

Oracle Revenue Management and Billing

Release Schedule

You are obligated to request a service upgrade within 90 days of the release being generally available (GA).

Note: An upgrade of ORMB becomes mandatory whenever any of its dependent products reach the End of Life (EOL), as ORMB is not supported on EOL versions of its dependent products.

The following table lists the EOL (in Month and Year) for the respective on-premise release:

On-Premise Release	Release Date	Release (EOL)
Oracle Revenue Management and Billing Version 9.0.0.0.0	April 2026	April 2031
Oracle Revenue Management and Billing Version 8.1.0.0.0	December 2025	December 2030
