Name	Value
Admin IP	Not Applicable
Admin Port	Not Applicable
Admin Username	websphere
Admin Password

Test Connection

Type of Deployment: Full Deployment

Admin IP

Not applicable

Admin Port

Not applicable

Admin UserName

Please provide the appropriate Admin Username of the websphere application server.

Admin Password

Please provide the appropriate Admin Password of the websphere application server.

Type of Deployment

Choose "Full Deployment".

9. Click on **“Test Connection”** to test the connection with the application server. On successful connection, the following message will be displayed.

10. Click on “OK” and click on “Next” to display the screen below.

WAR Path

Please select the application WAR to be deployed using the browse button.

Note: The Application WAR path cannot be copied and pasted on to the text box, thereby demanding the use of the browse button to select the WAR.

Property File Path

Please select the appropriate path to the external properties file.

If the properties file is internal to the application WAR, it would be fetched on selection of the WAR and will be in a non-editable state.

Application Name

Application Name would be fetched on selection of the WAR and will be in a non-editable state.

Application Context

Please provide the Application Context as required.

Manage Resources

Not Applicable for websphere application server.

11. Click on “Next” to display the screen below.

The screenshot shows the Oracle FLEXCUBE Universal Installer window. The title bar reads "Oracle FLEXCUBE Universal Installer". The main window has a red header bar with "Oracle FLEXCUBE Investor Servicing" on the left and the "ORACLE" logo on the right. Below the header, the section is titled "Application deployment" with the instruction "Provide the Application Details For the Deployment of EAR". The form contains the following fields and controls:

- Application Name:** A text input field with a dropdown arrow on the right. A "Get Details" button is positioned to the right of this field.
- Status:** A text input field.
- Cell Name:** A text input field.
- Node Name:** A text input field.
- Target Type:** A dropdown menu currently showing "Server".
- Server Name:** A text input field.
- Cluster Name:** A text input field.

At the bottom of the window, there is a "Log" button on the left and "Back", "Next", and "Exit" buttons on the right.

Application Name

Not applicable for application full deployment.

Status

Not applicable for application full deployment.

Cell Name

Please provide the appropriate Cell Name.

Node Name

Please provide the appropriate Node Name.

Target Type

Please choose the appropriate target type.

Server Name

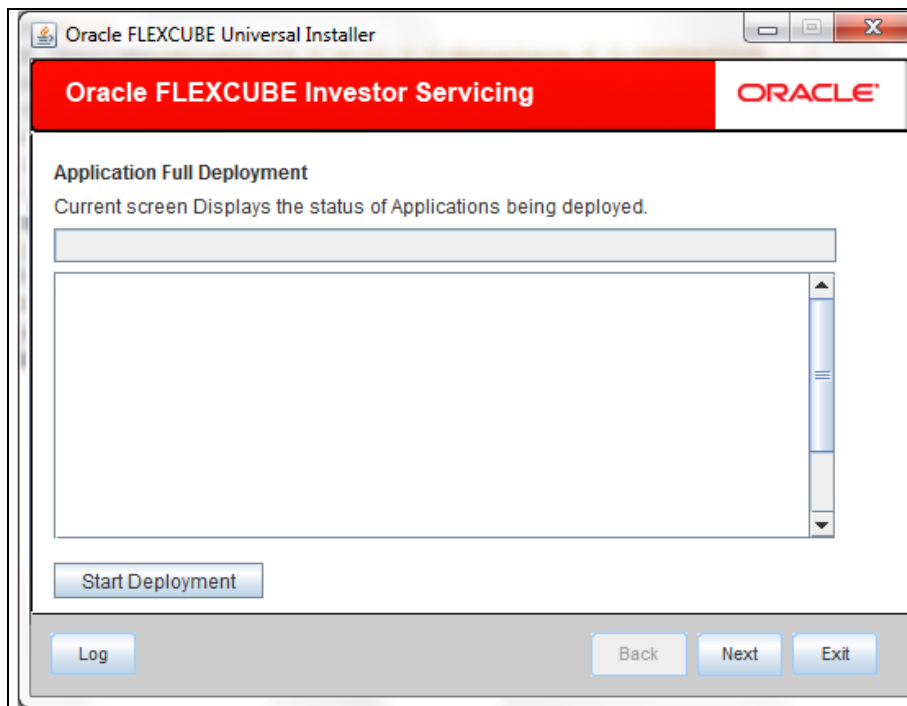

Please provide the appropriate Server Name if the selected Target Type is “**Server**”.

Cluster Name

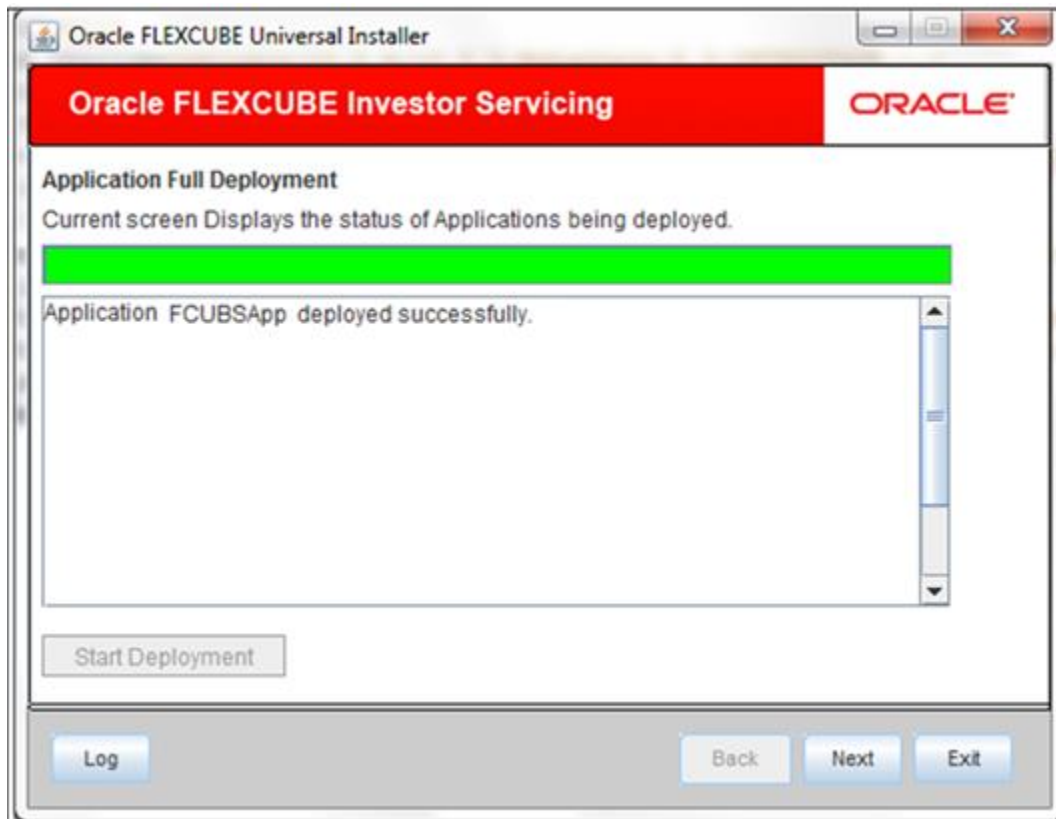

Please provide the appropriate Cluster Name if the selected Target Type is “**Cluster**”.

Note: The values fed in the above screen are not validated at the screen level as a result of a limitation and hence, please provide accurate information.

12. Click on “Next” to display the screen below.

13. Click on “**Start Deployment**” to begin the process of application deployment.
14. On successful deployment, you will get the following message and the screen is expected to look like below.

Application Deployment in WebSphere
