# 1. Preface

## 1.1 Introduction

This guide helps you to install the Oracle Banking Branch services, Party services, User Interface, and Conductor Process flow on designated environments. It is assumed that all the prior setup is already done related with WebLogic installation, WebLogic managed server creation and Oracle DB installation.

## 1.2 Audience

This document is intended for WebLogic admin or ops-web team who are responsible for installing the banking products of Oracle Financial Services Software Limited.

<b>Abbreviation</b>	<b>Description</b>
Implementation Team	Implementation of Oracle Banking Branch
Presales Team	Install Oracle Banking Branch for demo purpose
Bank Personnel	Who installs Oracle Banking Branch

The user of this manual is expected to have basic understanding of Application servers like Oracle Weblogic, IBM Websphere and Oracle Database.

### 2.1 Security Guidelines

The user of this manual should ensure security guidelines for this release of Oracle Banking Branch are adhered to as mentioned in the [Security Guide document](#). This is a pre-requisite before proceeding further.

### 2.2 Environment Setup

This section helps you get an outline of the chapters included in the Installation Manuals and provides a summary of each chapter. You can identify the chapters containing the details of each activity that you will perform during Oracle Banking Branch installation.

The Installation Manuals are organized as follows:

#### **Prerequisites**

This manual describes the [Prerequisites required for Installing Oracle Banking Branch](#).

#### **Application Server Setup**

This guide describes various configurations required to [setup Weblogic server including LDAP setup](#).

### 2.3 Oracle Banking Microservices Platform Foundation Installation

#### **Application Server Setup**

This guide describes the steps to [install Oracle Banking Microservices Architecture services](#) on designated environment.

### 2.4 Security Management System Services Installation

#### **Application Server Setup**

This guide describes the steps to [install SMS Core services](#) on designated environment.

## **2.5 Common Core Services Installation**

This guide describes the steps to [install Common Core services](#) on designated environment.

## **2.6 Party Services Installation**

This guide describes the steps to [install Party services](#) on designated environment.

## **2.7 Oracle Banking Branch Services Installation**

This guide describes the steps to [Install Oracle Banking Branch services](#) on designated environment, and [Initial setup scripts](#) to create required maintenances for Oracle Banking Branch.

## **2.8 SSL Configurations Setup**

This guide describes the steps to [steps to setup SSL Configurations](#) required for Oracle Banking Branch.

## **2.9 Troubleshooting**

This guide provides [resolution details](#) for some of the known Flyway related issues faced during service deployments.
