provides details of all contracts where the counter-party involved is a specific customer of your bank.
5	DVRPCSSM	Customer Wise Summary Report	The Customer-wise summary report summarizes the details of all contracts where the counter-party involved in the contract is the specified customer. After indicating the name of the customer, the report contains the details of contracts where the specified customer is the counter-party involved.
6	DVRPEXCP	Process Exception Report	This report provides information on exceptions during processing of contracts.
7	DVRPRVAL	Revaluation Log Report	The revaluation log report provides the details of the option contracts that are revalued periodically.
8	DVRPSTLD	Settled Deals Report	The Settled Deals report options screen provides a detailed report on all contracts which were settled as well as on those contracts which were terminated.

Table 3.4: Derivative Sample Reports

### 3.6 Sample Reports in Options Module

The below table provides the reports available in Options module.

#### Table 3.5: Options Sample Reports

S.No	Function Id	Report Name	Report Details
1.	OTRPRFIX	Options Rate Fixing Report	The Rate Fixing Report provides the rate fixing details of interest rate options.

S.No	Function Id	Report Name	Report Details
2.	OTRPRVAL	Options Revaluation Report	The Options Revaluation Report provides the details of the option contracts that are revalued periodically.

### **3.7 Sample Reports in Securities Module**

The below table provides the reports available in Securities module.

Table 3.6:	Securities	Sample	Reports
	00000111000	oumpic	1 CPOILS

S.No	Function Id	Report Name	Report Details
1.	SERCPDUE	Corporate Action Tracking Coupon EXDATE	The report displays all the corporate action records of the securities for the specified dates.
2.	SERCPFLP	Coupon Flipping	The Coupon Flipping report gives the details of the previous coupon and the next coupon for a particular security.
3	SERACTVT	Security Activities	This report gives details of the activities performed on contracts in the Securities module during the day
4	SERBKDDL	Backdated Deals Report	The Back Dated Deals report gives details that are inserted into the system with the value date earlier than that of Booking Date.
5	SERCUCDL	Confirmed/Unconfirmed Report	This report gives the details of confirmed / unconfirmed contracts.
6	SERMATRP	Securities Maturity Report	This report provides information on Securities contract details by allowing user to query using fields such as Product type, maturity type, Liquidation mode and value date.
7	SEROVDRP	Securities Contracts Overrides Report	This report gives details of all contracts on which overrides were displayed during contract processing.

### 3.8 Sample Reports in Brokerage Module

The below table provides the reports available in Brokerage module.

141				
S.No	Function Id	Report Name	Report Details	
1.	BRRASSOC	Brokerage Association Report	This report gives details of all associated brokers. It is printed daily as part of the batch process. You can configure this report to display details of brokerage contract.	

 Table 3.7:
 Brokerage Sample Reports

### 3.9 Sample Reports in Tax Module

The below table provides the reports available in Tax module.

Table 3.8:	Tax Sample	Reports
	Tux Oumpic	Reports

S.No	Function Id	Report Name	Report Details
1.	TARAYABL	Tax Payable Report	The Tax Payable Report gives details of all taxes that are to be paid over a period in time.

### 3.10 Sample Reports in Islamic Money Market Module

The below table provides the reports available in Money Market module.

S.No	Function Id	Report Name	Report Details
1.	MCRPACCR	Accrual Control Report	This report provides a summary of the accrual control as of a selected accrual processing date.
2.	MCRPBRCF	Broker Confirmation Pending Report	The Broker confirmation pending report provides details of deals that are pending for broker confirmation.
3	MCRPBRDT	Islamic Money Market Brokerage Details Report	This report provides the brokerage details.
4	MCRPCALC	Islamic Money Market Profit Calculation Report	This report provides the profit details for one or more contracts for a selected date range
5	MCRPCPCN	Islamic Money Market Counterparty Confirmation Pending Journal report	This report provides details on confirmation pending journals.
6	MCRPEVNT	Contract Event Details Report	This report provides the event details contracts associated with a specific product or all products.
7	MCRPFRWD	Islamic Money Market Forward Contracts Report	This report provides the details of Islamic money market forward contracts.

Table 3.9: Money Market Sample Reports
